NOW--WHERE'S THE AMMUNITION?

Klamath Falls Soroptimists and Business and Professional Women

Are Taking Over The

July War Bond Sales TO Buy "Bombs for Tokyo"

Klamath's own "Klamath Pelican" is impotent without "eggs."
We've gone a long way toward sending our own expeditionary force
through the skies to avenge the murder of Jimmy Doolittle's flyers,
so now . . . pass the ammunition!

Block Busters, \$875

100-Pounders \$37.50

Klamath Retail Merchants are taking the responsibility to sell \$1.00 in War Stamps to every man, woman and child in the county to fulfill our part in building the mystery ship, "Shangri-La." This is part of a nation-wide program to build an airplane carrier to bomb Tokyo, and it is part of B. P. W.-Soroptimists July War Bond Drive. All retail stores are co-operating. They will make it easy for you to buy the Stamps. Klamath people will have to buy more stamps than ever before. Let's go!
