Fuel Company Has Spectacular Fire
PORTLAND, Aug. 26 (AP)—A spectacular fire in the Holman Fuel company yard last night caused little damage but Firemen T. B. Ramsey suffered first and second degree burns on his face and right arm.

The blaze, apparently started by a cigarette tossed from a passing automobile, was confined to sawdust, chips and planking.

PAGE MORPHEUS
NEW YORK (AP)—If there's a sounder sleeper than Harry Childs of East Orange, N. J., then Pennsylvania Railroad Patrolman Edward J. Farrell would like to meet him.

Childs, the patrolman reports, snoozed blissfully on a bench in Pennsylvania station while a man removed his hat and then replaced it; next took a package from his lap and put it back, and finally filched \$2 from his pocket.

The latter, however, was too much for Farrell who placed the man under arrest—and wakened Childs.

WAR KITCHEN

MAKE STRING BEANS TASTY AND NUTRITIOUS

By GAYNOR MADDOX
Too often green beans are cooked without interest. Try this new recipe. It adds flavor to the beans and also gives extra food values.

Creole String Beans (Serves 6)
One tablespoon minced onion, 1 tablespoon green pepper, 2 tablespoons butter or fortified margarine, 2 cups cooked green beans, 1 1/2 cups cooked tomatoes, 1/2 teaspoon salt, 1/4 teaspoon pepper, 1/2 cup bread crumbs, 2 tablespoons grated cheese.

Brown onion in fat and combine with beans. Place in well-greased, 1 1/2 quart, heat-resistant glass casserole. Add tomatoes and seasoning. Top with crumbs and sprinkle with cheese. Cover; bake in moderate oven (350 degrees F.) 15 to 20 minutes, or until cheese is melted and slightly browned.

Here's a wonderful quick bread recipe made without shortening. It has excellent food value, is different, easy to make and just the thing for the meatless meal. Can be used as a breakfast treat or for afternoon company tea.

Company Bread (16 Squares)
Four eggs, separated, 1/2 cup sugar, 1 teaspoon vanilla extract, 1 cup sifted enriched flour, 2 teaspoons baking powder, 1/2 teaspoon salt, 1 cup almonds, pecans or walnuts, chopped, 1 cup raisins, confectioner's sugar.

Beat yolks of eggs until light and lemon-colored; add sugar and beat well. Add vanilla. Sift all dry ingredients together and stir into egg mixture. Add chopped nuts and raisins. Fold in stiffly beaten egg whites. Pour into two-quart greased glass utility dish and bake in moderate oven (350 degrees F.) for about 20 minutes. While still hot, cover with confectioner's sugar and cut into squares.

Menu
BREAKFAST: Sliced peaches, crisp bacon, company bread, butter or fortified margarine, coffee, milk.

LUNCHEON: Cottage cheese salad, sliced onions and green pepper rings, whole wheat bread, butter or fortified margarine, peanut butter cookies, tea, milk.

DINNER: Rice vegetable soup, brains with scrambled eggs, country fried potatoes, Creole string beans, enriched bread, butter or fortified margarine, mixed greens salad, fresh fruit gelatine with lemon sauce, coffee, milk.

The "John O'Groats" home in England was octagonal. It had an octagonal table in its octagonal dining room and the eight doors admitted the eight heads of the different branches of the family simultaneously.

JACKSON ELECTED TRIBAL DELEGATE

Boyd Jackson of Klamath Agency was elected Tuesday by Klamath Indians as their tribal delegate to Washington D. C. Jackson has filled this post for a number of years and is well qualified to handle the position again.

His opponent was Clayton Kirk. Results of the voting were 94 votes for Jackson and 62 for Kirk.

Election was by ballot. The tribal delegate handles all tribal matters between the reservation and federal authorities in Washington.

CARTOGRAPHY—OLD STYLE
Early makers of maps placed large land areas at the South Pole long before Antarctica was discovered, figuring there must be land there, otherwise the earth would be top heavy with all the land known to exist in the northern hemisphere and would turn over.
