Soldiers Escape Guardhouse; Fly Away

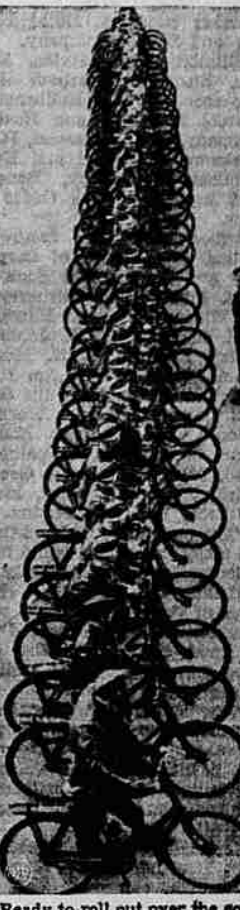

Pvt. Thomas A. McDonald, Girard, Ill., center, and Pvt. Ronald Voyles, Barsboo, Wis., right, literally flew away when they escaped the guardhouse at Minter Field, Calif. The two soldiers stole an airplane and piloted it undetected through southern California, landing in the Pomona, Calif., airport. They were apprehended in Upland, Calif., where they are shown in jail with Police Chief E. L. Mueller.

Bicycle Brigade

Hollywood starlet Virginia Patton shows us one way of looking at this topsy-turvy world that isn't bad at all.

Ready to roll out over the summertime of southern England are two score Canadian cycling soldiers, who build muscles and save gas by biking into battle.

The Mackenzie is the 10th longest river in the world, having a length of 2525 miles. Freezing causes water pipes to burst due to the expansion of the water as it changes to ice. In order to produce one ton of dry substance, crops remove several hundred tons of water from the soil.
