## Treasury Representatives Hold Enthusiastic Meeting

This picture shows the local group of treasury representatives—war bond leaders in large employe groups—at a meeting held in the Pelican cafe party room to make plans for the Fifth War Loan drive. Charles Mack heads the treasury group, referred to by war bond leaders as the backbone of every war bond campaign. They lead the people who buy bonds regularly on payroll deduction.

## HOUSE SENDS G. I. BILL TO WHITE HOUSE

WASHINGTON, June 13 (AP)—Overwhelming house passage sent to the White House today the compromise version of the "G. I. bill of rights," a general veterans' benefits measure. The senate passed the bill yesterday, accepting a conference compromise to adjust differences between the senate and house.

As finally approved, the bill contains these major provisions: Unemployment compensation: \$20 weekly for a maximum of 52 weeks for veterans out of jobs in the first two years after their discharge, with creation of a job placement bureau within the United States employment service.

Education: One year of government-financed education in regularly established schools, including vocational training institutions, with the government paying a maximum of \$500 for tuition, and other fees and subsistence allowances of \$50 monthly for a veteran with no dependents and \$75 for those with dependents. In the case of a veteran who entered the service before he was 25, a complete four-year college education would be available provided the veteran qualified and made progress.

Financial assistance: Guarantee by the government of 50 per cent of private loans up to \$4,000 to help veterans establish themselves in business or purchase homes or farms. Interest would not exceed 4 per cent.

Any cash benefits received by a veteran under provisions of the legislation would be deducted from any bonus that might be voted later. The cost of the legislation has been estimated from \$3,000,000,000 to \$6,500,000,000.

## Grange Hears OSC Man Tell of China Farmer's Plight

GRANTS PASS, June 13 (AP)—The Oregon state grange continued its annual meeting today after hearing Dr. Ray G. Johnson, head of the Oregon State college animal husbandry department, describe the plight of China's farmers.

Eighty-five per cent of China's 430,000,000 people are farmers, he said, but starvation in some degree always is present. "Grain feeding is impossible," he added. "This means animal production must be based upon use of waste by-products of milling or distilling, or upon grass grown where primary food crops cannot be grown."

## Chamber Requests Road Information

Fishing information and data on the condition of roads leading to lakes and streams would be very much appreciated by the chamber of commerce.

The chamber is constantly receiving calls from servicemen and others requesting fishing and road information and reports from Klamath fishermen who have already tried the various places would be of great help.

## MEN AND WOMEN IN SERVICE

AN EIGHTH AAF FIGHTER STATION, England—2nd Lieut. Harry Johnson Jr., 23, of Klamath Falls, Ore., is now a P-38 fighter pilot escorting England-based U. S. heavy bombers on daylight missions to Germany and Nazi-occupied Europe.

He has been assigned to the Lightning group commanded by Col. Roy W. Osborn, San Antonio, Tex.

Lt. Johnson received his wings and commission at Williams field, Ariz., on November 3, 1943. He took primary training at Oxnard, and basic at Lancaster, both in California.

A graduate of Klamath Union high school, he attended Oregon State college for three years, entering the service in January, 1943.

His wife, Rosemary Sloan Johnson, daughter of Mr. and Mrs. Allen Sloan of this city, is now a student at the University of Oregon at Eugene. Lt. Johnson is the son of Mr. and Mrs. Harry Johnson Sr., of Pelican City. He has one sister, Mrs. Christine Gardner.

**KEARNS, Utah**—Private Erdis L. Smith, 29, of 419 Delta, Klamath Falls, is now stationed at this overseas replacement depot, it is announced by the public relations office.

He has been in the army air forces since February, 1943, and was previously stationed at San Francisco.

The son of Mr. and Mrs. William S. Thexton of route 1, Philip A. Thexton, is a marine. Thexton selected the leatherneck corps following acceptance in his pre-induction examination and left for the San Diego "boot camp" June 8, immediately following his enlistment.

Private Thexton's wife and three children will reside in Portland while he is in the service.

Cadet Elmer L. Birk, son of Mr. and Mrs. Lawrence Birk of route 2, box 697, has been awarded the commandant's ribbon for the third successive time and the scholarship ribbon for the seventh successive time at the Brown Military academy at Pacific Beach, Calif.

Cadet Birk is a line sergeant of Company B, and has been at the military academy since September, 1943.

**MALIN**—Word has been received here that Sgt. Donald Ratliff, son of Mr. and Mrs. Jack Ratliff, Malin, has arrived in the Hawaiian Islands. Young Ratliff, a graduate of the Malin high school and student at Oregon State when he entered the army air corps, is a gunner and armorer on a B-24 Liberator. He completed his combat training at Muroc field near Los Angeles and was home on a brief furlough before leaving for active duty.

## DR. HUGH GRANT TO SPEAK TO CLUB

Dr. Hugh G. Grant, vocational rehabilitation officer for Oregon, Veterans Administration, will be main speaker at this week's Rotary luncheon on Friday, June 16.

Grant is connected with the development of a state program of vocational training for the seriously disabled veterans of World War II, and he will speak on this training program.

The speaker was formerly United States minister to Albania, having been in charge of the American legation in that country when Mussolini attacked and occupied Albania in 1939. He was United States minister to Siam during the war between Siam and French Indo-China and the Japanese penetration of that area. Grant has had considerable experience in the veteran's vocational training program, having been engaged in that type of work following World War I.

W. E. Lamm will be chairman of the day this Friday. Friday of next week, June 23, the Rotarians will hold an inter-club meeting with the Lions and Kiwanis clubs to hear Marshall Dana speak.

## Nazi Trains Run On Time Despite Bombs, Says Allen

NEW YORK, June 13 (AP)—Larry Allen, Associated Press correspondent repatriated last week after 20 months in Italian and German prison camps, said today that despite allied bombings, German trains "were running on time... and just as regularly as they do from Grand Central station."

In an interview from the Statue of Liberty, in connection with the Fifth War Loan drive and broadcast by the National Broadcasting company throughout the country, Allen said the official slogan of the Nazi party was "Freiheit und Brod" (Freedom and bread).

## BICYCLE TRIP ARRANGED FOR ENTHUSIASTS

Any boy or girl who enjoys bicycling is invited to go on the bicycle trip which has been arranged for Wednesday, June 14, by Dave Bridge, city recreation director. The group will leave from Klamath Union high school at 1 p. m. All are welcome.

The physical education and the arts and crafts divisions of the summer recreation program opened June 12 at the Mills and high school centers. There were 125 children registered at the high school on the opening day, and 77 at Mills school.

At the high school, Ruth Hale will act as arts and crafts instructor, and Evelyn Hudson as physical education director.

The Mills school center will feature only physical activities, which will be handled by Oretta Hudson.

The swimming classes, which have been underway for the past two weeks, will for the rest of the summer be under the direction of Joe Peak, head of physical education for the city schools, and Lillian Redkey, well-known physical education teacher in the city school system.

A count made at noon Monday of the number registered for the swimming classes showed that 382 have registered for the classes which are being held on Monday, Wednesday and Friday of this week, and that 572 have been at the Tuesday-Thursday classes of this week, making a total of 954 in the two divisions.

## Committee Votes For American Wool

WASHINGTON, June 13 (AP)—The senate appropriations committee voted today to require that wools distributed to foreign countries under the United Nations relief and rehabilitation administration be American grown.

As passed by the house, the UNRRA and lend-lease appropriations bill provided for \$21,700,000 to be spent in purchasing 61,700,000 pounds of government-owned wools. The measure made no distinction between the foreign wools stockpile owned by the Defense Supplies corporation and that of domestic wools owned by the Commodity Credit corporation.
