OPA Rules on Farm Butter Price

WASHINGTON, June 4 (AP)—To "clarify a situation in which there had been some confusion," the OPA ruled today that butter manufactured on a farm is subject to the same maximum prices established for creamery butter.

The OPA said that it had not been clear how prices on farm butter were regulated.

Convicts Address War Ration Books

SALEM, June 4 (AP)—State prison convicts are working on the job of addressing 1,235,000 war ration books No. 3 to every resident of Oregon.

The books will go to 350,000 different mailing addresses. Between 50 and 75 convicts are working every day on the job, and about 150 work nights.

The new Flying Jeep, or Sentinel, carries a pilot and an observer, two-way radio equipment and is designed for unusual stability in the air so that the pilot can concentrate on observing with a minimum of stalls or spins.

Almost 70 per cent of the aluminum that would ordinarily have been used was eliminated in the construction of the Army Sentinel observation plane.

Wines HELP SOLVE WARTIME FOOD PROBLEMS

When ration points say cheaper meat cuts, don't worry; apply the subtle magic of cooking with wines. The same is true with sea foods, poultry, salads. Let the wines discover unsuspected goodness in the food itself... as a flavoring only... for the alcohol evaporates as heat is applied.

Build BIG Frames

You can't hang up your hat without something to hang it on. And it's just as sure, if you want to make lots of money-making pork, you've got to build big "pig frames" with plenty of stretch and site. We have just the feeds to help you do the job—Purina SOW AND PIG CHOW and Purina HOG CHOW. Fed with your grain, these feeds supply what is needed by brood sows, growing pigs, and fattening hogs to grow the kind of s-e-t-e-c-h that has so much to do with economical pork production. See us today about the Purina Plan!

WORM PIGS with PURINA CHEK-R-Pigtabs
