Tulelake Mrs. Don Fisher left Tuesday morning for Wisconsin where she plans to spend three weeks or a month as the guest of a sister and other relatives. Don Fisher, superintendent of the Lava Beds monument, is attending a fire rangers' school at Mt. Rainier, Wash. Mr. and Mrs. M. H. Palmer are at monument headquarters during their absence. Mr. Palmer is in the employ of the government as a mechanic. Marvin Cross and Bill Barks are spending a week on vacation at the home of Marvin Cross' uncle at Marshfield. Rance Stover, serving with the Seabees, spent a few days in Tulelake last week en route to the west coast from the east coast where he has been in training. Stover, formerly manager of the Tulelake office of the California Oregon Power company, has made the rank of chief petty officer in the electrical division. Harvey Coverly, WRA director at Newell, is in Washington, D. C., on business. Coverly traveled by train to San Francisco where he boarded a plane for the east. Word has been received by Mrs. William Wilson Jr., that PFC Wilson, who for several months has been critically ill at Camp White, Medford, submitted recently to another operation, one of several, and is convalescing satisfactorily. No blood transfusion was necessary following this operation and attending physicians expect his early recovery. Mrs. Wilson is the former Bette Campbell, daughter of Mr. and Mrs. Roy Campbell.
