

We Must Give The "Klamath Pelican" Fighter Escort!

The Kiwanis Club Is Sponsoring War Bond Sales for June.

---The Goal---
\$300,000---Enough to Buy

4 Fighter Planes

To achieve this goal, every individual in Klamath county must loan at least 10% of his earnings in War Bonds. 10% of our men are in the armed services; fighting for us. 10% in Bonds is the least we can do.

The four Klamath county communities which are credited with the most War Bonds will have a fighter plane named after them. Let's buy the fighters to fly with the "Klamath Pelican" Flying Fortress, which was bought with bonds in May.

Every purchaser of a War Bond during June may designate his favorite community, regardless of his own residence. Klamath Falls people — vote for your favorite county community. The four communities with the highest War Bond totals will have their names on these fighters.

WHICH 4 WILL IT BE?

Malin Mustang

Bonanza Antler

Chiloquin-Fort Klamath Panther

Merrill Husky

Keno Eagle

Henley Hornet

Gilchrist Logger

Beatty-Bly Bobcat

Sprague River Indian
