LIEUTENANT AND MRS. D. TALMAGE JOBE

JUNE BRIDES

JUNE has always been the traditional month for brides and this year has been no exception. This year there have been more men in uniform at the weddings and the weddings may not have been so elaborate, but there have been just as many as before.

Miss Virginia Hooper of Tulalake is to become the bride tonight of Mr. Jack Liskey of Merrill.

All the other weddings pictured on this page have taken place earlier this month.

Fewer of the ceremonies have been formal although those couples that have a chance have made the service as beautiful as possible. Church weddings have predominated although rites at homes of the parents have also been numerous.
