

'BLACK SNOW' PROBLEM AT COUNCIL AGAIN

The "black snow" problem again came to the front at a city council meeting Monday night, when a letter from D. O. Hood of the Klamath Heating Company was read, which told that the firm was now trying to do something about the problem. He added, however, labor and materials are difficult to get.

The company hopes to have corrective appliances installed in the stacks and at the plant before winter if the labor situation permits. In the letter it was also pointed out that other small heating plants in the city and the mills may be causing some of the soot which falls in the city.

Consider Relocating

It was also explained by Hood that the firm would consider relocating, but it would involve engineering arrangements and other factors which are almost impossible in these times.

Mayor John Houston said that he would ask for a session with Hood the next time he is in Klamath Falls and would, with a committee try to straighten out all problems.

Also brought up was the condition of steam leaking at the city hall and leaks in steam pipes.

WAC Mobile Unit

The WAC asked for and was granted permission to bring a mobile unit to the city on August 10 and 11 and applied for a permit to use a sound system and a parking place in front of the war memorial at the court-house.

The matter of fencing the airport was also brought to the attention of the council members. It was pointed out that the stock could easily get onto the runways at the airport unless a fence was put up. Since the city had made an agreement to provide a fence, the only question was the placing of the expense.

Building Questions

George Sample appeared before the council with a request that something be done about a shed or porch which was being built on a house on Lincoln street next to Samples' apartments at 531 North Eleventh street. The matter was referred to Building Inspector J. M. Wauchope.

Councilman Wiesendanger recommended that the bid for painting the airport hangar go to J. P. Roper for his low bid of \$461.

There was also some discussion as to whether Fire Chief Keith Ambrose should assume responsibility for a bond of \$5000 on fire fighting equipment to be stationed at two mills for use in fire fighting outside of the city. The matter was referred to City Attorney J. H. Carnahan.

Market Prices for Gardeners

PORTLAND, Aug. 3 (AP)—East Side farmers market quotations today:

Salable sheep 1000; total 3000; native spring lambs slow; steady to weak; damp fleeces considered; medium to choice native offerings early \$13.00-14.75; sheep about steady; common to choice shorn native ewes \$6.75-7.75; mostly good to choice kind \$7.75.

WHEAT

CHICAGO, Aug. 3 (AP)—Persistent purchasing of wheat today, first by mills and later by interests acting for industries, gave the market a firm tone. Prices advanced initially when buying orders could not be filled until quotations had advanced more than a cent a bushel, and reactions were minor, for most of the session.

Moderate hedge selling was reported on price bulges, but there was no pressure on the market from any source. Trading was rather quiet after the early advance.

Wheat closed firm and 1-1/2¢ higher than yesterday's finish. September \$1.44, oats unchanged to 1/2¢ up, September 89¢, and rye 1-1/2¢ advanced, September \$1.00 1/2.

Walter Brennan Becomes Rancher

PORTLAND, Aug. 3 (AP)—Walter Brennan the actor, who wants to become known as Walter Brennan the rancher, headed back to Willowa county today after disposing of a carload of cattle at top prices.

Brennan personally herded his cattle to market, riding a caiboose from Joseph to Portland directly behind the carload of white-faces.

STOCKS RALLY AFTER ERRATIC EARLY SWINGS

By VICTOR EUBANK
NEW YORK, Aug. 3 (AP)—Stocks rallied today after some erratic swings in the early part of the session. Bonds were steady.

Most of the industrial blue chips which were under heavy pressure yesterday showed consistency recovery tendencies, but such groups as steels, rubber and rails blew hot and cold before joining the upturn. Final-hour gains, well distributed in most departments, ranged from fractions to more than a point. Transactions amounted to around 1,200,000 shares.

Among the best gainers near the close were Westinghouse, General Electric, DuPont, Good-year, Goodrich, Johns-Manville, Douglas, General Motors, Santa Fe, Southern Pacific, Northern Pacific, Standard Oil (N. J.), U. S. Steel, Bethlehem and Youngstown Sheet.

SPUD CERTIFIER TO ARRIVE HERE

E. R. Jackman, extension specialist in farm crops at Oregon State college, will arrive in Klamath Falls Wednesday to complete the inspection of potato fields entered for certification. The inspection was begun by the late Professor G. R. Hyslop. Jackman is scheduled to arrive about noon and will inspect all fields not previously inspected. Time will not permit notification of growers in advance of his arrival.

A second inspection of fields will be made about the middle of August.

Wooden Cargo Plane Contracts Canceled

WASHINGTON, Aug. 3 (AP)—The war department announced today it is canceling contracts for the manufacture of the C-76 wooden cargo plane by the Curtiss-Wright company at Louisville and the Higgins company at New Orleans.

The amount of the contracts, awarded on a cost-plus-fixed fee basis, were not disclosed by the department, but it was understood from other quarters that they had contemplated the expenditure of approximately \$400,000,000.

The army said experience with experimental models established that the plane would be more expensive and less efficient than those now being manufactured from metal.

Walter Brennan Becomes Rancher

PORTLAND, Aug. 3 (AP)—Walter Brennan the actor, who wants to become known as Walter Brennan the rancher, headed back to Willowa county today after disposing of a carload of cattle at top prices.

Brennan personally herded his cattle to market, riding a caiboose from Joseph to Portland directly behind the carload of white-faces.

WE SALUTE

AWA

THE EYES AND EARS OF THE ARMY AIR FORCE

EVERYONE CAN shorten the war by keeping "eyes aloft" in the Aircraft Warning Service. You Can Serve by signing up during Aircraft Warning Service Week, August 1st to August 7th.

AND AS A SUGGESTION

On the long, hot watches of the daytime, for refreshment try a delicious wine "cooler" and on the long, cool night watches try a "keep-awake" of hot, spiced wine.

PEARSON - 4th AVE. BUILDING, PORTLAND, ORE.

Civilian Defense Mobilization

Date—August 6, 1943.
Time—Mobilization call will be issued at 7:30 p. m.
The following units will be mobilized:

Police at regular stations.
Medical at Red Cross headquarters and other regular stations.
Fire at fire station.
Wardens at regular stations.
Utilities as directed by utilities chief.

POLICE RESERVE TO TRAIN NEW CLASS

A new class in police reserve training is being made up now, according to Police Judge Harold Franey, and civic minded persons not engaged in other civilian defense activities should volunteer to the police for this work.

Applications may be obtained from the police. Schooling will start soon, but the actual date has not been specified.

Present police and sheriff reserves are to report to headquarters on August 6 at 7:30 p. m. for a general mobilization. This mobilization will determine the coming activities in civilian defense, and it is important that the actual number of reserves be known.

Requests were made by Sheriff Lloyd Low and Franey that all men now engaged in reserve work continue with this activity and that others volunteer.

SNELL TO REVIEW LOCAL STATE GUARD

Governor Earl Snell, who is commander-in-chief of the state guard, will review B and C companies at the Klamath armory on Thursday at 8 p. m., it was announced by Major D. D. Van Fleet, battalion commander, and T. S. Abbott, commander of Company B.

Governor Snell will be here in connection with the Weyerhaeuser tree farm dedication.

Regular Wednesday night drill of the guard has been cancelled. A full attendance at the inspection and review was urged.

Guardsmen will also hold a field practice Sunday from 8 to 12 o'clock.

More Wool Seen For Civilian Use

WASHINGTON, Aug. 3 (AP)—Barring unforeseen military demands, civilians can expect increased quantities of wool fabrics, but with some of the pre-war variety missing.

Wool manufacturers, the war production board (WPB) reported today, are sacrificing novelty to step up production of staple items. It's part of the WPB aim to make clothes rationing unnecessary.

Apparel wool output for civilians now is running at an annual rate of 240,000,000 yards, about the same as last year. To increase this, manufacturers are reducing the variety of colors and counts of their yarns. This results in larger lots of one material.

Salem Supply Fire Damage Estimated

SALEM, Aug. 3 (AP)—Fire which destroyed the Salem Supply company last night caused about \$50,000 damage, the Salem fire department said today.

It was Salem's second large fire in 26 hours, a fire Sunday night having caused \$35,000 damage to the Doolittle service station.

FLOODED LAND SCALED DOWN TO 800 ACRES

Re-estimates of the loss in the Tule lake flood of late last week indicate that some 800 acres, rather than 1,100 acres, were actually covered by water after the lessee's dike broke south of Tulelake, reclamation officials reported Tuesday.

Worst hit was the leased land of John and Lewis Kandra. A few others suffered, but none so seriously as the Kandras.

Bulldozers were being used Monday in finishing up work on the dikes. The secondary dike appeared to be holding the water from spreading further, and the break in the main dike was also holding satisfactorily, according to word received here.

Lessees hope to recover some feed from the land inundated, which had been planted to grain, chiefly barley.

A business meeting of the lessees on the 6,500-acre tract, which was threatened, will be held at Tulelake Tuesday night. B. E. Hayden, reclamation superintendent, will attend from Klamath Falls.

KLAMATH PRAISED FOR FOREST WORK

Warm praise for Klamath's cooperation in the "Keep Oregon Green" program was voiced here Tuesday by E. H. Campbell, state director of the "Green Guard" and county coordinator for the general anti-forest fire program. Campbell said that under the leadership of Vern Moore, Klamath county chairman, the people of Klamath county are continuing this year the outstanding forest protection program started here some years ago. The public response here, he said, is regarded as unexcelled in the state.

New OPA Regulation May Result in Lower Liquor Prices

WASHINGTON, Aug. 3 (AP)—A new liquor price regulation, expected to result in lower prices for many new brands now on the market, will be issued in the near future by the office of price administration.

The regulation will provide ceilings at the distillery level based on cost plus a fixed markup, with mark-ups at each stage thereafter until it reaches the ultimate consumer.

Hollywood Stars Beat Fort Lewis

TACOMA, Aug. 3 (AP)—The Hollywood Stars of the Pacific Coast league defeated the Fort Lewis Warriors 8 to 6 at the post last night in a game featured by four home runs.

Ken Richardson and John Dickshot hit for the circuit for the Stars, with Hal Lee and Herman Rich duplicating for the Warriors. Hollywood jumped out in front in the first inning and never was headed.

BETTER THAN SCRATCHING

Yes, don't scratch to try to relieve the itch of heat rash, burn of sunburn or itch of mosquito bites. Sprinkle on soothing, cooling, refreshing Mezzana, formerly Mexican Heat Powder. Mezzana is the kind of medicated powder many specialists recommend for these miseries. Yet it costs little. Be sure you ask for Mezzana.

Union Controversy Stops Delivery of Fourth Class Mail

PORTLAND, Aug. 3 (AP)—Third and fourth class mail piled up at the Union depot today while a controversy continued over payment of wages to non-union mail handlers.

Postoffice officials blamed the situation on refusal of the workers to put in overtime.

W. A. Taylor, general chairman of the Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees, said union members refused to work overtime because non-union workers got higher wages.

"First class mail continued to clear the depot on schedule."

CIO Abandons Try To Organize Kaiser Portland Shipyards

PORTLAND, Ore., Aug. 3 (AP)—The CIO attempt to win over the Henry Kaiser shipyards in this area is ended, at least temporarily.

Irwin DeShelter, organizer for the CIO Marine and Shipbuilding union, acknowledged that the campaign had been dropped, charged that "reactionary" legislation barred the CIO from the yards, now holding AFL contracts.

TEN CONSTRUCTION PERMITS APPROVED

Ten building permits were approved by the city council at their weekly meeting Monday night, showing an increase of nine over the preceding week.

Permits approved were:

Grace Colahan. Reshingle and repair residence at 1403 Mitchell street. Cost, \$200.

Oral E. Freemyer. Reroof residence at 315 Alameda street. Cost, \$145.

M. J. Reid. Reroof residence at 2430 Orchard street. Cost, \$150.

Sealey Brothers. Repair roof on Mason Ehrmann building on Spring street. Cost, \$400.

Lloyd H. Derby. Remodel residence, 930 North Ninth street. Cost, \$250.

J. P. Wells. Remodel music room at KUHS. Cost, \$800.

Gerald C. Gwyn. Remodel residence at 238 Fulton street. Cost, \$250.

M. E. Doty. Reroof Marion apartments. Cost, \$850.

Tech. Sgt. Elmer Buesing. Reroof building at 1318 Lakeview street. Cost, \$50.

Mrs. M. T. Tucker. Build chicken house at 1723 Oak street. Cost, \$50.

If it's a "frozen" article you need, advertise for a used one in the classified.

Test Pilot Divas Plane Five Miles

LONDON, Aug. 3 (AP)—Aviation experts are studying the possibilities unfolded by the feat of an American test pilot who shattered all world records when he succeeded in diving a P-38 Lightning plane 25,000 feet, or nearly five miles, and achieved a speed of more than 780 miles an hour—approximately the speed of sound.

TWO SUBS SUNK BY BRITISH WARSHIPS

LONDON, Aug. 3 (AP)—British warships and planes sank two of a force of between 25 and 30 U-boats trying to intercept a big allied convoy and probably destroyed another, a British communiqué announced today.

So successful was the British defense that the great force of U-boats were unable to launch a single attack, the admiralty said. The convoy was east bound.

The fight between the warships and planes on one side and the submarines lasted three days. The action occurred some weeks ago.

Murders occur in the United States on an average of one every 90 minutes.
