

POLICE MATRON HIRING OKAYED BY CITY DADS

The city council in session today night authorized the hiring of Klamath Falls' first police matron who will handle juvenile problems and work in conjunction with the juvenile officer. The new matron goes on duty at a regular police officer's salary.

The position has been offered to Miss Stout, health unit where she has been employed for two years as public health nurse. She is a graduate of the University of Oregon school of nursing, and came to Klamath Falls from school.

Step Forward

The council approved hiring a police matron on recommendation of the police committee. The creation of this office is a step forward in handling city problems, especially juvenile problems as they are becoming more serious. It is hoped that the matron will be able to handle the rental situation which has become a problem for the city.

It was announced that there would be no regular meeting of the city council on Monday, May 22, as this is the fifth Monday of the month.

Use of Banners

A bus stop was granted the Klamath Bus company at 11th and Main, and an area painted for this purpose.

The council discussed at length the use of banners on Main street and Acting Chief of Police Orville Hamilton stated that one political banner which was put up last week was a hazard from the traffic standpoint. The matter was turned over to the judiciary committee.

The council waived the customary fee for Crater Lake Department, Marine Corps League, which will establish a center at 19 S. 9th.

A request to barricade Main street from 4th, and from Main to Klamath from 8 a. m. to the evening of Tuesday, May 30, Memorial day, in order to accommodate the crowd for services at the memorial shaft on the courthouse lawn, was presented by Colman O'Loughlin, chairman of the committee. The matter was referred to the chief of police and fire chief with power to act.

Government to Pay Leave Travel For Alaska Servicemen

EDMONTON, Alta., May 23 (Canadian Press)—Transportation and ration expenses of servicemen going on leave from stations in the Alaskan wing will be paid by the U. S. government to one of five cities in the United States, according to the North Star, official publication of the wing.

Men will be furnished round-trip transportation from their permanent stations to one of the following cities nearest the man's destination: Fort Sheridan, Ill.; Fort Douglas, Utah; Minneapolis, Minn.; Great Falls, Mont.; and Seattle, Wash.

Furlough time will be figured from the time of departure and arrival back at one of these five points, not the time absent from their permanent station.

GRADE OF CHILD GROWTH

School children of Bedfordshire, England, are taller and heavier than those of the same age in 1933. The average increase in weight in the 12-year-old group is one and a half pounds, with one-sixth of an inch increase in height.

EARTH IS LARGELY IRON

Iron constitutes 40 per cent of the earth. The next most abundant element is oxygen, comprising about 28 per cent. Then come silicon, magnesium, nickel, calcium, aluminum and the rest.

MANY KLAMATHITES TO ATTEND MEET

The city of Klamath Falls will be well represented at the state convention, League of Oregon Cities, when that body convenes in Portland May 26 and 27, it was learned at the council meeting Monday night.

Mayor John H. Houston, who serves as president of the league, will preside at the meetings. Also attending will be Police Judge Harold Franey, City Treasurer Ruth O. Bathiany, E. M. Igl and Frank Z. Howard of the planning commission, Chief of Police Earl Heugel, Dr. Peter H. Rozendal, city health officer, and Rollin Cantrall, representing the city council.

Election of officers will be held at this time and theme of the session will be war-time problems of cities.

Houston announced there would be a tour of community center facilities and that the attorneys' section would discuss juvenile delinquency and municipal rent control, both problems of vital interest to Klamath Falls. There will also be round-table discussion of the planning, zoning and building code sections, retirement plans of public employees and budget and financial reserves.

Main speaker at the Thursday night banquet will be Earl D. Mallory, executive director of the American Municipal Association, Chicago.
