Chinese Exclusion Act Repeal Urged to Stymie Jap Tactics

WASHINGTON, Aug. 10 (AP)—To offset Japanese propaganda which he said "definitely is pointing toward a separate peace with China," Rep. Gossett (D-Tex.) today urged repeal of the Chinese exclusion act as soon as congress reconvenes next month. Gossett, a member of the house immigration committee, declared the Japanese already have adopted separate peace tactics by "relenting on atrocities" in occupied China and by trying to win over the people of those territories, even to the extent of "passing out candy to Chinese children."

STOCKS DOWN LETHARGY TO ROLL UP GAINS

By VICTOR EUBANK
NEW YORK, Aug. 10 (AP)—The stock market today partly overcame its recent lethargy to roll up a large number of gains ranging from fractions to around 2 points.

Volume continued relatively low at about 700,000 shares for the five hours.

Most pivotal groups were well ahead in the final hour. Prominent gainers included U. S. Steel, Bethlehem, Chrysler, General Motors, Montgomery Ward, Sears Roebuck, Case, Harvester, United Aircraft, Eastern Air Lines, Pan-American Airways, Westinghouse, Western Union, Homestake, McIntyre Porcupine, Pullman, Santa Fe, Southern Railway, Great Northern, Standard Oil (N. J.), Pure Oil, Pepsi-Cola and American Locomotive.

Bonds were generally improved under leadership of rail loans.

WHEAT
CHICAGO, Aug. 10 (AP)—Purchases of wheat by traders who previously had been sellers reversed the price trend today and prices at one time were up around a cent a bushel from the day's low points.

Commission houses and a big elevator firm bought rye after prices had declined a cent a bushel and on the ensuing advance short sellers were forced to cover themselves.

Trade generally was quiet and the market lacked incentive. One feature of trade was a tremendous business in cash corn sales. It was estimated that 3,500,000 bushels, the largest single day's business in the history of the board of trade, had been purchased for deferred shipment from the country. The sales were made at ceiling prices.

Wheat closed 1-1 cent above yesterday's finish, September \$1.43 1/2, oats unchanged to 1/2 cent up, September 69-69 1/2, and rye advanced 1-1/2, September 98 1/2.

This is the best thing that has happened to me in a year.—Ger man prisoner in Sicily.
