Rustlers Active In Umatilla

PENDLETON, June 18 (AP)—Rustlers believed connected with "black market" operations have been active in Umatilla county, it was disclosed today with the posting of a \$500 reward by Tony Vey for information leading to the arrest of thieves who stole 22 head of Hereford cattle from his ranch southeast of Echo late in May.

Vey did not report the loss until this week because he thought the cattle might have broken through pasture barriers and strayed away. A thorough check of ranges convinced Vey and police that the animals had been stolen.

Sgt. W. H. Roach of the state police also reported today that 100 head of sheep owned by Roy Neill of Heppner have been taken from Dead Indian canyon in Morrow county.

ANTI-AXIS ACTION IN THE NORTH ATLANTIC

It's bye, bye U-boat in the North Atlantic when a destroyer turns loose the depth charges—a big factor in the falling off of convoy losses. Here a gunner hoists the "ashcan" to rack; then it is fired and explodes in a geyser of spray.

FARRELL PLEADS AGAINST MISHAPS

SALEM, June 18 (AP)—Secretary of State Bob Farrell appealed to Oregon motorists today to cooperate with army authorities in preventing accidents near military establishments.

"Traffic accidents near army camps threaten the maintenance of efficient transportation of military supplies, equipment and personnel," Farrell said. "In these areas, military vehicles are constantly on the move and at any time, considerable numbers of these vehicles may be encountered."

Farrell urged motorists to obey these rules when near army camps:

Don't go more than 35 miles an hour, avoid weaving in and out between army vehicles, be careful when passing army vehicles, exercise additional care when driving past entrances to army camps, and yield the right-of-way to military vehicles.

England, together with Scotland and Wales, has approximately 5000 miles of coastline to defend against invasion.

SUBURBAN BIBLE SCHOOL TO OPEN

Beginning Monday morning at 9 o'clock, Mrs. Hannah Christensen of Seattle and a staff of teachers will be at the Bible Baptist church located on Ward street near South Sixth, to welcome every boy and girl from 4 to 16 years of age, to the regular summer vacation Bible school.

Already there are some 40 who have signed up for two weeks. Last year the daily average was nearly 65. This year the church expects to see the 100 mark daily, from the interest already shown by children and parents alike.

The sessions will begin each morning at 9 o'clock and will last until noon, Monday through Friday, for two weeks.

There is never any charge for tuition in any Bible work connected either with the church or in the regular week day classes. Children are welcome from all church schools, and will be under the constant care of consecrated Bible trained teachers every moment of the time they are at school.

Parents who are desirous of giving their children sound Bible training are urged to send or bring their children to this splendid Bible school.

The school will close July 2 with a picnic in the afternoon and a review of the work Friday evening at 8 o'clock, to which the public will be invited.

Wainwright Loses Weight in Jap Prison Camp

SKANEATELES, N. Y., June 18 (AP)—Lt. Gen. Jonathan Wainwright, Corregidor hero, is getting "enough to eat" as a Japanese prisoner, but has lost 33 pounds since the start of the war.

Mrs. Wainwright said today this information was contained in a letter from her husband, dated October 13, 1942, the first

direct word she has had from him since a letter last June.

Mrs. Wainwright said the general, believed interned on the island of Formosa, stated that "I have enough to eat," but mentioned he weighed "about what I did in 1911." He weighed 127 pounds then, she said, and 180 pounds at the start of the war.
