

# KRAUSE ORDERS MOBILIZATION OF CD UNITS

G. A. Krause, commander of civilian defense units, has ordered a complete mobilization of all defense units and personnel in Klamath Falls and vicinity on Friday, August 6, at 7:30 p. m.

This is strictly a mobilization to determine and obtain a complete list of the personnel available, and to test the time required to receive reports and communicate them through the control center. There will be no incidents and no blackout unless from causes beyond our control.

Each head of the various divisions of civilian defense will be responsible for the assembling of and receiving reports from his division.

In the warden's division each warden shall notify all members of his staff of the date and time, and shall have them at their posts at that time exactly as for an actual alert.

As soon as he has determined that all available members are at their posts he shall report by phone to his zone warden, giving his sector number, his name, and the total number of each classification present, being careful to give the totals separately; that is, one total for wardens, another for operators and another for messengers, etc.

As soon as zone wardens have received all available reports from the sectors, they shall report by phone to air raid precautions headquarters, phone 3134, giving their zone number, name and total number of each classification, including their own assistants.

One of the primary objects is to get these reports in as quickly as possible, so make them cover only the above information. In some suburban areas party lines are heavily loaded and for that reason should any sector warden be unable within a reasonable time to reach his zone warden, he shall report direct to ARP headquarters.

Remember, all calls go to air raid precautions headquarters, not to the control center, as they would in an emergency.

We ask that you make a special effort to have your staffs complete in time for the mobilization.

COLMAN O'LOUGHLIN, Chief of Wardens.

## PHOTOS TAKEN OF COMMANDOS, SERVICE MEN

Alfred Eriss, photographer for the American Magazine, left Tuesday night after spending two days photographing the Commandos and their wounded service men guests. Pictures taken will be featured in the "America's Interesting People" section of the magazine in an early issue.

It is expected that about seven or eight pictures will be selected from the group Eriss sent to the New York offices of the magazine.

The American first became interested in the Commandos and their activities as the result of an article concerning them sent in by Mrs. Ted Case of Klamath Falls. Additional information was requested and a photographer was assigned to take pictures.

The wounded men photographed with the commandos returned to their hospitals Tuesday, after spending the weekend here being entertained by both Commandos and other civic groups.

## FRANKIE MASTERS COMES TO KLAMATH

Frankie Masters, the handsome maestro, famed for his daily coast to coast NBC broadcasts and his best-seller records, comes to the Klamath Falls armory on Monday, August 9, with his famous crew of entertainers.

Masters, one of the more versatile of the popular orchestra pilots, is a triple threat man. He directs, sings, and acts as master of ceremonies.

Acclaimed the country over as a master showman, as well as music-maker, Frankie brings with him a host of diversified and ingratiating talent, featuring vocal, instrumental and novelty numbers.

Familiar to popular music fans across the nation are Frankie's famed tag-lines "Hello, Hello, Hello," "Music Masters Please" and "Music by Masters."

## MECHANICS COURSE HAS FIRST MEET

The first assembly of the motor mechanics course got underway at the Balsiger Motor company on Monday evening. Some 52 enrollees were present for the first meeting, with about 25 per cent of them being women.

These classes are organized through the National Vocational Education program on the recommendation of the office of defense transportation. A representative from the ODT office in Medford was present to assist in getting the work started. He stated that with so much interest being displayed here at the meeting, Klamath garages should be more able to meet the challenge to keep motor transportation rolling.

Two sections were organized from the enrollees present at the first meeting. R. M. Smith will be the instructor in charge of section one and Gerald Van Buskirk will be in charge of section two. Section one started on August 3, and section two is scheduled to start August 9. The classes will meet regularly at the Balsiger Motor company, unless some special equipment and instruction calls them to another garage. The Balsiger Motor company has donated the space and equipment necessary for the work.

L. L. Lombard of the Lombard Motor company and Vernon Moore of the Balsiger Motor company were also present at the opening meeting.

Additional sections may be organized at a later date and anyone interested may contact the local garages or telephone the war production office at KUHS, 7595.

## No More Mexican Laborers Will Be Sent to States

MEXICO CITY, Aug. 4 (AP)—The newspaper Novedades quoted the labor ministry last night as saying that no more Mexican laborers would be sent to the United States because agreements between the two governments covering migration of workers to fill an American labor shortage have been fulfilled.

## CHURCH YOUTHS BACK FROM CAMP

Rev. Eugene Haynes returned on Monday morning from Camp Adams, Ore., accompanied by the young people of the Congregational church who attended. It was a very successful camp, one of the largest ever held at that place and lasting for seven days. On Sunday morning, August 8, the young people will have charge of the morning services and will give a report of the camp and camp program. This year for the first time the Evangelical Reformed church united with the Congregational church in conducting and attending the camp.

There were two councillors from Klamath Falls, Maxine Hardin and Mrs. Don Rice. In addition John Stone, Jack Lust, Karen Hardin, Marcellyn Wiggins, Sharon Willis, Edna Renner, Juanita Shinn, Gene Stivers, Leonard Harvey, Harry Tindle and Al King attended. Gene Stivers was elected president of the camp council.

## Brenda — Will You Step Out With Me Tonight?

I know I've been a awful grouch not taking you any place lately. But after standing all day at my new job, my feet darn near killed me with callouses and burning. Now I've reformed — or rather my feet have — thanks to the Ice-Mint you advised. Never tried anything that seemed to draw the pain and fire right out so fast — and the way it helps soften callouses is nobody's business! Been able to get some extra overtime money — so what do you say, let's go dancing tonight. You can step on your Ice-Mint feet all you want.

## Officials Search for Alumina Plant Site

PORTLAND, Ore., Aug. 4 (AP) State and federal officials hastened today to find a site for a proposed \$4,000,000 alumina plant in the Pacific northwest.

Senator Rufus Holman (R-Ore.) after a meeting with the officials and Bonneville power administration representatives said after the site was selected, the northwest could open a fight to land the plant.

# MEN! "HOOK ON" TO A GOOD-PAYING RAILROAD JOB!

If you want to be a railroader, here is your opportunity. We need able-bodied men under 41 years old (not now employed in war industries) to learn to become yardmen. No previous experience necessary.

After a brief training period you will have an opportunity to make good money.

Southern Pacific is a good company to work for, is a vital war industry and will still continue to haul freight and

passengers a long time after the war is over.

Here is a good opportunity for men in non-essential industries, particularly married men with children, who want to transfer to war work and at the same time build for a good future.

As an S. P. employe you may have the benefit of the Federal Railroad Retirement Act, the advantages of a hospital department, and transportation courtesies subject to reasonable rules.

Here's a brief review of a few of the duties of a Yardman

Works in the yards at railroad terminals, assisting in the switching of cars and making up of trains before their departure, and the "breaking up" of trains after arrival. It is an active and absorbing job.

WE NEED EXPERIENCED BRAKEMEN, YARDMEN AND FIREMEN, TOO. IF YOU HAVE HAD SUCH EXPERIENCE, DON'T LOSE ANY TIME GETTING IN TOUCH WITH US.

Come in and talk it over. If you would prefer some other type of work, we have dozens of different jobs open.

See R. B. Esdley, Trainmaster, Freight Station Bldg., Klamath Falls, or your nearest S. P. Agent.
