Game Conference Blisters Government 'Encroachment'

RENO, Nev., June 26 (AP)—state fish and game officials as fleas on a dog—something to be endured," he said.

The Washington state official appealed to the U. S. grazing service and the U. S. forest service to "change their tactics" and give states credit for the work they have done in cutting down over-grazing of public ranges.

"Instead of ridiculing states' efforts," he told delegates federal officials have refused to give much credence to state game census figures and have used their own theoretical counts to build up public support for game destruction programs.

"The federal government is willing to cooperate with the states in wildlife matters—just like Germany will cooperate with Vichy France," McCauley said. "The federal government wants to direct and supervise but take none of the responsibility."

Frank B. Wire, president of the association and member of the Oregon game commission, warned that encroachment by federal agencies on states' rights in wildlife matters will spread to many other fields of state sovereignty during the post-war period.

Whirly Faces Tough Field In Mile Race

CHICAGO, June 26 (AP)—Warren Wright's Whirlaway, the all-time money winning champion, was scheduled to face a formidable field of 16 rivals today in the \$10,000 Equiptoise Mile—a conditioning race to help gear him for his climb over the rainbow trail of \$50,000 handicaps during the combined Arlington-Washington meeting.

It will be Mr. Big Tail's second start of the year, and he'll be required to pack the top weight of 26 pounds, four more than he carried in his 1943 debut at a mile Wednesday when he finished a fast coming third in his stablemate, Mar-Kell and King's Abbey.

Although his showing was considered "satisfying," it added only a paltry \$250 to his fabulous bankroll, bringing it up to \$561,161. Next stop for the 5-year-old Calumet Comet after the Equiptoise will be the \$50,000 Stars and Stripes handicap July 5 over his more favorable distance of a mile and a furlong.

Sports Briefs

By Hugh Fullerton, Jr.

NEW YORK, June 26 (AP)—There's been a lot of moaning along Jacobs Beach the last couple of weeks because there wasn't an important fight on the program and very few good fighters on hand. Then somebody got out the record books and showed that last year the 20th Century club didn't stage a brawl from May 28 until July 23 and what followed was the most successful season—financially—since Mike Jacobs moved into the garden in 1937.

Vernon Trucks, age 49, whose son Virgil pitches for the Tigers, still can do a pretty fair country job of flinging in the Industrial Service league in Alabama.

Fritz Zivic has joined the American Guild of Variety Actors—and he insists it's because of his night club M.C. activities and has nothing to do with his coming return bout with Jake LaMotta.

LIGHT EXERCISE

Of Dizzy Vance, whose pitching kept the Dodgers from earning the nickname of "Bums" several years sooner than they did, reports that he's head porter, porter, clerk, waiter, blackberry picker, chambermaid, gardener and assistant chef around his hotel at Homosassa Springs, Fla., and is so busy he can't do a thing about those bums that are just begging to be caught.

QUOTE, UNQUOTE

Ossie Bluege claims he didn't call Umpire George Piggars any names when he was tossed out of a ball game recently. What he said was: "You know what Stanley Harris called you last summer? Well, that goes for me, too."

LOCAL COLOR

After watching a style show staged by Clark Shaughnessy, a committee decided that Pitt's football team next fall will be decked out in red and white uniforms instead of the traditional blue and gold. The combination is supposed to make the athletes look bigger—which may be a good idea when you consider 1943 grid material.

Falkenburg Meets Page in Seattle Tennis Tournament

SEATTLE, June 26 (AP)—Bob Falkenburg, young Hollywood, Calif., tennis star, will meet Byron Page of Seattle today in the semi-finals of the Seattle city tennis tournament. He gained the bracket yesterday by defeating Henry (Lefty) Loquaw, former University of Washington player. Falkenburg dropped the first set, 3-6, but copped the next two, 6-3, 6-2.

Jim Brink, Seattle's hope, moved into the semi-finals by downing eighth seeded Wynn Roger 6-2, 6-3. His opponent today will be Ken Clegg.

BARRETT TO SEATTLE

SEATTLE, June 26 (AP)—Kewpie Dick Barrett, minor league "player of the year" in 1942, will be returned to Seattle of the Coast league by the Chicago Cubs. The Rainier management was notified yesterday that the former coast pitcher who has been having troubles in his third try at the majors, had been given his release.

Jack Sharkey Predicts Joe Lewis to Hold Fight Title

BOSTON, June 26 (AP)—Striding up and down behind his 96-foot bar and little changed from the gladiator who ten years ago next Monday lost his heavy-weight championship crown to Primo Carnera, Jack Sharkey today predicted that Joe Lewis will successfully hold his title after the war is over—if the champion, who has talked retirement, decides he will defend it.

"When and if he is beaten," the Boston gob said, "none of the current crop of hopefuls will be the man to do it."

"Barring injury to Joe and providing this thing (the war)

doesn't last too long, his chances are just as good as the rest of them. The boys who might beat him are in the service and are not getting the experience which they need. Nobody knows who will end Louis' reign but his conquerer will come out of the service. All the athletes are in the service."

He thought that Billy Conn might have gone far but said that Conn's enforced idleness would be a big handicap to overcome when he is again able to jump into the squared circle.

"You'll never forget what you have learned in the ring," the squire asserted as he brandished a towel across the bar, "and Joe would be too smart for Billy if they were to meet again."

Turf Fight Gets Going Over Today

NEW YORK, June 26 (AP)—Turfdom's 15-month-old argument—the one centered about the respective abilities of Shut Out and Devil Diver—gets another going over today with the running of the \$30,000 Brooklyn handicap.

Both of Mrs. Payne Whitney's star four-year-olds are entered and Trainer John Gaver won't take sides in the arguments but says he wouldn't be surprised if his charges finished one-two in this race which highlights the final day of the spring meeting at Aqueduct.

Shut Out was so unimpressive in his workouts early in 1942 that Eddie Arcaro, stable jockey, passed up the son of Equipoise for the sturdier Devil Diver in the Kentucky derby. Shut Out won and then went on to become the year's money-winning champion.

Devil Diver had all the better of the debate again this spring while Shut Out had a 2000 record until Monday's Celt handicap when he registered his first triumph since last September.

FLYERS WIN

WALLA WALLA, June 26 (AP)—The Pasco Naval Flyers scored an easy 7 to 1 victory over an all-star nine from Walla Walla army air field here yesterday. The Flyers had plenty of power at the plate, but it was the soldiers who contributed the sparkling fielding plays.

Portlanders, Rainiers in Win Section

Beavers Move Within Half Game of Third Place With 6 to 2 Win Over San Diego

By The Associated Press

SEATTLE, way down yonder in the Coast league, and Portland, rising steadily despite determined opposition, currently are enjoying about the most profitable series of the season.

The Beavers, in fourth place, defeated third place San Diego 6-2 yesterday to make it three for four over the Padres, and move them within half a game of third place. Seattle hit well behind the four hit pitching of Syl Johnson to take a 6-1 decision over Sacramento in a twilight game, the third Rainier win out of four.

Portland took control in the eighth inning, with a four run uprising off Charlie Schanz. The Beavers filled the bases with two walks and Ted Gullie's single. Then Rupe Thompson, pinch hitting for Jack O'Neil, singled a two runs home. A passed ball let in another, and Hal Hoffman, newly acquired Beaver catcher, cracked a single for the final tally. Sid Cohen of Portland was ineffective in the early innings, but gained control as the game progressed.

Lefty O'Doul's second place San Francisco Seals showed definite signs of discouragement as Los Angeles pushed them aside 3-2 for the fourth straight win for the leading Angels.

Oakland and Hollywood battled nine to a 5-5 tie in a twilight game which darkness halted. A doubleheader today will make up for it.

Pancho Segura Has Oversupply Of Confidence

EVANSTON, Ill., June 26 (AP)—Yesterday Segura was a pretty good tennis player, says Francisco (Pancho) Segura of the University of Miami. Today Segura will be better, also says Pancho Segura. Funny thing is, nearly everyone around the Northwest university courts agrees with him. They think Segura today will become the champion of intercollegiate tennis.

He still has to play Tom Brown Jr., of the University of California in today's title match. And Tom Brown and some of his pals from the west coast figure that since Tom got this far in the 39th National Collegiate Athletic association tournament, he has as good a chance as Segura to win.

Harbormaster at Astoria Dies

ASTORIA, Ore., June 26 (AP)—Frank Sweet, veteran Astoria harbormaster and former member of the Oregon pilots commission, died here yesterday after a five-day illness.

Sweet was stricken while aboard a minesweeper on a trial run Monday. Several hours later 15 others on the ship fell ill with food poisoning.

Doctors said Sweet had not touched the tainted food, however, and ascribed his death to uremic poisoning. The others are recovering.

Hanauska to Pitch for Klamath in Bend Game

Dodger Farmhand Secured for Sunday Tilt; Bend Expected to Field Vets

The chances of the Pelicans to even the series with the Bend Elks in the opening game here Sunday looked much brighter with the announcement that the club has been able to secure the services of Bill Hanauska, Brooklyn Dodger farmhand.

Fans will recall "Big Bill" as pitching for the Pelicans in the State league during 1941. Last spring, following a brilliant season at Willamette university, Hanauska was signed by Brooklyn and "farmed" to affiliated clubs where he won 10 games against five losses. The wins included several shut-outs and a no-hitter.

Brooklyn planned to advance this promising pitcher to Durham N. C., a B league team, for the present season, however a prospective V-7 navy call for July 1 prevented Hanauska from taking advantage of this opportunity. Instead he finished his junior year at Willamette and pitched non-conference games for "Spec" Keene's club.

Manager Frank Ramsey should be able to put a fairly good team on the field. For catching he will have Bart Goldbar, as well as himself, Jim Bocchi, promising in his first season at the game, will likely handle first base. The balance of the infield will probably be "Scotty" Smith at second, Romo Crespi at short and Virgil Gross at third. McKinley is utility infielder. Hi Hatfield, Floyd Shipman, Orlo Oakes and Virgil Horn are available for outfield duty. Virg Haynes and Aldo Bellotti, who have been unable to reach proper pitching shape due to lack of favorable practice conditions, will be held in reserve.

The Bend Elks are expected to field the same veteran club which has four straight victories without a defeat, all by impressive scores. Lineup will probably be: Ackley, rf; Douglass, 3b; Gordon, ss; Hatch, 1b; Nehl, cf; Roberts, lf; Bailey, 2b; and musser, catcher, with either Jim Farmer or Bob Houtchens as the starting pitcher.

Game time is 2 p. m. at Recreation park on Owens street.

Ortiz Drops Olivera Three Times for TKO

HOLLYWOOD, June 26 (AP)—Bantamweight champion Manuel Ortiz hits too hard for Tony Olivera.

Ortiz registered a technical knockout over the San Francisco boy at Hollywood Legion stadium last night in the seventh round after Tony had hit the deck three times in that round. He suffered severe body punishment and had to be helped from the ring. His corner claimed a low punch but Referee Charley Randolph disallowed the protest. Ortiz' title was not at stake.

Until he arrived at Parris Island, he had never fired a rifle.

Gordon's Tallying Hit Nullified So Yankees Just Tie Red Sox

By JUDSON BAILEY, Associated Press Sports Editor

There are managers and players in the American league who will tell you that the outstanding rookie pitcher in the junior circuit this season is Charley Wensloff of the New York Yankees. This may be open to debate, but no one will question his right to be called the unluckyiest.

The climax came in a twilight game at Boston last night which resulted in a 2-2 tie in 11 innings after darkness forced a halt.

Wensloff pitched four-hit ball, fanned seven, and might have won except for one of the rarest happenings in major league baseball—a player batted out of turn.

Joe Gordon, the stellar second baseman, who has been doing everything wrong ever since

the last world series, batted in the wrong place in first turn at the plate, but no scoring was involved and if the Red Sox noticed they said nothing. But on his second turn he slammed a drive against the fence that brought a tally home.

Then Manager Joe Cronin of the Sox rushed out to the umpire and pointed out that Gordon had hit out of turn, nullifying the run.

The Senators gave ground to the Yankees, however, by dropping a 5-2 decision to the Philadelphia Athletics in the face of six-hit hurling by Oriie Arntzen and a 15-hit assault by the A's. Cleveland beat Chicago White Sox 6-2 with well-placed hits and careful eight-hit hurling by Lefty Al Smith, and the St. Louis Browns bumped the Detroit Tigers 6-3 with Vernon

Stephens and Mike Chartak each hitting two-run homers.

In the National league both the St. Louis Cardinals and the Brooklyn Dodgers were beaten. The world champions and present league leaders were shut out 6-0 by the Chicago Cubs with Hiram Bithorn pitching a two-hitter, and the Dodgers were waylaid by the Philadelphia Phillies, 8-2. Coaker Triplett hit two triples to drive in five runs and Schoolboy Rowe pitched eight-hit ball.

The Boston Braves backed up Nate Andrews' eight-hit clucking with a 14 hit attack led by Charlie Workman, to beat the New York Giants 5-3 and give Ken Chase his second straight setback since joining the National leaguers.

The Pittsburgh - Cincinnati game was postponed.
