Have you been down to Cal-... Ore on a Wednesday night re-... cently? ... There's always a... good crowd. ... And excite-... ment. ... And fun, of course. ... Just as there has been for... years!

Long's
Have you seen the new... "gored" "swing skirts" at... Long's? ... They're un-... usual particularly because... they have cute slit pock-... ets, trimmed vertically... with self-ruffles that give an... apron effect. ... A darling... "young" touch. These new... skirts are made of non-erushable... strutter cloth. ... And come in that gorgeous... melon shade, red, luggage... brown and navy. ... And cost... only \$4.95. Long's has just received... also, an shipment of sheer blouses. ... One kind has the new, low... rounded neckline with ruffles... for an extra feminine touch. ... Beautifully sheer, in white, with... short sleeves. ... At \$5.95. And there are some of the... darlinest white sheers with... blue or red peasant-effect in-... serts. ... They're simply dar-... ling, really. The short-sleeved ones are... \$4.95, and those with long... sleeves are a dollar more. Long's... is at 719 Main Street.

Moe's
A LOT of new neckwear has... arrived at Moe's. ... Dick-... ies and collars of every de-... scription, just about. ... Frilly things to make you... look more dressed up (or... feminine), and plain things for... the times you want to be trim-... ly tailored. The dickies come in V-necks... and round necks, with frilly... jabots or doo-dads, or tailored. ... In white, pink and pastel... blue, and a few in red and... white. ... At various prices... from \$1.25 to \$3.95. The collars come in the... square neckline in addition to... round and V-necks. ... They... are available only in white, but... there's one to fit every kind of... dress or whatever you want to... wear a collar with. ... Fussy... ones, dainty ones, unusual ones... and severely tailored ones. ... In organdy, pique, sharkskin, lace, and everything else that... collars are made of. They're on the main floor, and a lot... are displayed on a table. ... So you can find them... easily. And Moe's, in case you don't... know, is found at 512 Main... Street.

Whytal's
I'VE been reading about the... big success manufacturers... have achieved with new... methods of making prints. ... But I didn't realize the... difference until I saw the... recent arrivals in print dresses... at Whytal's. The printed mesh dresses are... worth making a special trip for. ... And I can't say less for the... printed jerseys and crepes that... have just come in the store. All... the prints come in the new... lovely pastel shades. ... And there are styles and sizes... for every kind of figure. The... belted and separate belts. ... Gored skirts and slim, straight... skirts. ... And one attractive... model that is buttoned down... from the underarm clear down... the side to the hem. Whytal's has a good selection... of unusual sheers, too. ... In... all sizes. There is one model in a sheer... print with a cascading jabot of... the same material. ... A 2-... piece item that looks and is... worth every bit of the \$25 it... costs. Another model comes in an... individualistic sheer that has a... crocodile look. ... A stunning... dress in solid pastels, with a... figure-flattering skirt, at \$22.50. Whytal's is at the corner of... Main and Ninth Streets.

Whytal's
New people in the Klamath... country are wondering, of... course, when Spring is going to... come. ... Although all us old-... timers have been telling them... that we don't actually have a... Spring season except in little... dabs. ... But won't they be... tickled about our Fall, that... long Indian Summer that we... all adore here!
