

KIWANIS HONORS CHARTER MEMBERS

Charter members of the Kiwanis club were honored at Thursday noon's meeting, followed by a talk by Lieutenant Governor Archie Vaughan on the Kiwanis International program for the coming year.

Charter members present were Dr. G. A. Massey, Dr. L. D. Gass, John Houston and James Kerns. A large birthday cake was cut after Rev. L. K. Johnson had made a short talk honoring the charter members.

Vaughan said the Kiwanis program this year will be based on the slogan, "Keep America American." He said that the organization's work will be slanted to uphold democratic principles and to combat fundamen-

tal changes in the form of U. S. government. Dr. Massey was chairman of the day. The Kiwanians bade farewell to Don Drury, member of the club who is leaving soon for Mexico City.

Mussolini has wired his soldiers in Sicily that he is with them in spirit. Imagine how comforting that will be when read in prisoner camps.

Landis Proposes Air Raid Shelters

WASHINGTON, July 22 (AP)—Too many people are "milling around" street corners of big American cities when air raid test alarms sound, said James F. Landis, director of civilian defense, in proposing today that more shelter areas be provided. Otherwise commendable preparations against air raids have

been "marred by a deplorable lack of shelters" for those caught on the streets when the warnings sound, Landis declared in a statement. He sent to local defense councils specifications for air raid shelters as a hint for them to look around and see what can be done. An Oklahoma man recently saw his wife for the first time in eight years. But she's a movie fan.

Fugitive Arrested Here Posing as Army Lieutenant

Masquerading here as a lieutenant in the army, Herbert Gideon Mertz, fugitive from justice from Colorado, was picked up this week, following a telegram received in Klamath Falls giving his description. Mertz is wanted in Weld county, Colo., where he is charged

with burglary and larceny and with parole violation. The accused waived preliminary hearing in justice court and was committed to the county jail under \$2500 bail.

Two-Alarm Fire Damages Mission

PORTLAND, July 22 (AP)—A two-alarm fire damaged Mission hall and the Raymond rooms early today, forcing 10 occu-

pants to flee as firemen carried another to safety down a ladder.

Fire Investigator H. A. Helms estimated the damage at \$10,000 and said the fire was started by an overheated electric plug which had been left on by the mission's caretaker.

The blaze spread rapidly from the Mission to the rear of the rooming establishment on the floor above.
