PEACE STOCKS HELP SUSTAIN UPWARD TREND

NEW YORK, June 4 (AP)—Scattered peace stocks continued to keep recovery fires burning in today's market while many leaders elsewhere were unable to shake off mild selling chills.

Steels, rails and aircrafts retreated after early resistance. Assorted favorites managed to register new tops for the year or longer but, near the close, declines of fractions to a point or so predominated. Transfers were around 1,300,000 shares.

United Gas Improvement hit a peak for 1943 on an opening block of 19,100 shares as the company announced expectation that the partial liquidation plan would be ratified by directors at their next meeting. Also edging into "new high" were Morris & Essex, Libby-McNeill, Murray corp., American Telephone, Chrysler and Montgomery Ward.

Fallers included U. S. Steel, Bethlehem, N. Y. Central, Southern Railway, General Motors, Douglas Aircraft, Westinghouse, Allied Chemical, U. S. Rubber and International Harvester.

WHEAT PRICES GO UP WITH DEMAND

CHICAGO, June 4 (AP)—A good demand developed for wheat today and prices advanced nearly 2 cents at one time before running into realizing sales. Oats were steady but rye dropped below yesterday's closing quotations when heavy profit taking erased gains which had sent the grain to new six year peaks.

Private crop forecasts that Kansas production this year would be about 150,000,000 bushels against 206,000,000 bushels harvested in 1942 spurred the upturn.

Wheat closed 1-1/2 cent higher, July \$1.54 1/2, September \$1.45 1/2, corn was unchanged, July \$1.05, oats were up 1/4 cent and rye dropped 1/4 cent.

Japanese Destroyer Lost This Battle

Unfortunately for this Nip destroyer, it crossed the path of a U. S. Pacific Fleet submarine patrolling waters off the coast of Formosa. The sub let her have it with a torpedo, which hit in the forward part of the ship, top. Center, a few seconds later the vessel slowly sinks, her stern high out of the water, and, bottom, the destroyer's fantail points skyward as the fast-sinking ship dives almost straight down to her final resting place.
