## First Church of Christ Scientist

Tenth and Washington streets. This church, a branch of The Mother church, the First Church of Christ, Scientist, in Boston, Mass., holds services each Sunday morning at 11 o'clock.

"Reality will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 26.

The Golden Text will be "Since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him" (Isaiah 64:4).

Among the citations which will comprise the Lesson-Sermon is the following from the Bible: "O Lord, how manifold are thy works in wisdom hast thou made them all: the earth is full of thy riches. Thou sendest forth thy spirit, they are created: and thou renewest the face of the earth" Ps. 104: 24, 30.

The Lesson-Sermon also will include the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Eternal things (verities) are God's thoughts as they exist in the spiritual realm of the real, temporal things are the unreal, being the opposite of the real or the spiritual and eternal" (p. 337).
