Taxes on Ford Bequests Estimated at \$12,000,000

DETROIT, June 3 (AP)—The will of Edsel Bryant Ford was filed for probate today and, because it bequeathed the greater part of his Ford Motor company stock to the Ford foundation, attorneys estimated estate inheritance and transfer taxes might not amount to much more than \$12,000,000. Earlier reports, based solely upon conjecture, had placed the possible tax at as much as \$200,000,000.

Attorneys said the estate itself probably would amount to \$200,000,000.

Edsel Ford, only son of Henry Ford and late president of the Ford Motor company, died last week at the age of 49.

The Ford foundation, a non-profit corporation, was organized in 1936 for educational and other purposes. Gifts to organizations of its type are not taxable.

That portion of the Ford stock not bequeathed to the foundation is left in equal shares to Mrs. Eleanor Clay Ford, the widow, and each of the four children—Henry Ford II, Benson Ford, Mrs. Walter Buhl Ford II and William Clay Ford. The widow is made executrix.

The Ford Motor company is capitalized at \$100,000,000—20,000,000 shares at \$5 a share, of which but 3,452,900 shares

No Japs Rise to Oppose Yanks in Lae, Wewak Blows

ALLIED HEADQUARTERS IN AUSTRALIA, June 3 (AP)—Flying Fortresses and Liberators have loosed the fury of 132 tons of bombs within less than a week upon Lae and Wewak, New Guinea, without being challenged by a single Japanese plane.

Yesterday, emboldened by successes under cover of darkness, Liberators struck unescorted in daylight at the enemy's airdrome base of Lae to drop 36 tons and met opposition only from Japanese anti-aircraft guns.

Edsel Ford also owned or controlled a majority of the stock in the Manufacturers National bank of Detroit. This bank stock as well as the family estate on Lake Shore Road, Grosse Pointe Shores, and all the deceased's personal effects are left to the widow.

All other real estate in Michigan held by Edsel Ford and several other pieces of property go to the foundation, while a mansion at Seal Harbor, Maine, the White Hart inn in New Hampshire and a residence in Florida are left to Mrs. Edsel Ford.

MILWAUKEE, Wis. (AP)—He quit his job as a laborer for the city in 1941, shortly after he was married. But now he has asked to have his old job and get back to work.

"Why," an official asked. "My wife left me," he replied.

HIDDEN TREASURE

KOKOMO, Ind., (AP)—Police aren't happy about the fact that a single parking meter brought in \$5 for one hour's parking. They are pawing through the nickels from about 1000 meters looking for a \$5 gold piece which Mrs. W. L. Gunther inadvertently dropped into the slot.
