Mushen is the son of Mrs. Samuel Mushen Sr., and the brother of S. A. Mushen of High street, Klamath Falls. At the present time he is located in Newfoundland with American forces. He was a member of the officers' reserve at Oregon State college from which school he was graduated in 1934. He was called up before Pearl Harbor and at that time was making his home in San Francisco. Lt.-Col. Mushen has visited here frequently.

On Furlough — Pvt. Elizabeth G. Sanders, member of the WAC, is arriving Saturday evening from Fort Des Moines, Ia., on a 10-day furlough. She will be joined in Portland by her daughter, Betty Jean Sanders and Waynette McCoy, both of whom are student nurses at Good Samaritan hospital, and the three will continue to Klamath Falls. They will visit with Mrs. Sanders' father, "Back" Grigsby and family.

Visitors—Dale Davis, 15-year-old son of Mr. and Mrs. Allen Davis, 1802 Manzanita, is now able to have visitors for a few minutes each day. The boy is a patient at Klamath Valley hospital and on April 19 suffered serious injuries when struck by a car while riding his bicycle. Dale has had major surgery on one leg.

New Manager—Sam Neslin of Marshfield, formerly of Klamath Falls, has returned here to take over the management of the Oregon Woolen store, 800 Main. Max Druxman, former manager, has returned to his home in Portland with Mrs. Druxman and their children. He plans to go into business there.

On Vacation — Bob McCambridge, assistant Klamath county agricultural agent, is on vacation from his duties. McCambridge left for Winnemucca, Nev., to enjoy a family reunion with his mother and two brothers at the ranch home of one of the boys. One brother expects to leave for overseas duty immediately.

Look at 'Hoppers—C. A. Henderson, Klamath county agricultural agent, accompanied by Wendell Ginther, war foods assistant of the Oregon state extension service working in Klamath county, left early Friday morning for upper Klamath marsh to investigate the grasshopper hatching situation.

Eagles Installation—Aerie No. 2090 and auxiliary of the FOE will hold a joint installation Friday at 8 p. m. in the FOE hall. The meeting is for members only. No children will be allowed. Refreshments and dancing will follow the installation ceremonies.

Attend Services — A number of out-of-town residents attended final rites for Judge Levi Walker of Chiloquin on Wednesday. George and John DuVall of Chiloquin, Rev. Asa Miller of that community and Clayton Kirk, Patrick Jackson and his mother, all were present.

Girl Scout Leaders — The meeting of Girl Scout leaders, which was to have been an outdoor meeting at Moore park, will instead be held this Thursday at the home of Mrs. Paul Buck of Wocus. It will start at 10 a. m.

At Beach — Shirley Frances Mattoon, daughter of Mr. and Mrs. Dale Mattoon of the Keno highway, is spending several weeks visiting her grandparents, Mr. and Mrs. O. Mattoon of Portland. At the present time they are at Newport enjoying a holiday at the beach.

Minor Surgery—Mrs. Herbert Boettcher, 455 Michigan, submitted to minor surgery at the McAtee clinic Wednesday morning. She is convalescing at her home.

7500 Poppies—Not Dollars—By an error in reporting, this newspaper said the other day that the 1944 VFW Buddy Poppy sale in Klamath reached a total of $7500. It should have been 7500 poppies—not dollars. This total was materially above any preceding year. At their regular post meeting tonight, the Veterans of Foreign Wars will hear reports of the poppy sales, along with other business.

From Arkansas— Corporal William Hagelstein, Jr., is here on a 15-day furlough visiting his parents, Mr. and Mrs. Hagelstein of Dorris and Klamath Falls.

EVERYBODY LIKES FRESH BERRY JAM

Save Sugar and Berries with This Easy Recipe

6 Cups Ground Berries (Any Variety)
8½ Cups Sugar
1 Package M.C.P. Pectin

Wash, stem and grind 3 quarts fully ripe berries, or crush completely one layer at a time so that each berry is reduced to pulp. Measure exactly 6 level cups crushed berries, (add water to fill out last cup, if necessary), into a large kettle. Add M.C.P. Pectin, stir well and bring to a boil, stirring constantly. NOW, add the sugar (which has been previously measured), mix well and bring to a full rolling boil. BOIL EXACTLY 4 MINUTES. Remove from fire, let boil subside, stir and skim by turns for 5 minutes. Pour into sterilized jars, allowing ½-inch space for sealing with fresh paraffin. (NOTE: For Strawberry Jam, add ¼ cup lemon juice to each 6 cups crushed berries.)

SAFEWAY Homemakers' Guide

Bringing you your favorite brands of the world's finest tea, at worthwhile savings. No better teas packed.

Place one level teaspoonful of tea for each cup into an earthenware or china pot which has been heated with a little hot water. Pour vigorously boiling water over the leaves. Allow it to brew for a full five minutes. Then pour off the liquor and discard the leaves. Sugar and milk or cream should be placed in the cup in that order before the tea is poured. The extra spoonful of tea "for the pot" can be saved as a wartime economy. With careful use one pound of tea will usually make 175-200 cups.

For iced tea the brew should be stronger to allow for the additional water from melting ice.
