

# PUBLIC WORKS DIVISION TO MOBILIZE MEN

Commander G. A. Krause has ordered complete mobilization of all civilian defense units at 7:30 o'clock tonight.

The heads of all public works divisions will assemble all available manpower in their respective divisions, at their home plants, or other designated points. Division chiefs shall then report total men available for their divisions to the public works chief or his assistant at the control center.

All departmental chiefs should make an effort to get out his men 100 per cent and report as soon as possible. Public works divisions consist of electric power, water, steam, gas, city and county road repair and decontamination crews. No equipment is to be used for this mobilization, although equipment should always be ready and located in a convenient area in case of an emergency.

All chiefs of above departments are instructed to comply with our commanders orders. While public works crews would be called "with equipment" only in event of attack or emergency, every chief should see that his manpower and equipment are ready. In this way we can do our part in the clearing of blocked roads, repair of broken wire, water mains, steam and gas lines and decontamination of gassed areas.

Be alert and prompt tonight and let's have a 100 per cent turn out for mobilization.

JIM SOUTHER,  
Chief of Public Works.

## NAZI AIRMAN RECAPTURED AFTER BREAK

NORTH BAY, Ore., Aug. 6 (AP)—Lieut. Peter Krug, German airman whose previous escape from a Canadian prison camp led to the conviction of treason of Max Stephan, Detroit restaurateur, has been recaptured after an escape on Monday night.

It was announced today that he had been recaptured at the Canadian Pacific railway station at North Bay. He escaped last Monday night from a prison camp near Gravenhurst.

An alert sergeant of the Canadian provost corps ended Lt. Krug's brief period of freedom. Sgt. M. DeVine recognized Krug, who has been involved in several escapes from prison camps, at the railway station at 2 a. m. today and arrested him, but it was six hours later before Krug admitted his identity under questioning at the police station.

Carrying a registration card under the name of "Michael Lashovitch" and giving a northern Ontario address, Krug was wearing a navy blue peaked cap, khaki trousers and a white shirt. He also wore a hand-sewn belt which contained a small amount of English currency. He carried a considerable amount of concentrated food. Believed to have been wearing swimming shorts at the time of his escape Monday, Krug declined to say where he obtained his clothes.
