## Brenda — Will You Step Out With Me Tonight?

I know I've been an awful grouch not taking you any place lately. But after standing all day at my new job, my feet darn near killed me with callouses and burning. Now I've reformed — or rather my feet have — thanks to the Ice-Mint you advised. Never tried anything that seemed to draw the pain and fire right out so fast — and the way it helps soften callouses is nobody's business! Been able to get some extra overtime money — so what do you say, let's go dancing tonight. You can step on my Ice-Mint feet all you want.
