RED STAMP J TO BE GOOD IN JUNE

WASHINGTON, May 24 (AP)—Red stamp "J", worth sixteen points of rationed meats and fats, will be good throughout June instead of expiring May 31.

In announcing this the office of price administration said it took that action to avoid a rush on retailers on the Saturday preceding Memorial Day.

OPA also announced that four new series of red stamps (a total of 64 points) will become valid at weekly intervals beginning May 30 and will be good for meats-fats purchases through June 30.

Cattle Raisers Pledge Increased Food Production

BURNS, May 24 (AP)—The Oregon Cattle and Horse Raisers' association pledged increased food production in the annual convention here last weekend, but asked additional government help toward meeting the goals.

One resolution asked the OPA to adjust gasoline regulations to enable ranchers to maintain livestock production. Another asked guaranteed price levels.

Markets and Financial

MOST STOCKS SHUFFLE OVER SMALL AREA

By VICTOR EUBANK
NEW YORK, May 24 (AP)—Stocks generally shuffled over a circumscribed area in today's market, one of the slowest for a full season this year.

Buyers and sellers, on the whole, seemed unwilling to step out of the conservative ranks pending more light on widespread labor controversies, taxes and growing civilian controls. Transfers approximated 750,000 shares.

Leading steels, motors, rails and rubbers were unable to make much progress. Mail orders, assorted aircrafts and specialties did moderately well at times.

In front of the greater part of the day were Glenn Martin, Sperry, Montgomery Ward, Sears Roebuck, Woolworth, Standard Oil (N.J.), Philip Morris, Westinghouse, Du Pont, American Tobacco "B" and International Harvester. Slipping tendencies were exhibited by U. S. Steel, Bethlehem, Chrysler, Goodrich, U. S. Rubber, Santa Fe, Southern Pacific, Anaconda, Western Union, American Telephone, Allied Chemical and American Can.

Bonds were as irregular as stocks.

Supreme Court Drops Litigation On Rent Control

WASHINGTON, May 24 (AP)—The supreme court ordered the dismissal today of litigation challenging the constitutionality of the delegation of rent control powers by congress to the office of price administration.

In an unanimous opinion read by Chief Justice Stone, the tribunal held that a suit filed in the federal district court at South Bend, Ind., was "collusive" because it had been filed by agreement between the interested persons.

WHEAT
CHICAGO, May 24 (AP)—Interest in rye featured grain trading today as that grain advanced about a cent at times, reaching best levels in about two months, in heavy turn-over. Profit-taking was large and shaved some of the extreme gains.

Wheat was up with rye for a part of the session, but late selling generally sent quotations below the previous finish near the close. Oats displayed a firm undertone. There was little trading in corn, with arrivals from the country continuing below trade needs.

At the close wheat was 1/2 cent lower to 1 cent higher, July 1.43 1/2-1.44 1/2, September 1.44 1/2-1.45 1/2, corn was unchanged, July 1.05, oats were 1/2 cent lower to 1 cent higher and rye showed gain of 1-4 cents.

Exceptions to this extension are cottage, baker's and pot cheese.

All hard cheeses have been rationed since March 29.
