

# THIS CURIOUS WORLD

**AFTER THE WAR**  
SCIENCE WILL MAKE MANY IMPROVEMENTS  
IN OUR LIVING....LET'S HOPE IT DOESN'T  
TRY TO IMPROVE *EVERYTHING*.

COLORED SHAFTS OF LIGHT  
FROM THESE BEACONS GIVE  
YOU BRILLIANT SUNSETS  
EVEN ON CLOUDY DAYS.

WHY SHOULD  
OLD FAITHFUL  
SPOUT WHEN  
NO ONE SEES  
IT? NOW IT  
TURNS ON  
ONLY WHEN  
ONE WALKS IN  
FRONT OF THIS  
ELECTRIC  
EYE.

IT FELT TOO  
STRAIGHT!  
WE GAVE IT  
A PERMANENT  
WAVE.

SMELL THOSE PINES?  
BY INJECTIONS INTO  
THE SAP STREAM, WE  
HAVE GIVEN THEM  
AN EAU DE COLOGNE  
FRAGRANCE.

BY THE USE OF  
SUPER-COLOSSAL SEARCH-  
LIGHT BEAMS, WE LIGHT  
THE DARK PORTION OF  
THE MOON, THUS MAKING  
IT FULL ALL MONTH.

**RIGHTERONG?**

## FRECKLES FRIENDS

THAT JITTERBUG STUFF  
LOOKS POSITIVELY INSANE,  
BUT I BET I COULD  
DO IT!

NOW, HENRY, DON'T  
MAKE A FOOL OF  
YOURSELF! YOU'RE  
NOT AS YOUNG AS  
YOU USED TO  
BE!

NONSENSE!

ATTA BOY, GRANDPA....  
SWING ON  
OUT!

POP, YOU'VE BEEN  
DOING THAT FOR AN  
HOUR! WE'VE GOT  
TO GO HOME!

OKAY, IF  
YOU INSIST!

GOSH, MOM, AREN'T  
YOU EVER GONNA  
**WAKE  
HIM?**

NO, FRECKLES...  
LET HIM  
FINISH OUT  
HIS SLEEP.  
HE WAS  
WORN OUT!

OH MIGOSH! LOOK  
WHAT TIME IT IS....  
I'LL BE LATE  
FOR WORK!

....AND I'D HAVE BEEN HERE  
EARLIER, K.F., BUT I HAD TO  
SOAK MY FEET! THEY WERE  
KILLING  
ME!

HENRY, DON'T  
YOU KNOW ENOUGH  
NOT TO JITTER-  
BUG AT YOUR  
AGE?

I GUESS I WANTED  
TO PROVE TO MY  
KIDS THAT I WAS  
STILL  
YOUNG!

WELL, JITTERBUGGING IS  
TOO VIOLENT FOR MEN  
OUR AGE.... AND I  
HOPE IT'S A LESSON  
TO YOU!

WOULD YOU MIND BRINGING  
ME SOME MORE  
HOT WATER?
