NEW YORK, July 3 (AP)—That yawning gap at shortstop in the Dodgers' lineup (which Red Barkley may or may not have filled) does not even draw a yawn from Aviation Cadet Claude Corbitt, who might have handled the job very well. . . . The only comment an interviewer could get from him was a reprinted remark that all the clubs were having a hard time finding young fellows to fill positions. . . . But Claude expects to be playing for the Dodgers after the war if it doesn't last too long. "I'm only 27; I am still young and have several good playing years ahead of me," he said.

ENCOURAGING, EH?
George Stricker, the National football league drummer, reports that during the recent meeting at Chicago a gent who frequently had put the touch on Buffalo's Charley Murray for real money turned up for the first time in two years. . . . He had heard the league had awarded Murray the Buffalo franchise and he wanted to bargain for a piece of it. . . . "He had \$10,000 in his pocket and the unconscious body of Murray on his hands," says George, "and when Murray recovered from the shock, he redoubled his efforts to get the franchise."

SPORTSPURRI
Eddie Arcaro, still under suspension at the boss tracks, keeps in the pink by exercising nags in the early morning hours and keeps out of the red by spending his afternoons at baseball parks instead of those places with mutual windows. . . . Jinx item: The Giants are the only National league club that hasn't been victim of at least two no-hit shutouts since 1900. Only one against the New Yorkers in the 20th century was tossed by Jimmy Lavender of the Cubs, August 31, 1915.

TODAY'S GUEST STAR
Nixon Denton, Cincinnati Times-Star: "The University of Kentucky, which dropped football Wednesday for the duration of the war, is different from a lot of schools. You wouldn't find many colleges complaining about a player shortage if, like University of Kentucky, they had the striking coal miners of Breathitt and Harlan counties where they could put their fingers on them."

SERVICE DEPT.
Johnny Blood, the famous wandering halfback of the pro-football league, has wandered clear to Delhi, India, where he's stationed with the U.S. forces. . . . Pvt. Johnny Greco, who put the Canadian army into the boxing business, has been shipped off to John's, Quebec, to begin his basic training and doesn't expect to do any more punching until after the war. . . . Pvt. Adam Knak, former White Sox bat boy who is training at Keesler field, Miss., to become an aerial gunner, says he hopes to shoot for a pro baseball career after

Cellarites Enjoy Coast Ball Glory

Rainiers Shut Out Angels By 1 to 0 Score; Brazie Sets League Pitch Record

By The Associated Press
Tail-enders of the Pacific Coast league enjoyed their moments of glory today, thanks to the superlative pitching performances of Al Brazie of the cellar-dwelling Sacramento Solons and Pete Jonas of the seventh-place Seattle Rainiers.

Pete Jonas shut out the heavy-hitting Los Angeles Angels, runaway leaders of the league, 1-0. In a hard-fought mound duel with Paul Gehrmann and Don Osborn, Jonas gave up six hits while Seattle could gain only four off the Angel twirlers. Brazie set a new league record by chucking 40 innings without being scored upon. His record came to a halt in the eighth inning of a twilight game with the Stars last night when Bill Knickerbocker lofted a fly to centerfield, scoring infielder Butch Moran. Two more Stars crossed home plate in the same inning but the rally came too late. Sacramento won easily, 11-4.

Second-place San Francisco continued its merry way with a fourth consecutive defeat of Portland, 5 to 1. Most of the damage came in the sixth inning when the Seals pounded Earl Cook for four runs off as many hits, a walk, an error and a wild pitch. It was Bob Joyce's tenth win against seven defeats. Oakland and San Diego went into a tenth inning, their twilight game tied at 3-3 but the Oaks broke loose with a four-run barrage to win 7-4. Ralph Boxton held the Padres to six scattered hits while his mates touched Chet Johnson for 15.

Hagen Lights Fuse for Row With Sarazen

NEW YORK, July 3 (AP)—It has been a long time since golf's "You're a Bum" version of Cobb and Ruth had an explosion, so Sir Walter Hagen lit the fuse today with a challenge to Gene Sarazen to tangle with him in the war-time varsity of the Ryder Cup matches next month. These are the war relief matches which took the place of international shot-making four years ago and Sir Walter, after three years as a non-playing captain, has been bitten by the bug again and wants some action. So he proposes that as head man of the "Hagen All Stars," he and Sarazen of the "Cuppers" should be paired off in the matches. Now, if Gene gives the Green light to this idea, it would provide the Detroit doings' August 7-8 with a hot-foot routine guaranteed for a laugh a minute. It always is.

Indians Hurt In Cleveland Auto Accident

CLEVELAND, July 3 (AP)—Pitcher Joe Heving and Outfielder Hank Edwards will be lost to the Cleveland Indians for about a week because of injuries received when they were struck by an automobile. Dr. M. H. Castle, team physician, said today.

The car driver, a 34-year-old war plane guard, was charged with intoxication. Edwards was given emergency treatment for body bruises. Heving, the Indians' relief specialist, was unconscious and suffered a brain concussion. Dr. Castle said, but was not seriously injured.

SKET SHOOT

BOSTON, July 3 (AP)—Unless a plan whereby the 1200 skeet clubs of the United States will pool their available ammunition for the national skeet shoot be worked out, the annual event will not be held this year. Henry Ahlin, president of the National Skeet Shooting association said today.

Dodgers, Yankees Eye Holiday's Crucial Test

Teams Look Bad After Losing Two in Row to Lower Ranking Major Clubs

By TED MEIER
Associated Press Sports Writer
The New York Yankees and the Brooklyn Dodgers stand at the crossroads today. What they do against the Detroit Tigers and the St. Louis Cardinals over the doubleheader jammed holiday weekend may well determine their final ranking in the American and National leagues.

Both clubs have looked bad in losing two in a row to the Cleveland Indians and Cincinnati Reds, respectively. The Indians yesterday humiliated the once proud Bronx Bombers by not only shutting them out 12 to 0, on Allie Reynolds' three-hit pitching, but by scoring all 12 runs in a terrific fourth inning outburst.

To top things off the Yanks lost the services of Leftfielder Charley Keller for an indefinite period. He was accidentally spiked on the left knee trying to steal second in the first inning.

The Dodgers, who muffed a chance to tie the cards by losing to the Reds on Thursday, dropped a full game behind yesterday by getting blanked, 8 to 0, by Elmer Riddle. Riddle was aided by three Brooklyn errors. One of them, recalling the movie series of 1941, came when Catcher Mickey Owen missed a third strike in the first inning. Two runs came over before he retrieved the ball.

Gallant Carl Hubbel, of the Giants, tried to beat the Cards for his fourth win of the year, but instead suffered his second defeat, 5 to 3. Harry Gumbert twirled for the Cards.

Washington came from behind to tie the Chicago White Sox in the ninth, then won in the 11th, 3 to 2, on Jake Early's double and Johnny Sullivan's single. Rookie Guy Courtright's streak of hitting in 26 consecutive games for the Sox was broken.

Truett "Rip" Sewell of the Pittsburgh Pirates chalked up his 11th victory against two defeats by outpitching Jack Kraus to beat the Phillies, 2 to 1.

The St. Louis Browns scored four times in the ninth to beat the Athletics for the third straight day, 8 to 7.

The Chicago Cubs defeated the Boston Braves, 7 to 1, for the eighth time in a row behind Claude Passeau's four-hit twirling while the veteran Tommy Bridges demonstrated he still has a sharp-breaking curve by striking out 11 in pitching Detroit to an 8 to 2 victory over the Boston Red Sox.

Portland Air Base Drubbed By Camp Adair

PORTLAND, July 3 (AP)—The Camp Adair Timber Wolves drubbed the Portland army air base baseball team at the Vaughn street park last night, 17 to 1. The game went only seven innings.

It was a close battle for four frames, the Wolves scoring once in the first and the air base tying the count in the fourth on a triple by Pernetti and Misky's double.

In the fifth the Adair team drove across four runs on five hits and from then on the game was a rout. Seventeen Wolves went to bat in the sixth inning during which they scored 12 runs.

Jack Knott, former major league pitcher who was announced as starting pitcher for the Adair team, did not start. Instead Jim Barnes took the mound, allowing six hits and no walks.

Defense Calendar

A joint meeting of all block leaders, precinct leaders and area leaders was held at Fremont school auditorium Wednesday evening to outline a new project for workers in the Civilian Service corps.

Mrs. Jean Puckett, chairman, introduced Director Lynn Roycroft who gave a brief talk on how the civilian service ties in with civilian defense. He stated that the block leader system was over 90 years old, the Mormon church having used it successfully when it colonized Utah. He stressed five salient points in the present war crisis.

First: This will be a long war. This is the consensus of opinion of men who are supposed to know.

Second: The Pacific coast is in jeopardy. Due to weather conditions during the summer months and low fogs off the coast, we may expect the Japs to try to send out balloons with incendiary bombs to start fires in our forests. Incidentally, Klamath Falls is in the very center of the tinder box of the United States.

Three: It is absolutely necessary for us to win this war and the resultant peace.

Four: Absolute victory can be our only justification for the tremendous expenditure of men and money which has been, is being and will be demanded of us.

Five: That the war will be won on the home front. Are we going to do our job in order that our boys on the fighting front may accomplish theirs?

Roycroft stated that Klamath Falls is only third or fourth best in the state in its county and city unit set-up. Portland is a model for all cities in the United States.

A survey of registered and practical nurses in the community has already been made and the securing of civilian labor might be the next program. Civilian service corps should also be the best informed unit on rationing, food preservation and the housing situation. In case of evacuation of coast towns, a housing survey might need to be made. The bringing in of information to the proper authorities is also extremely important.

Mrs. Denia Backes thanked the block leaders for the excellent work that had been done, and stated that while the V Sticker campaign had not been entirely completed, 2229 homes

in Klamath Falls and the suburban area were displaying these stickers.

Mrs. Altha Urquhart, public welfare director for Klamath county then outlined a survey that block leaders are asked to undertake in the next two weeks, that is, to ascertain how many children of mothers working outside the home will need day care, and how many homes will take such children in and care for them while the mothers are at work.

A questionnaire has been prepared which each block leader will present to the homes in her block to be filled in, giving the above information. These questionnaires will be returned to the welfare office, and that office will act as liaison official between mothers who have children to be cared for and homes where children will be taken in for care.

Mrs. Isabelle Brixner announced that a series of meetings and demonstrations on food preservation would be held during the week of July 12th to 18th, at the Christian church, at Mills school, at Altamont school and at Fairhaven school. A complete schedule will appear in the newspaper later.

Prizes were awarded precincts 27, 15, 19 and 31 for having the most block leaders present at the meeting. The beautiful little civilian defense pin was the award.

Big Game Tag Applications Being Accepted

PORTLAND, July 3 (AP)—The state game commission today was accepting applications for special big game tags to be issued for the 1943 hunting season.

The commission said applications would be kept on file until August 16 and if applications surpass quotas by that time a drawing will determine the issuance. If any quotas are not reached by August 16 all applications will be filled and the remainder of tags issued in the order applications are received.

HUNTINGTON PARK, Calif. (AP)—Norman Freberg, 23-year-old bewhiskered merchant seaman, was up before Judge Stanley Offatt on a drunk charge.

He explained he had just returned to port, having spent 14 days on a raft after his ship was torpedoed on its return from Guadalcanal.

"I think you're entitled to a celebration," said the judge. "Case dismissed."

Gil Dobbs Made Haegg Run to Win

Gaunt Gunder Posts Third Fastest Two-Mile Time in Second Race in America

CHICAGO, July 3 (AP)—Sweden's thin man, Gunder Haegg, rested in a hotel room today before taking off for the west coast for another two-mile race with Gil Dobbs, who made the great runner exert himself considerably last night to win his second start on American soil.

Haegg posted the third fastest outdoor two-mile ever run in this country in beating the Boston Divinity student—competing at this distance for the first time in two years—by 20 yards at Soldier field. His time was 9:02.8, which was regarded as remarkably fast on a track which he described as soft as a "potato field."

Roy Phillips of Tufts college, Forest Efav of Oklahoma Aggies and Jerry Thompson of Texas trailed Dobbs and Haegg by 150 yards at the finish of the two-mile run, feature of the Central AAU track program.

Dobbs shadowed gaunt Gunder through seven laps of the eight-lap route, literally breathing down his neck and once passing him—on the first turn of the second heat. Twice Dobbs challenged for the lead on the back stretch of the final lap, but Haegg pressed down the throttle to finally bolt well ahead and stay there.

Gunder averaged .87.8 on each quarter mile. Ensign Cornelium Warmerdam, co-fused with Haegg, reached the 15 foot 4 inch mark in the pole vault, but failed in three attempts to clear 15 feet 9 inches, which would have bettered his record of 15 feet 8 1/2 inches set in the Chicago relays last March.
