

WARNING GIVEN ON CAPITAL-LABOR ROW

By The Associated Press

Appealing to the working men and women of the world for discipline and faith, Pope Plus XII issued a warning yesterday against "false prophets" who sow the seeds of discord between capital and labor.

"Such false prophets would have us believe that salvation must come from a revolution which shall overturn the social order and assume a national character," the pontiff told a gathering of some 20,000 Italian workers who made a pilgrimage to the Vatican in one of the concluding manifestations of the pope's jubilee year.

"Salvation and justice are not to be found in revolution, but in an evocation through concord. . . . We need a spirit of true concord and brotherhood animating all: superiors and subjects, employers and workers, great and small—in a word, in all classes of people."

The pope declared that social justice "demands a just and fitting sharing by all in the goods of the country" and declared that adequate wages to enable workers to care for their families and safeguard their old age are fundamental requisites of social concord.

Spokane Gagsters Proclaim Happy Day for Ma-in-Law

By JACK HEWINS

SPOKANE, June 15 (AP)—When and if your mother-in-law slaps you down June 30 with your wife's Ming vase, don't be a cad. Grin, brother, and kiss her.

June 30, revered by woman-kind as mamma's last chance to get daughter a June husband, will be Mother-in-law Day throughout the land.

The great gag-masters of the Spokane athletic round table, who dropped a pre-war bombshell on Washington with "bundles for congress," came up with the idea today and notified all their approximately 2500 members in the 48 United States to zip up their grudges June 30 and give mother-in-law a happy day.

"Take advantage of the low prices," the notification urged. "Take M-I-L out or take something to her. Our club will help with a big bill."

The club, which in all its famous practical joking has never dared give a mother-in-law a hotfoot, admitted there was a serious thought behind the project but added hastily there

"is no pressure back of this idea."

"Thousands of mothers-in-law are home-front soldiers in this war, taking care of the children and the home while the men-folks are at the front and the mothers are in war industry," said the committee in charge. "It would be a fine gesture to show a little friendship toward the person who has suffered for centuries as the victim of worn-out jokes."

In its official announcement, however, the committee was violently less tactful. The front of the notification card bore the unattractive drawing of an Amazon armed with a rolling pin and seated on a throne marked "mother-in-law." Approaching her was the club's horse mas-

METHODISTS DECIDE FOR JAP RELEASE

STOCKTON, Calif., June 15 (AP)—Loyal Japanese-Americans should be released from government relocation camps, the Northern California-Nevada conference of the Methodist church declared in a resolution passed at its closing sessions last night.

The resolution declared, "It is of primary importance that our governmental machinery move as fast and far as practicable toward releasing restrictions imposed upon Japanese-American citizens who after due investigation are found loyal to the United States."

Other resolutions asked that manufacture, sale and advertising of liquor be stopped during wartime.

Nazi Agents Aided Japs Prepare for Pearl Harbor Move

WASHINGTON, June 15 (AP)—The office of war information (OWI) reported today that German espionage agents helped the Japanese prepare their attack on Pearl Harbor and at least one of them was sentenced to death, but the sentence later was commuted.

The report said Bernard Julius Otto Kuehn, a Nazi agent, was tried before a military commission in Honolulu on charges of betraying the United States fleet in Pearl Harbor to the Japanese five days before the December 7, 1941 attack. He was convicted on February 21, 1942, and sentenced to be shot. On October 26, 1942, the sentence was commuted to 50 years at hard labor. The basis for the commutation was not given.

90 Per Cent Cut In NLRB Funds Asked

WASHINGTON, June 15 (AP)—John P. Frey, president of the metal trades department of the American Federation of Labor, asked the house appropriations committee during testimony on the federal security appropriation bill to cut funds for the national labor relations board "90 or 95 per cent."

"My opinion is that since the war began" Frey said, "the board has completely lost its perspective and its understanding of realities."

AXIS LICKER

CHICAGO, (AP)—Frank Ingram's big dog, Hans, is putting in his licks to help beat the axis.

Hans, stationed in a lobby of a north side hotel, is bedecked with a sign which reads: "5 war stamps licked, 1 penny." That's the charge to children; adults pay more.

The collections go into a pool—to buy more war stamps.

Around the table with a pound of meat

It's quite a trick to make a pound of meat go all around the table and satisfy all the appetites. However, it's been done for generations in foreign countries, and some of the creations have become masterpieces of the culinary world. The secret, of course, is to use the meat in tiny pieces, so that the flavor is distributed throughout the dish. Nutritionally, it's sound practice and one we can well afford to adopt these days.

CHOP SUEY—Cut meat into tiny pieces, brown in hot fat, add sliced celery, onions, shredded cabbage (in lieu of bean sprouts), and seasonings to taste. Add a little water, cover pan and simmer for 15 minutes or until vegetables are tender. Thicken the broth slightly with flour or cornstarch. Serve over steaming, fluffy rice.

CREPES DE BOEUF (French) Add chopped, cooked beef to pancake batter. Make large, thin pancakes. Spread with butter or substitute, sprinkle with parsley, roll up and serve plain or with gravy or sauce.

NOODLE DELIGHT—Sauté small pieces of meat and mix with cooked noodles, cooked green beans or okra, and wedges of fresh tomato. Pour in greased casserole and bake in moderate oven (350° F.) for 15 minutes or until heated through and flavors are blended.

MEAT PIE—Dice a pound of meat and prepare as for stew, using several vegetables cut in uniform pieces. Thicken gravy slightly and pour stew into greased casserole. Cover top with pastry or with mashed potato or cornmeal crust. Bake in hot oven (400° F.) for 20 minutes or until well browned.

CREAMED GROUND HAMBURGER—Brown a pound of ground beef or pork and cook until meat separates. Blend in 4 tbsps. flour, add 2 1/2 cups milk and cook until thickened, about 10 minutes. Serve hot over toast, hot biscuits or baked potato.

CHILI CON CARNE—Brown a pound of diced or ground meat with chopped onion. Add 3 cups tomatoes, cooked or fresh, season with chili powder, garlic, salt and pepper and simmer for 15 minutes. Add 3 cups cooked beans, any kind, and heat thoroughly.

VICTORY GOULASH—Brown stew meat, lamb or beef, then cook in water until tender, adding sliced onions, tomato wedges, celery, fresh corn, peas or string beans. Serve with boiled potatoes.
