

Service Stripes Awarded in County

One of the proudest possessions of Red Cross workers is the service stripe indicating hours of work which have been given to this worthwhile service. Hours which have been sandwiched in between housekeeping, child care, cooking and dish washing.

Down in the basement of Red Cross headquarters where the surgical dressings project is going full blast, 10 cartons of four-by-four dressings and two cartons of two-by-two dressings are awaiting shipping instructions. In the four-by-four cartons there are 9000 dressings, and in the two-by-two cartons there are 30,000 each. Dressings equal many hours of work on the part of both men and women who have given as much time as possible to this project.

Following is a list of women in Klamath county who have given continuous work throughout 1943 and who have given more than 150 hours. They were awarded the coveted service stripe.

Beatty-Sprague River: Mrs. Emma Tompkins, Mrs. T. O. Wilson, Mrs. T. W. Yaden.

Fort Klamath: Zelma Drake, Jeanne Drake, Edna Orth, Harriett Zumbrum, Rose Noah and Cloe Denton.

Mills: Mrs. W. L. Larson, Mrs. G. E. Mathews, Mrs. E. L. Mitchell, Anna Shafer, Mrs. C. Smith, Mrs. Jim Young, Mrs. Oscar Young.

Shasta: Mrs. Earl Godding, Bonanza: Mrs. Sparretorn, Mrs. John Ross.

Altamont: Mrs. O. H. Campbell, Mrs. Verona Dahler, Mrs. C. E. Emerson, Mrs. J. E. Ferguson, Myrtle Meeker, Mrs. Ida Mathis, Mrs. B. M. Meggs, Mrs. Opal Richardson, Mrs. Ruth Thomas, Mrs. Alma Uppendahl, Mrs. Ada Willets.

Malin: Mrs. Haley, Helen Ottoman, Marie Ottoman, Georgia Oliver, Lea Street, Gertrude Johnson.

Merrill: Mrs. J. R. Blatch, Mrs. F. M. Cary, Mrs. Florence Denson, Mrs. W. F. Fruits.

In a list of those from the main workroom on Main street, the name of Mrs. Alex McLean was omitted. Mrs. McLean, who lives in the Weyerhaeuser district, is one of the project's most faithful workers and received her stripe some time ago. We regret that Mrs. McLean's name was not on the proper list.

To the men and women whose main interest these trying days of the invasion is the surgical dressings project, it will interest them to learn that April's production was 4000 dressings over that of the month of March, and May's production was 3000 over that of April.

A cordial invitation is issued to all women of the county to go to their particular project center and take part in the surgical dressings program. Call the main workroom and they will tell you the unit nearest your home.

Beauty IS YOUR DUTY
By RITA WHISENANT
Licensed Cosmetologist

LAST week I talked about DuBarry preparations for home treatment of excessively oily skin and superficial blackheads... with the teenage girl particularly in mind. Almost as important as the preparations themselves is the way they are used, the frequency and thoroughness. For it simply won't do to start the treatment and not follow through, every day.

THE treatment falls into a three-step routine... cleansing first, firming or counteracting second, and protecting third. I can't emphasize the cleansing part often or loud enough. Thorough scrubbing with soap and water is called for in the morning. If the skin is very sensitive, however, our DuBarry Special Cleansing Cream (which is a liguifying cream and contains NO lubricating properties) will serve beautifully.

It will cleanse thoroughly and gently... and after removal with tissue should be followed with Skin Freshener. It should be applied with cotton to remove the last traces of cream and act as a gentle astringent. If make-up is used, it should ALWAYS be removed with Special Cleansing Cream, followed by Skin Freshener. Both the Cleansing Cream and the Skin Freshener are a dollar each.

THE other steps will be taken up another week, but the important thing, for a skin condition that suggests Acne, is to find out about it and DO something about it. One of the important things I learned, in studying to become a licensed cosmetologist, was that some serious conditions need a doctor's care. If you are in any doubt, I will be glad to advise you.

Club Hears Talk On Postwar Plans

"Our national economy will be strong if we as individuals have our affairs in order, and if our cities and states have their affairs in order," was the statement made by Mr. Mitchell, son, manager of the Klamath Falls branch of the First National bank, who was guest speaker at Monday night's dinner meeting of the Business and Professional Women's club at the Willard hotel. "Our Town and World Prosperity" was the program topic. Mr. Sabo, second vice president of the club, presided in the place of the president.

The speaker emphasized that local citizens will be in contact with and vitally interested in what happens right here, and that the first job of the post-war future will be insuring that the returning servicemen have the opportunity to return to jobs and financial security.

The second job, according to Mr. Tillotson, will be to have jobs available for unemployed labor when the industrial slacks hit the community, instead of throwing this surplus labor upon other already overburdened communities.

Third, the speaker urged turning attention to the refinement of our bulk agricultural and industrial commodities to provide more jobs. Other possibilities for the future listed by Mr. Tillotson included a rise in building activity, both public and private, an immense tourist trade, possible expansion of wholesale trade, development of commercial aviation.

Edna Kahl, editor of the KUHS Krater which won national recognition this past year, was also introduced by Mrs. Lawler and gave a short talk on the journalistic activities at the high school.

Stella Bowne, legislative chairman, reported on a meeting at which the county manager form of government was discussed. A bill making it possible for Oregon counties to revert to this form of government if they desire will be placed before voters of the state in November.

During a short business meeting, in charge of the president, Winnifred Gillen, it was announced that a total of \$14,150 had been contributed up to May 17 by BPW clubs to the federation's Chinese Nurses fund.

Ellen Up reported on plans for the Fifth War Loan, which is to be the largest financial enterprise ever undertaken in the history of the world. Klamath county's quota in this war will finance 32 minutes of war.

The club accepted the responsibility for the "Country Club" which is to be a feature of a bond drive, and Marjorie McLum was appointed chairman.

A meeting of the executive board will be held Monday evening, June 12, at the home of Edna Albrecht on Pacific terrace. Final meeting of the club for the fiscal year will be a potluck picnic to be held June 19. Arrangements are in charge of the recreation committee, headed by Marjorie McLum.

The next meeting will be the home of Ella Pastry, Roseway drive, on Tuesday, June 13.
