Cinci Reds Steam Into Second Spot

Cardinals Have Reason to Be Glad They Clinched Early in National Season

By JUDSON BAILEY

Associated Press Sports Writer
Before they shed their uniforms for the winter the St. Louis Cardinals may have reason to be glad that they clinched the National league pennant before the Cincinnati Reds became properly organized.

The Reds steamed into second place yesterday, mathematically clinching it against any belated assault, by sweeping a doubleheader from the Philadelphia Phillies and running their latest winning streak to nine games.

The Reds whipped the Phillies 4-3 and 2-0 with two seven-hit pitching performances by Ray Starr and Joe Beggs. The only runs the losers made during the entire day came on a homer by Schoolboy Rowe in the first game.

The Reds' clinching of the runner-up spot was assisted by the Brooklyn-Dodgers, who dropped a doubleheader to the Pittsburgh Pirates 5-2 and 4-2, and fell into fourth place as the Buccaneers took over third.

In the meantime the Cardinals split a doubleheader with the Boston Braves and did nothing to improve their prospects for next week's world series with the New York Yankees.

The Braves won the first game, a 13-inning marathon, 6-5, and then Max Lanier stepped in to cut off the Braves' hopes with six-hit pitching in the nightcap, which the Cards won, 7-1.

The Chicago Cubs took two games from New York, definitely interning the Giants in the cellar, 3-2 in ten innings and 2-1. The New York Yankees were beaten 11-3 in their final conflict with the Cleveland Indians. The only pleasure for the Yankees was Joe Gordon's 15th homer.

The Boston Red Sox trounced the Detroit Tigers 6-1 and the Philadelphia Athletics worked out on the St. Louis Browns 8-3 with Rookie Lou Ciola scattering eight hits.

Air Commandos Work Gridmen For Husky Tilt

SPOKANE, Sept. 29 (AP)—The Second Air Service football team—the Commandos—began practice yesterday for their first game of the season, the University of Washington contest here October 9.

With talent from all over the nation at hand, Coach Izzy Weinstein was confronted principally with selection of what players to use. A ready-made backfield was fielded yesterday including Aubrey Miller of San Jose and Bill Gutknecht, Turtle Creek, Pa., halfbacks; Hank Mansuette, Aquippi, Pa., quarterback and Bill Krieger, Greenville, Ohio, fullback.

CALIFORNIA GOLF

LOS ANGELES, Sept. 29 (AP)—The California state open golf tournament will be held here November 19-21 as a \$2000 72-hole medal event.

It will be sponsored by the Southern California PGA.

Last year the open was won at Fresno by Johnny Dawson.

BANGOR, Me.—Coley Welch, 165½, Portland, stopped Monty Montoya, 174, Fort Devens (4).

JERSEY CITY, N. J.—Joey Sulick, 140½, New York, out-pointed Willie Cheatum, 139½, Newark (8).

Derringer, Warneke on Rocky Road

CHICAGO, Sept. 29 (AP)—When the National league baseball season opened Paul Derringer and Lon Warneke were slated for regular pitching duty with the Chicago Cubs, thus improving their chances of moving into the select circle of hurlers who have won 200 major league games.

The veterans, in the twilight of brilliant National league careers, were within close range of getting into the coveted 200 class. But pitching for the second division Cubs they have found the home stretch a rather rocky road and as the season progressed.

Yesterday big Paul, who will be 37 next month, rang the bell. He beat New York—3-2 in 10 innings—for his 10th 1943 success. He has lost 14.

Warneke won't make the grade this season. The Arkansas himmin' bird, who needed 12 wins to gain the 200 mark, also beat the Giants yesterday, 2-1. But the victory was only the fourth of the year for Lonnie, who is finishing his 14th year in the National league. But Warneke, who is 34, probably will be around long enough to hang up eight more wins.

Derringer joined Freddie Fitzsimmons, manager of the Phillies, and Carl Hubbell of the Giants, as the only pitchers now in the league who have won 200 games.

Allison Expects Air War

BERKELEY, Calif., Sept. 29 (AP)—L. B. "Stub" Allison, University of California football coach, expects USC to spring a strong aerial attack when the Bears meet the Trojans here Saturday.

He says, however, he is in the dark about it since the Trojans showed almost nothing of their passing strategy against UCLA last week. USC used only four passes in trouncing the Bruins by a 20 to 0 score.

California players staged a stiff line scrimmage yesterday—a workout which moved Allison to declare "the boys looked a lot better than at any time this year." For one thing, he said, the blocking was improved.

PENN CAPTAINS

PHILADELPHIA, Sept. 29 (AP)—The University of Pennsylvania football captaincy is on a regional basis now.

Wingback Joe Kane will direct the team against Yale Saturday because he's a New Englander, hailing from Tewksbury, Mass. Joe averaged seven yards in 14 tries against Princeton last week.

Man O'War's Son Victor At Belmont

NEW YORK, Sept. 29 (AP)—Man O'War has been retired these many years but his influence still is being felt in present-day competition.

His white-footed son, Fairy Manhurst, yesterday annexed the \$10,000 Lawrence realization at Belmont in the moderate time of 2:43 for the mile and five furlongs. The winners pappy still holds the event record of 2:40 4/5, set back in 1920.

The \$7475 Fairy Manhurst picked up brought his earnings for two years of racing to \$23,837.

The field in the 51st running of the realization was below par with Count Fleet, Blue Swords and Occupation all on the sidelines with injuries. As a further indication, the last time Count Fleet and yesterday's winner tangled, the Count finished 25 lengths to the good.

However, the William DuPont, Jr., three-year-old did wipe out one previous defeat. He shunted Eurasian and Slide Rule, the betting favorite, to the background in the realization after being far behind them in the Jerome mile recently.

Signs Being Posted on Lake Grounds

Signing of the Lower Klamath lake shooting ground, which is in the Lower lake refuge area just south of the state line, was started by the fish and wildlife service today.

In addition to signs indicating the shooting ground, large black and white signs are to be set up at every road intersection showing the state line boundary of the Lower lake refuge. This will be done because the state line at all places is not exactly on the line of the "state line dike."

Tulelake refuge has just been re-posted.

The schooner "Hesperus," according to Longfellow, was wrecked on the reef of Norman's Woe, near Gloucester, Mass.

Perkins to Start Next Pelican Go

Conroy to Play Center in Salem Tilt Friday Night; Yank Put in Tackle Spot

Bob Perkins has earned a starting spot in the Pelican lineup.

The flashy back will be in there at left half when the Pelicans open their battle with the Salem Vikings on Modoc field Friday night. Perkins put fire into the Pelicans in their close victory over Grant high of Portland last week.

Conroy will be in the center spot in the Pelican lineup Friday, with Yank at right tackle where Conroy formerly played.

Otherwise the lineup will be the same, with the possible exception of right guard, where Bill Wilson is giving Doug Clement a run for a starting position.

Jim Palmer, the surprise kicker who made the winning extra point last Friday night, has pulled a muscle in his groin, but will probably be able to play Friday. Meanwhile, from down deep in the reserves Frank Ramsey has discovered Jerry Bradford, another promising place-kicker.

The Pelicans polished their defense last night and tonight will drill on offense.

Ortiz Faces Stiff Task With Lopez

HOLLYWOOD, Sept. 29 (AP)—Slow starting, fast-finishing Manuel Ortiz, the world bantamweight champion, probably faces the stiffest task he has essayed this year when he takes on Mexico City's Leonardo Lopez for 15 rounds or less Friday night in Hollywood Legion stadium.

Service Sports, Inc., war entertainment organization, figures to realize \$10,000 or more from the bout, and the Legion crowd knows it is going to get a real run for its money. Manuel has faced Leonardo before.

Last time the El Centro, Calif., Mexican farmer was a topheavy favorite to flatten the boy from the southern republic, but he discovered he had his hands full getting away with a 10-round decision. The verdict was unpopular with the crowd and there was a legitimate clamor for a rematch.

Terry Moore Picks Cards to Win Series

CARACAS, Venezuela, Sept. 20 (By Mail) (AP)—Pvt. Terry Moore of the U. S. army, picks the St. Louis Cardinals to repeat the victory he helped them win in 1942 over the New York Yankees in the coming world series.

If the word "private" before Moore's name causes some confusion, remember that the captain of last year's Cardinals recently joined the army.

"Mort Cooper and Stan Musial will prove too much for the Yanks this year," Moore predicted while here playing for an army team from Trinidad against the local champions.

DUKE BACKS

DURHAM, N. C., Sept. 29 (AP)—The Duke university football roster lists 21 backs—20 navy or marine trainees and civilian Bob Mulligan. But that doesn't trouble the youngster. In the six times he has been permitted to carry the ball he has scampered 143 yards, an average of 23.8 yards a try.

WRONG FOOT

NEW YORK, Sept. 29 (AP)—The shoe is on the other foot this year. Last year Columbia Coach Lou Little chuckled as rival coaches sought defenses for the passing of his All-America halfback, Paul Governall. Now Little is busy trying to find a way on how to stop Dave Marshall of Princeton. Marshall completed 15 or 27 against Penn last Saturday although his club lost, 47 to 9.

They will go the 10-round distance in a double main event. Armstrong will act as second for his boys.

HEALTH QUIZ

Do you have poor digestion? YES NO
Do you feel headachy after eating?
Do you get sour or upset easily?
Do you feel tired—listless?

Now everyone knows that to get the good out of the food you eat—you must digest it properly. But what most people don't know is that Nature must produce about two pints of the digestive juice—liver bile—each day to help digest your food. If Nature fails—your food may remain undigested—lie sour and heavy in your digestive tract.

Thus, it is simple to see that one way to aid digestion is to increase the flow of liver bile. Now, Carter's Little Liver Pills start to increase this flow quickly for thousands—often in as little as thirty minutes. When bile flow increases, your digestion may improve. And, soon you're on the road to feeling better—which is what you're after.

Don't depend on artificial aids to counteract indigestion—when Carter's aid digestion after Nature's own order, when taken as directed, Get Carter's Little Liver Pills today—at any drugstore—only 25¢. You will be glad you did.
