

Pelican Grid Prospects Good

August 18, 1943 PAGE NINE

Yankee Chariot Swings High; Chisox Victims

Pitiful Athletics Lose Eleventh in Row; Cardinals Subdue Dodgers 7-3

By JUDSON BAILEY
Associated Press Sports Writer

The polish may not be so bright as in some former years, but the New Yorkers' chariot keeps rolling more smoothly than it did in the days when it was baseball's shiniest streamlined model.

They have won 10 consecutive series in the American league, which is considered a record although historians have kept no tab on such things previously, and since July 5 they have won 32 out of 43 games.

Yesterday they victimized the Chicago White Sox again 4-2 with chunky Charley Wensloff, the rookie righthander ace, pitching his fifth five-hitter of the season and 14th complete game in 10 starts.

At the other end of the American league ladder the pitiful Philadelphia Athletics lost their 11th straight game, dropping a 4-3 decision to Detroit as the Tigers moved into a tie with the idle Cleveland Indians for third place.

In the other American league game John Niggeling pitched five-hit ball as the Browns belted the Boston Red Sox 4-1. A pinch single by Manager Joe Cronin saved the Sox from a shutout.

In the National league the St. Louis Cardinals subdued the Brooklyn Dodgers 7-3 with Alphi Brazle, a rookie up from Sacramento, giving only eight hits and driving in three runs himself on a triple and single.

The Cincinnati Reds lengthened their winning streak to six games with a 10-4 decision over the New York Giants, and Pittsburgh swept a doubleheader from the Boston Braves 8-0 and 4-3 in an affair that was remarkable because Hank Gornicki of the Pirates was the winning pitcher in both games and Nate Andrews lost both.

Gornicki went the distance in the opener, allowing six hits, and returned in relief in the nightcap to get the credit.

The Chicago Cubs scored four runs in the eighth inning to take a see-saw struggle from the Phillies 7-5.

Golfers Tee Off in Best Ball Tourney

31 Teams Ready in Prelude To Annual Chicago Victory National Championships

CHICAGO, Aug. 18 (AP)—A field of at least 31 teams will tee off tomorrow at the Beverly Country club in a 36-hole pro-amateur best ball tournament, prelude to the first annual Chicago Victory National golf championship.

The Victory meet, which will run Friday through Sunday, will be a 72-hole medal play test. Proceeds of the four-day show will go into a fund for wounded World War II vets of the Chicago area.

For a selected field of 32 pros and 10 amateurs who will compete in the Victory National, tomorrow's team contest will be a warmup.

The field for the Victory National championship, which officials said may reach 45 by Friday, was selected on the basis of championship performance. Eighteen holes will be played Friday, another 18 Saturday and 36 Sunday.

Among the favored combinations in the pro-amateur are three teams that include servicemen players. Pvt. Chick Harbert, young pro from Battle Creek, Mich., now at Camp Grant, is paired with Dale Morey of Martinsville, Ind., winner in the recent Tam O'Shanter all American amateur.

Lt. (jg) Lawson Little of Hutchinson, Kas., is teamed with Steve Kovach, Pittsburgh amateur, while Frank Stranahan, of the Nashville army air center, will play Byron Nelson of Toledo.

Mother to Receive Air Medal for Son, Oregon Swimmer

MILWAUKIE, Aug. 18 (AP)—Mrs. David Levy, Milwaukie, will leave soon for Washington D. C., to receive an Air Medal awarded posthumously to her son, Capt. Jack N. Levy, former University of Oregon swimmer, killed while flying in the South Pacific December 31.

Production Of Athletic Equipment Up

WASHINGTON, Aug. 18 (AP)—A 25 per cent increase in the production of sports equipment, due mainly to demands of the armed forces, pointed up sharply today the fact that more Americans are participating in athletics than ever before.

The war production board (WPB) disclosed that 70 per cent of the equipment output, already one-fourth greater than the peace time level of 1941, was going to the army, navy and marines.

Sports goods factories are operating at capacity, and by next year a synthetic material will be available for use in articles now requiring rubber.

WPB's sports equipment division estimated that participation in softball, basketball and volleyball has doubled, or more, since 1941. About 80 per cent more men are playing baseball, and boxing has shown a 10 per cent increase.

Glenn Dobbs of Tulsa Shows as Star Passer

EVANSTON, Ill., Aug. 18 (AP)—The All-Star football squad which will oppose the Washington Redskins here the night of August 25 thought it had some mighty fine passers in Paul Governall of Columbia, Angelo Bertall of Notre Dame, Otto Graham of Northwestern and Bob Steuber of Missouri—but they'll have to make room for Glenn Dobbs of Tulsa.

Dobbs took over the role of Sammy Baugh, Washington's ace passer, as the All-Stars turned to defensive drills yesterday and completed better than .500 per cent of his throws.

Then he demonstrated he could handle the punting assignment, too, by getting off a number of 70-yard boots.

ALBINA WINS AGAIN

PORTLAND, Aug. 18 (AP)—Albina tightened its grip on first place in the Portland War Industries league yesterday by defeating Commercial, 5-0, before 700 baseball fans.

Sports Briefs

By Hugh Fullerton, Jr.

By SID FEDER
(Pinch-Hitting for Hugh Fullerton)

NEW YORK, Aug. 18 (AP)—Sid Luckman has quit that assistant coaching job at Pitt. And the tip is out he'll be back with the Chicago Bears when the pigskin starts to fly. Ben Smith, the wall-streeter who backed the New Mexico City race track, plans to build another horse-park right across the Hudson river in New Jersey. Lee Savold will get a \$25,000 guarantee to take on either Tami Mauriello or Jimmy Bivins in Chicago. Wind City wizards think that one'll draw 100 G's.

Miss Kathleen Hassett—all 7 lbs., 14 ounces of her—arrived at the Duke university hospital last week. Papa is Buddy, the Yankees' crooning first-sacker, now in the navy. Henry Armstrong has picked up \$150,000 in his comeback so far. And the chances are he'll retire again—for keeps this time—in '44. Tommy Thomas, the Baltimore Orioles' manager, was around town the other day telling about one of his pitchers who sleeps in the dugout at Orioles park to cut down the overhead. And a fan who parks under the scoreboard overnight. Corp. John Harleton, the ex-Harvard coach, has one of the top service boxing teams at the marines Parris Island (S.C.) base.

TODAY'S GUEST STAR
Dick Davis, Appleton (Wis.) Post-Crescent; Dizzy Dean picked up about \$150 Sunday afternoon, got about \$200 as Oshkosh in the evening and drew a crowd of more than 300 at Madison Monday night which should have been good for another \$300. Not bad for getting out on a diamond and smiling at the fans.

IVORY MARKET, PFD
Columbus Redbirds are turning down all big league bids for Joe Garagiola, their 17-year-old catcher. Want to wait a while, figuring the price'll go up. And two of the reasons Knoxvise was willing to sell Bob Finley to the Phillies were (A)—\$15,000 and (B)—The discovery that third-stringer Andy Seminick was just as good a catcher—or better.

DIS-A AND DAT-A
Dorothy Germalin, new women's western champ from Philly, was started in golf ten years ago—because she likes horses. Seems she was always riding and jumping and her parents thought it was too dangerous. So they handed her a set of irons and woods.

Sandlotter Celebrates With Padres

Red McCarty Clouts Two Doubles on First Day to Give San Diego 6-4 Win

By The Associated Press

It took a rookie who has just shaken the dust of the sandlots to help San Diego present George Detore with his second win as manager of the Padres.

The home town recruit, Red McCarty, celebrated his first day as a San Diego left fielder yesterday by clouting two doubles, driving in one run and scoring two himself to pace the Padres' victory over Portland, 6 to 4.

Catcher Detore, who took over as manager eight games back, revamped his lineup for the opener of the new series in an effort to correct the Padre's losing disposition.

Hollywood's Stars outlith Los Angeles but the Angels profited from a four-run homer by Johnny Ostrowski and won, 10 to 5. It was Pitcher Paul Gehrman's 15th win, and Bill Thomas' 14th loss. Neither went the distance.

Base hits were plentiful on both sides as San Francisco bested Oakland, 3 to 2, in the inaugural of their 14-game home-and-home series. The Oaks, in fact, topped the Seals, 12 hits to 10, but San Francisco's big right-hander, Bob Joyce, managed to pitch himself clear.

Sacramento and Seattle, idle yesterday, get back into play in Sacramento today.

Sir Walter Ignores Golf Challenge

PHILADELPHIA, Aug. 18 (AP)—A grudge match between Joe Kirkwood, whose shrieking plaid cap was jammed angrily over his ears, and 50-year-old Walter Hagen, the Australian-born trick shot artist's boon companion on golfing junkets to the far corners of the earth, lacked only Hagen's acceptance today—and the Haig was vacationing in the Michigan north woods.

In Huntingdon Valley Country club pro's offer to meet Hagen "anywhere, anytime" for a \$2000 wager drew an expression of interest from J. Russel Gnu, head of the Ryder Cup challenge tournament sponsoring committee, who suggested at Detroit that the match be staged for Chinese war relief.

Meanwhile the Philadelphia section of the Professional Golfers association scheduled a special meeting tonight to consider the "incident" at last week's Ryder cup matches which prompted Kirkwood to offer a still unaccepted resignation from the PGA.

Arne Andersson Revises Track Record Books

GOTHENBURG, Sweden, Aug. 18 (AP)—Arne Andersson, who said he competed in track last season although handicapped by a severe "Gunder Haegg complex," is revising the world record book while the Gaelic fire man is in the United States.

Appearing in the national meet yesterday, Andersson hurried through 1500 meters in three minutes, 45 seconds and wiped eight-tenths of a second off the mark Haegg established only a year ago.

On July 1 Andersson romped through a mile in 4:02.8, two seconds faster than Haegg's best time.

His Own "C" Card

Entitled to "C" card, Willie Dreyer saves gas and rubber by running to and from work. H. M. Dean of Richmond, Calif., shipyard plant police waves Dreyer on as athletic oil refinery hand breezes to work.

Romeo Sanchez, Ex-Pugilist, Wins Glory on Guadalcanal

Corporal Romeo G. Sanchez, formerly active in Klamath Falls athletic circles, won a lot of glory when the Americans turned the steam on and started running the Japs out of Guadalcanal, according to word received by his friends here.

Sanchez was well known up and down Main street for several years during his residence in this area. For some time he worked in the sheep industry. His home was in San Fernando, Calif.

He was particularly well known in boxing circles. He made some appearances here and also did some training work.

When the Yanks started the island attack, he was up front throwing left hooks and jabs as a member of the 431st bombardment group.

Sanchez fought for several years up and down the coast and elsewhere, and helped to train some outstanding fighters, including Max Baer.

A copy of the San Fernando Valley Reporter, telling of Sanchez' exploits on Guadalcanal, was brought to The Herald office by Mrs. Ida Duke, whose son, Stanley, was a good friend of Sanchez.

Great Woman Speed Skater Has Gun on Hip These Days

MILWAUKIE, Wis., Aug. 18 (AP)—Maddy Horn, one of the greatest woman speed ace skaters of the present generation, has a revolver at her hip and a shotgun under her arm these days.

Maddy, who has participated in two Olympic championships and set seven American ice skating records, has put away her skates for the duration of the war to work as a guard at the plant of the Allis-Chalmers Manufacturing company in suburban West Allis.

Maddy is keeping in physical trim pitching for the plant's girls softball team, playing golf and tennis. She gets her biggest thrill, however, on the pistol and rifle range where she rapidly is acquiring skill.

Twelve Lettermen on KUHS Football Roster

Schortgen, Clement, Yank, Prairie, Patzke, Silva Back; Many Wildcats

Twelve browned and work-hardened lettermen from the 1942 championship outfit will be back to form the nucleus of Coach Frank Ramsey's 1943 Pelican football aggregation.

In addition to the dozen veterans, the big coach can count on a plentiful supply of promising Wildcat material, a number of good freshman prospects, and several transfers.

Frank's lettermen have kept in shape this summer with hard labor in Klamath's lumber plants, forests, warehouses and farm fields.

Here, by positions, are thumb-nail sketches of the veterans:

CENTERS
Ralph Mundlin, second string last year. Ralph is a good prospect. He worked in a sawmill here all summer and is in fine condition.
Dale Casebier, third stringer last year. Dale is good regular material if he stays in school. He is in the air corps reserve. Worked on government construction part of the summer and is now helping on his father's farm.

GUARDS
Dick Prairie worked as a choker setter and hooker in a local logging camp. He appears to be in great shape and should be the team spark plug this year. Prairie now hits the scales at 195 pounds, and this should be a great football year for him.
Doug Clement, a regular mainstay last year. When in shape, Doug is a college football prospect. He has been working in a local produce warehouse, and his 195 pounds are going to count in that Pelican line this fall.

TACKLES
Pat Patzke, 198 pounds, should be the team's outstanding linesman. A regular last year, Pat has been working on the green chain in a sawmill this summer. He will handle some of the punting and place-kicking. His condition is A-1.
Jim Conroy, another 198 pounds of good tackle, has been farming all summer. He is a good squad man and a fine student. He is in excellent condition—in fact, Frank says Jim is the kind who is always in shape.
Jack Brown, reserve tackle, is in the same boat as Casebier. He may be called by the air corps reserve at any time.
Vern Yank, 192 pounds, has handled a tough job in a local steel yard and warehouse, which speaks well enough for his physical condition. Vern is one of the fastest men on the squad, and he might be shifted to fullback.

ENDS
Richard Pope, 155, will have a good season. Dick has been working for the forest service this summer. He is a good squad man and student, and performs expertly on the receiving end of a pass play.
Angelo Giovannini comes from a long line of Pelican athletes. He weighs 172 pounds, and has been working at a hard job for a local lumber company. If Angelo comes through as he promises to do, he will be a big help to the 1943 team.

QUARTERBACKS
Don Robin worked for a local lumber company part of the time this summer and is now farming. Don isn't big, but he is an excellent blocker and tackler, and possesses plenty of speed. He is smart and is a good squad man. He will do some signal calling.
Louis Bickers worked for a sawmill all summer. He is in fine shape. Bickers is big and a good blocker.
Bickers and Robin look even-Stephen right now for the quarterback post.

LEFT HALFBACKS
Elwyn Silva, 172 pounds, worked on heavy construction all summer. This lad provided a lot of last fall's Modoc field thrills. He will handle much of the ball-carrying and passing. It should be a great season for him.
Dean Fitzgerald worked for the forest service this summer. He will be a big help to the squad. Dean is small but plenty fast.

FULLBACKS
Hank Schortgen may well prove to be the team's outstanding player. Hank worked on a survey crew most of the summer. He will handle much of the ball-carrying, passing and punting. He is fast, but he is the team's workhorse. Last year's seniors put the finger on him as the man most likely to do the most for the 1943 team. Dependable.
Wilbur Welch worked for a local lumber company. A good man, he will press Schortgen plenty for the regular fullback spot. He is a good passer and punter, and he is fast. If Hank should be moved to fullback, Welch can work in nicely as an end.
