During the 'INVASION' Drive

OUR SHARE IN INVASION--
\$3,815,000
Klamath's Quota 5th War Loan

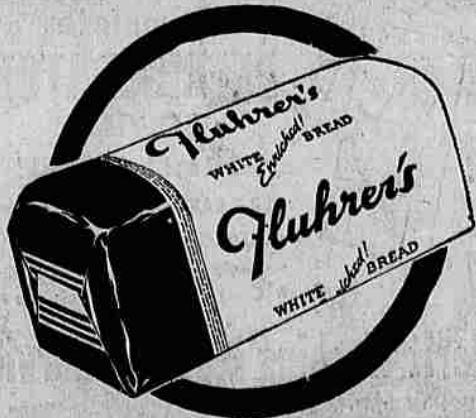

When 11,000 Allied planes thundered across the channel on the first day of history's biggest military undertaking, a minimum of 2,200,000 gallons of high octane gas was consumed. It's hard to imagine the cost of gasoline alone! Invasion, the world's costliest undertaking, must be financed with your Bond Dollars!
