

NEW YORK, May 24 (AP)-The order cutting gasoline rations for buses 40 per cent in the east may be the finishing wallop for a lot of sports that hoped to get by this summer because they had bus transportation . . . Golf courses likely will feel it the most. But the Garden State race track, many minor league base-ball parks and even the AAU bail parks and even the ARO track championships were de-pending upon buses . The major baseball parks, hoss tracks and boxing emporiums likely won't be affected . . . Another peculiar situation is that athletes-even sandlotters-who play for pay can use their cars to drive to work but the customers have to find some other way to get there.

Rainiers, Beavers Split Double Go; Seals Take Oakland Series, 4 to 3

By The Associated Press

While Los Angeles continued to sail serenely along at the head of the pack, Sacramento replaced Portland and Seattle in the Coast league cellar over the weekend after San Diego took both ends of a doubleheader from the Solons yesterday and the Rainiers and Beavers split a Sunday double header.

Portland and Seattle now are tied for seventh place although the Rainiers copped the series 4 games to 3. Portland took the opener in fine style yesterday, 4 to 0, largely on Southpaw Sid Cohen's three-hit pitching. Ed Carnett, however, put on a peer-

Missouri Challenges Any Suggestion That Cal Has Best Relay Team, However

FRESNO, Calif., May 24 (#) The University of California may boast today of its first team victory in the 17-year history of the Fresno relays, but the coast will meet an instant challenge from the University of Missorui when it comes to deciding which has the better relay team.

Nine thousand spectators at the relays Saturday were un-able to reach a decision off the records of the two relay teams. Missouri, anchored by Joe Shy,

won by six or seven yards over California in the 440-yard event in the swift time of 41.4 seconds. California came back to win the 880-yard relay in 1:28.8 sec-
