Whirly May Start Equipose Mile Run

Great Money Horse Ready To Start on 1943 Bankroll

By CHARLES DUNKLEY
CHICAGO, June 23 (AP)—Whirlaway, greatest coin collector on the American turf, is ready to start wrapping another year around his already amazing bankroll.

The celebrated five-year-old today was regarded as a possible starter in the \$10,000 added equipose mile, topping Arlington park's program Saturday, as the result of his showing yesterday in his first start in 191 days.

Mr. Long Tail engaged in a nice bit of team work with stablemate Mar-Kell in making his first start of the 1943 season. While Mar-Kell raced to a two and a half length victory over a mile route, Whirlaway came swinging home in third place, three-quarters of a length back of King's Abbey.

It would have been unwise for Whirlaway's handlers to drive him hard in his first race of the season against good milers over a mile course, which to the champion is just sprinting distance. So Jockey Wendell Eads

gave Whirlaway, packing top weight of 122 pounds, the kind of ride that was perhaps best for him at this stage of preparation for another strenuous campaign.

Whirly is being pointed for three \$5000 stake engagements in the combined Arlington-Washington park meeting at Washington park, the first of which will be the Stars and Stripes handicap on July 5.

Sox Sock at American's First Spot

Dodgers Take Third in Row From Giants; Red Men Lead Nationals by Two Games

By JUDSON BAILEY
Associated Press Sports Writer
The Boston Red Sox are beginning to sock once more and at any time now they are likely to muscle in on the honeymoon of the New York Yankees and Washington Senators who have been enjoying at the top of the American league.

It took Boston a long time to get rolling. But in the last three games the Sox have blasted out seven homers against the best pitching the Philadelphia Athletics could muster and last night moved into a tie for third place with the Cleveland Indians, five games out of first place.

Washington narrowed the gap between first and second place to two games by nosing out the Yankees 3-2 with Mickey Vernon hitting a home run and a triple to star for the Senators. His homer came in the fourth frame and, after New York had scored twice to take the lead in the fifth, he tripled a run across to tie the score in the seventh and came home himself on another triple by Bob Johnson.

The Chicago White Sox whipped the St. Louis Browns 5-3 in a night game to advance into a virtual tie for sixth place with the Athletics.

In the National league the Brooklyn Dodgers captured their third straight from the New York Giants 7-4 and cut the lead of the idle St. Louis Cardinals to two games. A five-run sixth inning turned the trick for the Dodgers, routing Rube Fischer, the Giants' rookie who beat Brooklyn in his debut last week.

Big Paul Derringer shutout the Pittsburgh Pirates 1-0 for the Cubs in a morning game at Chicago although he gave seven hits while his teammates collected only four off John Podgajny.

Boston beat the Phillies 7-6 with a five-run second inning and a two-run homer by Catcher Phil Masi in the fifth, although the Braves were out hit and Coaker Triplett also hit a round-tripper for Philadelphia.

Johnny Salvo, whom Boston not long ago sold to the Phillies and they declined to keep, received credit for his second success of the season—both against the Phillies.

Gil Dodds Sets American Mark in 2000 Meter

PASSAIC, N. J., June 23 (AP)—The first American record for the unusual 2000-meter run was on the books today, and the world had a new mark for the seldom-run two-thirds mile to shoot at.

At an invitational track and field meet yesterday, Gil Dodds, the Boston Divinity student, negotiated the 2000-meter distance in five minutes, 38.8 seconds—27 seconds slower than the world's mark for the route set last year by Gunder Haegg in Sweden. AAU Secretary Dan Ferris said the event never had been run before in the United States.

Cellarites Top Seattle In Night Go

Solons Win 2 to 0 While Acorns Beat Stars 5 to 4; Angels, Seals Traveling

By The Associated Press
A home run, some timely base running and two-hit pitching by Alpha Brazza gave the cellar dwelling Sacramento Solons of the Pacific Coast Baseball league a 2 to 0 victory over the Seattle Rainiers last night in one of two games played in the league.

At Oakland the Acorns eked out a 5 to 4 victory over the visiting Hollywood Stars by virtue of a four run rally in the third inning. Both affairs were twilight games.

At Portland the weather man stepped in, causing a postponement and a scheduled double-header Thursday. Los Angeles and San Francisco were traveling, preparatory to the opening today in the southern city of the final series between the league leading Angels and the second place Seals—a series that might be crucial if the Angels had less than a strangle hold on the league lead.

Both scores of the Seattle-Sacramento game came in the fourth inning, the first on a home run by "Nippy" Jones, and the second when Bill Ramsey beat out a weak hit to short, stole second and scored from there on a single.

Seattle went hitless until the eighth when Jimmy Jewell and Joe Demoran, in as a pinch hitter, singled.

In the other twilight game of the day, Jack Lotz of the Acorns was credited with his eighth victory of the season, despite the fact he was taken from the mound in the eighth when two runs were scored off him on two singles and a double. Italo Chelini replaced him and shut off the rally.

ARMSTRONG SIGNED

SPOKANE, June 23 (AP)—Henry Armstrong, former three time boxing champion, has been signed for the headline bout of a card at Gonzaga stadium August 7. Matchmaker Bud Oliver reported last night.

An opponent has not been selected.

Haegg Is Alone at Finish

Sweden's famous distance runner, Gunder Haegg, finished the 5000-meter run of the National AAU track and field championships in 14:48.5 to finish so far out in front that he was virtually alone.

Protest on Doe Killing Expected

Open Meeting to Be Held Tonight in Willard Hotel To Study Commission Plans

A formal protest by the Klamath Sportsmen to the state game commission over the proposed issuing of 6000 doe tags for deer slaughter in this area will be considered and probably result from the open meeting sponsored by the Klamath Sportsmen's association and the Izaak Walton league at the Willard hotel tonight at 8 o'clock.

Feeling over the proposed doe tags has occupied much sports discussion here since the plan was tentatively announced by the state game group following a two-day session in Portland last week.

At that session the commission authorized an open season for doe deer in three new areas with a total issuance of 9900 tags for their kill. The local areas set for the kill include 400 tags for the Hart mountain area and 6000 for the Lake-Klamath county country.

The state game men will meet again Monday, June 29, to finally okay the tentative orders and the Wednesday night meeting of Klamath sportsmen is expected to file protest with them before that time.

John Ebinger, president of the Klamath Sportsmen's association and the Izaak Walton league, returned from Portland Tuesday night, where he conferred with the Portland Sportsmen's association and the Oregon Wildlife federation over proposed doe deer slaughter.

Following discussion of the measure at tonight's meeting, the sportsmen will give a Dutch lunch and show an interesting picture on wildlife in Alaska.

Filer Battered By Segura's Accurate Tennis Marksmanship

EVANSTON, Ill., June 23 (AP)—Francisco Segura is majoring in business administration at the University of Miami but his main occupation is tennis, at which he appears to be a thorough disorganizer.

Horace Filer of Depauw, who stood across the Northwestern university court from Segura in yesterday's second round of the national Collegiate Athletic association's 59th tournament, knows now how it feels to be a baseball pitcher when Joe Di Maggio or Ted Williams are steaming line drives through the mound. Strictly helpless, that's it.

Segura banged through four quick points in taking the first game. He did the same in the second. He clipped the net returning Filer's service once in the third game and that was the first time the Depauw lad made a point. Segura won the fourth

game, too, and then somehow Filer took the fifth. But that was all.

Francisco took the first set 6-1. He won the second 6-0 and Filer tallied only four points. It was over in 20 dizzy minutes.

That left seven other fellows wondering what cruel fate ever put them in the same bracket with the brown-skinned, bouncing Ecuador star. It made the eight lads in the other bracket wonder what's the use of winning their section if it means meeting Segura in the finals Saturday.

And there are some pretty fair players remaining in the singles competition. In Segura's bracket are third-seeded Earl Cochell of southern California and sixth-seeded Robert Odman of Washington. In the other bracket are

the three other seeded players: No. 2 Tom Brown, Jr., of California, No. 4 Earl Bartlett of Tulane, and No. 5 James Evert of Notre Dame.

Cochell yesterday beat Don Staake of Kalamazoo, 6-1, 6-1. Odman beat Rod Sackett of UCLA, 6-2, 4-6, 6-3. Brown whitewashed Gordon Elliott of Michigan State, 6-0, 6-0. Bartlett trimmed Jack Clafelter of Illinois, 6-0, 6-3, and Evert won from Marvin Ott of Michigan State, 6-1, 6-2.

Today Segura was matched against Walter Driver of Texas. Other upper bracket pairings were Wayne Anderson of Tulane vs. Ben Press of UCLA, Cochell vs. the Big Ten singles champion, Roger Downs of Northwestern, and Odman vs. William Bauman of William and Mary.

KLAMATH SPORT NOTES

By VIRGIL GROSS

Frank Ramsey, local football coach at KUHS and former OSC athlete, has been chosen manager of the 1943 Pelican baseball team. Ramsey has a good line of chatter and will have a great influence on the teams. He did not play baseball at OSC, but coached several Legion and high school ball teams in Corvallis with successes.

In their first home game of the year the Klamath Falls Pelicans will meet the strong Bend Elks of the Central Oregon league. Bend boasts victories over the Redmond Air Base, the Camp Abbott army team and an early season victory over the local Pelicans. All of the Bend wins were decisive victories, therefore proving the strength of that team. The Pelicans have been reinforced since their loss to Bend and a reversal of score may be in store. The Bend roster consists of many former semi-pro and pro ball players and will undoubtedly provide tough competition.

The game will take place this Sunday afternoon on the Recreation park diamond with starting time scheduled at 2 o'clock. Pete Lesmeister, Pelican business manager, is endeavoring to get the Recreation park field in tip-top shape for

Sunday's game by dragging the field nightly.

Lesmeister states that the number of games to be played at home this year depends largely on the attendance at this game; so fans of Klamath Falls do your utmost to attend this game, as baseball's future for this city hangs in the balance.

Weakest spot in the Pelican lineup is the pitching department. Hi Hatfield is the only potential starter thus far with Orlo Oakes as a relief chucker. Virgil Haines, last year pitching veteran, is to have his tonsils out this week and may be ready for mound duty on Sunday.

Marshall Eyestone, former Pelican outfielder and at the first of the season Pelican manager, is now settled in Portland working in a defense plant. Eyestone may play for a club in the War Industries league or one of the City league clubs.

The rest-pause that refreshes
Welcome in peace...
more welcome in war work

MANAGERS and personnel directors will tell you that regular rest-pauses plus the refreshment of ice-cold Coca-Cola increase contentment in their plants. Thus production is increased. A pause for Coca-Cola is a little thing in itself, but one of the little things that brighten a busy day.

You might think it strange that workers have such a welcome for a 5¢ soft drink. But Coca-Cola has something all its own in goodness. Made with a finished art, its taste always pleases. More than just quenching thirst, it brings a happy after-sense of complete refreshment. The only thing like Coca-Cola is Coca-Cola, itself.

The best is always the better buy!

Letters from plant managers from coast to coast emphasize that the little moment for an ice-cold Coca-Cola means a lot to workers in war plants. It's a refreshing moment on the sunny side of things... a way to turn to refreshment without turning from work.
