In The Lion's Den

Darius, the King, signed on a dotted line. By that, for thirty days, all must make their prayers to him or else be cast into the lion's den. It was a frame-up by jealous rivals of Daniel who was close to the King and a power over the Empire. Now Daniel was also a great man of God and when he knew that the writing was signed, he went into his chamber and the windows being opened toward Jerusalem, he knelt three times a day upon his knees and gave thanks to his God as he did aforetime. All could see; early arrest followed and Daniel was cast into the den. But fierce and hungry though they were, all that night the lions stood away from Daniel—helpless. For the angel of the Lord had shut their mouths. Early day-break found the King at the den's mouth—"O Daniel, Daniel, is thy God whom thou servest continually able to deliver thee?" Then said Daniel unto the King: "O King, live forever. My God has sent his angel to shut the lion's mouth and they have not hurt me, for in his sight I was innocent and before thee, O King, I have done no wrong." So Daniel was taken up out of the den and no hurt was found on him because he believed in his God. — BIBLE, Daniel, Chap. 6th. In Christ, God has come a step closer to us today. Are you in the lion's den? Kneel down and cry to God in the name of Christ who loved you and died to save you. — If ye abide in Me and My words abide in you, ye shall ask what ye will and it shall be done unto you." So bids Christ who alone can SAVE-KEEP-SATISFY. GEO. N. TAYLOR, Cloverdale, Ore. This space paid for by an Oregon businessman.

CAMP NEWELL CONSTRUCTION TO BEGIN SOON

TULELAKE — Construction on the new military unit at Camp Newell which will be built north of the present location is expected to get under way by the first of next week, according to Lieutenant Walter Bryant, who spoke this week before Tulelake Rotarians. Present quarters for the military personnel will be used by the Japanese following the proposed segregation of loyal and disloyal internees. Although the contract has been let to a well-known construction company, Lieutenant Bryant did not disclose the identity of the company. The military police to be stationed here will be a provisional battalion numbering more men than the regulation unit. Less than 200 soldiers have been stationed at Newell since the WRA project was opened. Lieutenant Bryant was introduced by Mayor A. A. Rodenberger, program chairman. Johnnie Johnson, Klamath Falls, was the only visiting Rotarian, but other guests included Raymond Best, now director of the WRA center, Charles Forrest and P. Zimmers, Newell, George W. Osborne and John Takacs, Jr., Tulelake. Directors are meeting the first of next week to plan for the proposed visit of the district governor September 1.

SOLDIER HELD FOR ATTACK ON LAKEVIEW GIRL

LAKEVIEW — Herman Alexander Beffa, 20, of California, is being held in the county jail on charges of assault with intent to commit rape on a 13-year-old Lakeview girl. The charges were filed by District Attorney Robert Welch.

The assault occurred Tuesday evening about 10 o'clock when a soldier, alleged to be Beffa, followed the girl to her home. Near her home he attacked her, knocking her down and inflicting head injuries and tearing her clothes. She screamed for help with the result that neighbors came out with a flashlight and the attacker was frightened from the scene. Sheriff H. E. Casiday, State Patrolman George Geise and District Attorney Welch were notified and immediately took up the hunt for the girl's attacker. About midnight Sheriff Casiday and Patrolman Geise picked Beffa up several miles north of Lakeview as he was hitchhiking his way back to Alkali lake, where he is stationed with the U. S. army. He was among a group which was AWOL from camp. Blood on Beffa's clothes gave officers reason to believe that he had committed the crime, and he was returned to the city and lodged in the county jail. Beffa waived preliminary hearing and

CONSTRUCTION OF MERCHANT SHIPS OKAYED

By STERLING F. GREEN WASHINGTON, Aug. 21 (AP) The combined chiefs of state have given final approval to a United States merchant ship construction program calling for more than 20,000,000 dead-weight tons of shipping in 1944. Although no public announcement was made, informed officials said today the chiefs of staff put the seal of approval on the maritime commission's new program last week.

How much higher than 20,000,000 tons the 1944 program was set has not been disclosed. The program for this year was 18,890,000 tons, although indications are this will be exceeded considerably. Based on present average tonnages, next year's schedule would produce around 2000 vessels. As disclosed by the commission, the long-disputed 1944 schedule calls for delivery of 319 of the speedy, new-type "victory" cargo ships and about 200 of the superior fast merchantmen of the C-type. Most of the other vessels will be the familiar mass-built Liberty ships.

Over 800 manufacturers of automobile parts are now producing more than \$3,000,000,000 in war material.
