

FIRE RULES POSTED FOR FREMONT AREA

Governor Earl Snell has issued a proclamation which requires that all people who enter the Fremont national forest or adjoining forested land in the national forest protective area to follow these rules:

1. To refrain from smoking while traveling in such areas, except on paved or surfaced highways.

2. To secure a permit issued by a forest ranger or fire warden for building a campfire other than at improved, designated and posted campgrounds.

3. To have as a part of his or her equipment when using campfires, except when traveling as a pedestrian, and/or camping at improved, designated and posted campgrounds, tools as specified by the forester suitable for extinguishing fires.

This proclamation shall be effective from July 1, 1943, and shall remain in full force and effect until December 31, 1943, unless revoked sooner.

According to Ed Cliff, supervisor of the Fremont forest, campers will be required to have an axe, shovel and a bucket or water container of at least one gallon capacity before being issued a campfire permit. Campfire permits can be obtained from district rangers' headquarters at Bly, Lakeview, Paisley or Silver Lake and at the Dairy Creek guard station. The forest protective agencies urge that the public conscientiously observe these rules and do everything possible to assist in keeping fires out of the forest this year.

Gruber Trial Opens in Portland Court

PORTLAND, July 6 (AP)—The trial of Wilhelm B. Gruber, who was banned from the coastal area by the western defense command, opened in federal court today.

The government seeks to revoke his American citizenship, charging in its complaint that he never renounced his allegiance to Germany as he agreed to do under oath when granted his certificate of naturalization in 1937.

Assistant U. S. Attorney William H. Hedlund said it is the first of several similar suits to be tried this month and that activities of the German-American bund in this area are expected to be disclosed.

Use of Newsprint Ordered Curtailed

WASHINGTON, July 6 (AP)—The war production board today ordered newspaper publishers to reduce further their consumption of newsprint during 1943's third quarter. It ranges up to five per cent for large users.

The additional five per cent reduction does not apply to the first 25 tons of newspapers using less than 500 tons a quarter. This provision, WPB said, is designed to aid the operation of smaller newspapers.

OBITUARY

STONEWALL HECOCTA

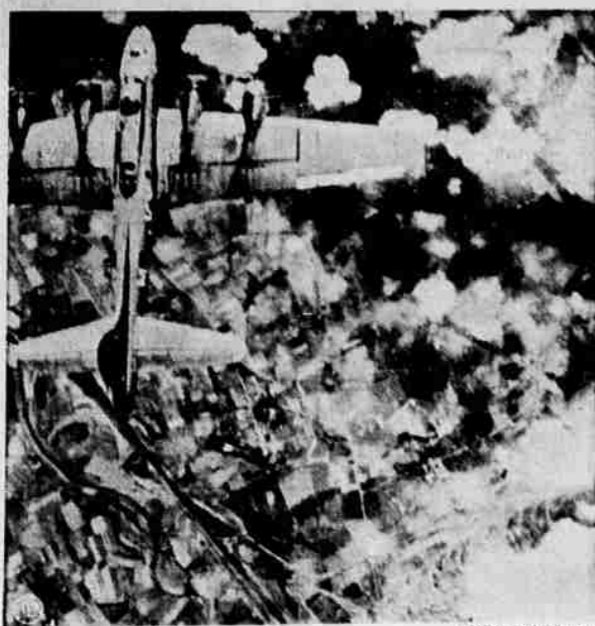

Stonewall Hecoceta, a resident of Sprague River for 32 years and a life-long resident of Klamath county, passed away in Klamath Falls on July 4, 1943. The deceased was born at Beatty, Ore., and was aged 53 years when called. Besides his wife, Ellen, of Sprague River, Ore., he is survived by two daughters, Anita Hecoceta, WACs, Daytona Beach, Fla.; and Thelma Hood of Chiloquin, Ore.; one brother, Samuel Hecoceta of Beatty, and two nieces and one nephew. The remains rest at Ward's Klamath Funeral home, 925 High street, where friends may call. Funeral arrangements will be announced Wednesday.

It may be okay to serve war workers beer and pretzels together, but not on the stagger system.

I WAS A SLAVE TO CONSTIPATION

Talk about being in bondage! I felt as if I were walking around in chains. Purges only helped me temporarily. Then I learned the cause of my constipation. It was lack of "bulk" in my diet. So I took a friend's advice and began eating Kellogg's ALL-BRAN. It sure is a grand-tasting cereal—and did just what he said it would do. It got at the cause of my constipation and corrected it! If your trouble is like mine, why don't you try ALL-BRAN? Just eat it regularly, drink plenty of water and—Join the Regulars! Made by Kellogg's in Battle Creek.

Fortresses Hit Ruhr Factories Again

The Germans are now feeling the weight of American and British bombs on their synthetic war supplies factories. After blows at the synthetic fuel plants, a U. S. Flying Fortress is shown on a bombing mission over Huls, in the Ruhr area, where ersatz rubber plants were raided on June 21.

Women's Clubs Search for "Sweetheart for Captain Jack" in July Bond Drive

By IDA MOMYER ODELL

Wanted—a sweetheart for Klamath's famous Captain Jack, the bright-plumaged banty rooster who has sent his clarion voice across the state of Oregon to "Buy Bonds—Buy Bonds."

The gallant little warrior, whose name is reminiscent of this county's colorful history, has been kept busy for months trying to find a permanent abode but still Oregon's cities bid for him with bond auctions running up and up at Rotary clubs, Kiwanis gatherings, Lions meetings and via the air waves over radio.

After a long day's successful work he returns to a lonely cage, with no attractive "little woman" to flutter pleasantly about him and no approving feminine voice to say, "Well done!"

A feature of July's \$300,000 bond drive shall be to provide a feminine mate for the captain, it was decided by two of this city's outstanding women's organizations, the Business and Professional Women's club and the Soroptimist club, working as one unit to provide a fund specified for the purchase of "eggs" for the Klamath Pelican bomber.

Each women's organization throughout the entire county is

asked to enter a candidate for Captain Jack's sweetheart.

Qualifications—Each candidate must be attractive; must be a bantam and outstanding. If she hasn't beauty, she MUST have personality; if her plumage isn't as gorgeous as his, she must be one of those fems who can listen to his exploits with an air of—well, girls, you know what it takes.

The captain deserves a sweetheart. Too long has he carried the burden alone.

Klamath Man Enlists To Celebrate Fourth

PORTLAND, July 6 (AP)—Among Oregon men who celebrated Independence Day by enrolling in the navy were Norman M. Shields, Klamath Falls; Daniel W. Hoeye, Mill City; Theodore J. Bennett, Monmouth; Loran E. Prothero, Newberg; George F. Hamlin, Riddle; Peter J. Eder, St. Paul, and John H. Small, Tigard.

U. S. NATIONAL HITS NEW HIGH FOR DEPOSITS

In its official statement of condition as of June 30th, published elsewhere in this paper, United States National Bank, which has one of its important units in this city, shows another all time high in deposits of \$328,571,624.97 and resources of \$342,266,994.93. This represents the phenomenal gain against deposits of a year ago this date of \$208,105,063.48, or an upward surge of \$120,466,561.49, or a rate of gain of 10 million dollars per month.

Resources increased in the 12 months from \$220,822,120.90 to \$342,266,994.93, a gain of \$121,444,874.03. Included in the resources is the capital structure which now exceeds 12 million dollars.

The bank's growth, pointed out officials of the local branch, represents a constantly increasing tempo not only in industrial activities of the state, particularly in the Portland area, but through a greater flow of money in the agricultural sections as well, and due also to the innumerable areas of the state which are participating in war industries and the activities arising from war conditions.

Navy Recruits Men From Klamath

The local navy recruiting station announces the following enlistments since July 1: Robert Earl Russ, 2951 Hope street;

Floyd Delbert Tuter, 815 Fulton street; Norman Martin Shields of 5600 Harlan drive. In addition to these men who are all 17 years old, several men of draft age were sent to the main station in Portland for enlistment in the Seabees.

Dan Schreiber reports that the men who are now being enlisted through Portland for general service will receive their recruit training in Bremerton, Wash., in place of Farragut, Ida., as they have in the past.
