Markets and Financial WEEKEND WAR FEARS TIE UP STOCK MARKET

NEW YORK, Aug. 28 (AP)—A generally prostrate stock market today refused to stir out of a slim groove as the few customers who showed up in Wall street held commitments at a minimum either way pending possible important weekend war developments.

Scattered gold mines, motors, rails and specialties made idle passes at the plus column but numerous leaders wavered. Near-closing prices were moderately mixed with numerous issues unchanged or never appearing on the ticker tape.

Transfers for the two hours of around 200,000 shares were among the smallest of the past year or longer.

The gold group continued to enjoy mild popularity. Dome mines made another new top for 1943. On the upside most of the time were U. S. Steel, General Motors, Chrysler, Santa Fe, International Nickel and Texas company. Intermittent minus marks were recorded for American Telephone, Goodyear, Sears Roebuck, General Electric, Westinghouse and Allied Chemical.

Bonds and commodities were narrow.
