

RATION BOARD SLASHES OPEN OFFICE HOURS

Office hours of the war price and rationing board have been cut because of the enormous amount of renewals of ration books. The office will be open at Main and Esplanade from 10 a. m. to 3 p. m. Mondays through Fridays, and from 10 a. m. to 2 p. m. on Saturday.

The new hours will go into effect July 1. Purpose of the change is to increase the efficiency of the office staff rather than to keep the public out longer. It is found that the office can be kept open longer after some of the renewals have been taken care of, this will be done.

Staff of the office in the Balgiger building include: Henry Moe, chief clerk; Mrs. Pauline Offield, receptionist; Mrs. Hazel Landry, footwear department; Mrs. Ruth Rice, gasoline department; Mrs. Fern Shoop, fuel oil department; Mrs. Edythe Tucker, food department; Doris Yantis, food assistant; Mrs. Christine Goble, price department; Rosemary Sloan, files; Virginia Tyrrell, file clerk.

NYA FUNDS GET SENATE APPROVAL

WASHINGTON, June 30 (AP)—The senate passed Tuesday a \$1,238,000,000 labor-federal security appropriations bill containing \$48,800,000 in funds for the National Youth Administration (NYA) which the house previously voted to liquidate.

Senator Clark (D-Mo.) abandoned plans to seek another vote on the NYA amendment which the senate added to the measure yesterday by a count of 41 to 37.

Final passage was by voice vote. The measure goes back to the house and a joint conference committee for an effort to reconcile differences between the two chambers before the fiscal year's deadline tomorrow midnight.

Wuppertal Fires Still Blazing After RAF Raid Thursday

STOCKHOLM, June 30 (AP)—Dispatches to the Goeteborg newspaper Handels Och Sjoefartstidning said today that 1342 persons had been killed in the massed RAF raid on the Elberfeld section of Wuppertal, important Ruhr industrial city, last Thursday night.

The city was reported to be still without water, gas, electricity, or telephone service. Great fires were reported blazing more than 24 hours after the raid upon the chemical and textile works there.

The Elberfeld railway station was reported half destroyed and the concentrated bombing of narrow, restricted areas also resulted in a large number of wounded.

Woodburn Escapees Sought Near Canby

PORTLAND, June 30 (AP)—Two youthful escapees from the Woodburn training school were sought today in the Canby area where they abandoned a stolen car last night after colliding with an automobile driven by Clayton Yoder, Canby.

Yoder suffered a lacerated arm. State police officers John D'Angelo and Clayton Tomlin identified the escapees as James Copeland, 13, Grants Pass, and Jimmie Greenslitt, 14, Oregon City.

Asylum Escapee Caught at Home

SALEM, June 30 (AP)—Thomas Bruce Mitchell, 58, who escaped from the Oregon State hospital at noon yesterday, was caught last night at his mother's home at Albany.

Ralph Greenslitt, 14, and James Copeland, 13, who escaped from the state training school at Woodburn yesterday, were still at large today.

Peekin' 'Round the Paddocks

By BETH CHASE
Race fans! The Rodeo is only two whoops and a holler away and a lot of the whooping is about the races. July 4th and 5th holds a lot of thrills and fun with plenty of rodeo flavor. Many local cowboys are competing in various contests and races.

Race goers will have a chance to do a bit of wagering and listen to the pounding hoofs of some prize horse flesh. Entries are coming in daily from all parts of the country.

Moye brothers of Yreka, Calif., unloaded a couple of nice fillies today with another due tomorrow. Webb Kennett got the racing fever in his blood and will start breezing his horses with plenty of good old competitive spirit.

The track is in good shape

and with four races scheduled daily should go a long way towards cheering those melancholy souls who mourn the passing of the bangtails at Santa Anita.

On July 4th and 5th, Klamath Falls gets its exciting taste of horse racing. Much interest has always been aroused over the words—"They're off!" Ever since the earliest days, horses have been extremely popular, but it is well to remember there are three sides to a race—my pick, your pick, and the winner. Well, I got to be gittin' on down to see Elmer Balsiger, maybe he can give us some dope on the pari mutuels.

Buy U. S. stamps and bonds! We can always live on less when we have more to live for.

SOCE Student Body President Reports For Navy Training

SOUTHERN OREGON COLLEGE OF EDUCATION, Ashland, June 30—Dean Jones of Klamath Falls, student body president at the Southern Oregon College of Education during the past year, has been called to report to the University of Washington. Vernon Kolen of Marshfield, who was elected to serve next year as student body

president, has also been ordered to the University of Washington. With the same group of SOCE students will go Hal Jewett of Central Point. All three boys have been enlisted for some time in the navy reserve and waiting orders to report for training.

DOG TAIL BELIEF

Some superstitious people in the southwestern United States, to prevent a dog from straying, cut off its tail and bury it under the doorstep. They believe the dog will never stray far from its tail.

VAN WINKLE OKAYS STATE LIQUOR RATION

SALEM, June 30 (AP)—The Oregon liquor control commission's rationing system, inaugurated to conserve the dwindling liquor supply, was upheld today in an opinion by Attorney General I. H. Van Winkle. The opinion was requested by Ernest M. Jachetta, commission attorney.

After pointing out that the state liquor law gives the commission exclusive authority to regulate and control the sale of liquor Van Winkle wrote:

"It should be the policy of the commission to regulate its sales so as to insure a continuing supply, and this regardless of the demand, be it normal or abnormal."

"Aside from federal war-time controls, in times of scarcity of supply a merchant has two alternatives: first, unlimited and indiscriminate sales followed by closure or suspension of his business. Second, limited and restricted sales and a continuing business."

"However, the Oregon liquor control commission is or should

be more than a dispensary for alcoholic beverages.

"The legislature has created it as an arm of the state to effectuate the purposes stated in the (liquor control) act. These

purposes can only be fulfilled if the commission continues to function and so controls its functions as to insure the continued availability of alcoholic liquors."

PROJECT HELD UP

WASHINGTON, June 20 (AP)—Action on nine reclamation projects, including the Klamath-Moore project in northern California, has been deferred by the

war production board pending receipt of plans on all food and irrigation projects that the food administration has under consideration, reliable sources revealed today.
