

LUMBER USE CONTROL GOES INTO EFFECT

WASHINGTON, June 23 (AP)—Blanket controls over all use of lumber—even small amounts for householders to construct kitchen shelves or a bookcase—have been ordered by the war production board to go into effect August 1.

The new controls cancel most restrictions now determined by types of wood and apply to all lumber except that produced by a farmer from his own woodlot.

Philip Boyd, director of the WPB lumber and lumber products division, said quarterly consumer quotas will be assigned to manufacturing, distributing and other bulk consumers. Production will be made for allowing lumber to purchasers of small amounts and, in no case, Boyd asserted, will the new controls completely eliminate manufacturing or transport of particular products.

First quota purchase authorizations will be sent out from Washington beginning today, Boyd said.

Termination of the controls, he declared, will depend upon the success and rate of advancement of our invasion forces. Extension of the controls will be necessary for temporary military rehabilitation of the captured areas.

For instance, he said, when Cherbourg is captured, some 500 to 1000 carloads of lumber will be needed to reconstruct necessary establishments.

Langell Valley

Word was received here recently that Junior Nork returned from Portland where he passed his physical and expects to be called into a training camp soon.

The county construction crew is still working here between the Freuer and Lasky ranches. Dale Van Meter is spending a few days here at the home of his grandparents and uncle. MEAT PRODUCTION HITS NEW HIGH

CHICAGO, June 23 (AP)—R. C. Polock, general manager of the national live stock and meat board, said today 1944 meat production would exceed that of 1943 by more than a billion pounds because of a wartime step-up in output "at a rate never before equaled in our history."

In a report to the annual meeting of the board, which claims to represent all branches of the livestock and meat industry, Polock said in the first five months of this year the number of cattle slaughtered under federal inspection was 21 per cent more than in the same months a year ago. Hog slaughter was 46 per cent greater and sheep and lamb slaughter 3 per cent greater.

He said 1943 was the fourth consecutive year of record production and an average of approximately 30 per cent more meat was produced annually in the three-year period 1941-1943, than was produced as an average annually in the previous 10-year period, 1931-1940.

Polock said the armed forces would use more than 4,000,000,000 pounds of meat this year, the average serviceman consuming about twice as much meat as is consumed per person in the United States as a whole.

Official figures on lend-lease, he added, show that since the beginning of these shipments early in 1941 and up to May 1, 1944, nearly 5,000,000,000 pounds of meat have been shipped to allies.

Spain May Cause Another War, Warns Idaho Governor

BOISE, Idaho, June 23 (AP)—Gov. C. A. Bottolfsen declared last night the Spain looms as a potential force likely to cause another World war, and described communism as a foreign "juggernaut that bristles with machine guns and is driven by a dictator answerable to no one but himself."

"The crushing blow to Germany may come at any moment," he told the Idaho United States Spanish war veterans. "Then we will be faced with the enormous task and responsibility of building a permanent peace."

The Rev. Arasmus E. Smith, Oregon department commander, also spoke.

Fort Klamath

Mr. and Mrs. Harold Bevan of Klamath Falls visited here last Monday at the home of her parents, Mr. and Mrs. E. D. Briscoe.

Mr. and Mrs. John Palmer and family have moved to Klamath Falls, where Palmer is employed in logging operations of the Weyerhaeuser Timber company. He formerly worked here for the Big Lakes Box company.

Bonanza

The many friends of the Philpotts in this community wish to extend their sincere sympathy to Mrs. Philpott and her family in the death of the husband and father, James Philpott. Mr. and Mrs. Philpott were residents of this community for over 30 years.

Mrs. Don Carlisle of Maryville, Calif., called home by the death of her father, James Philpott, is spending a few weeks here with her mother before returning to Marysville.

Dolores Maxwell is spending her summer vacation visiting with her grandparents, Mr. and Mrs. Sy Pool of Wedgewood, Calif., and her aunts, Mrs. Sidney Lyon of Susanville, Calif., and Mrs. Jerry Dyer of Redding, Calif.

Elda and Viola Ayres, daughters of Mr. and Mrs. E. Ayres, have returned home from a three weeks' visit in Bonnevillie.

Mr. and Mrs. Dave Turner of San Francisco have spent the past week visiting at the home of Mr. and Mrs. Owen Pepple of Bonanza. Mr. and Mrs. Turner lived in Langell Valley for a number of years.

The Bonanza Home Extension unit met Tuesday at the home of Mrs. Irene Hartley, with a large attendance. Mrs. Winifred Gillen spoke on the causes of spoilage of home canned fruits and vegetables, and demonstrated various methods of canning.

The Bonanza Women's club met Tuesday evening at the Library club house.

Little Cross Carl, son of Mr. and Mrs. Norvel Carl is reported to be recovered from the mumps.

Mrs. Everett Sparks is being employed part time at Bill's place.

Mr. and Mrs. Chester Grounds have moved back to Bonanza and are living in the Fred Hilton house.

Mrs. Olen Lebow has been visiting relatives and friends near San Francisco during the past week.

C. E. Evers returned from Portland Friday. He was there for two weeks for medical attention.

OFFICERS ELECTED AT DAV CONVENTION

ROSEBURG, June 23 (AP)—M. E. Woodcock, Corvallis, will head the Disabled American Veterans of Oregon this ensuing year.

He was elected state commander at the close of the annual convention late yesterday. Roy O. Young, Roseburg, was chosen senior vice-commander; Oren M. Clark, Penclenton, junior vice-commander; Dorr Quayle, Portland, treasurer; Levi White, Roseburg, chaplain.

The women's auxiliary elected Eunice Farris of Grants Pass commander; Orpha Egus, Portland, senior vice-commander; Alice Tepoit, Newport, junior commander; Adeline Grissom, Medford, treasurer; Bessie Eggers, Grants Pass, adjutant; Elizabeth Stedman, Portland, chaplain; Josephine Ostrander, Salem, sergeant-at-arms.

Delegates voted to support Ed Gavin of Portland for national commander.

They protested the practice of permitting conscientious objectors to leave camp for civilian employment. Objectors work with the forest service and other civilian occupations, "coming and going of their own free will" and are paid normal wages, the resolution stated.

NEW PINE CREEK

The East Side Grange will give a bond benefit dance on July 1 at the Grange hall. The aim of the organization in giving the dance, as decided at one of its largest meetings of the year held last Saturday evening, is to buy two \$100 bonds, one in Lake and one in Modoc.

Lady grangers are requested to bring sandwiches and salads. Committee members have been chosen and plans have been pretty well laid to make the affair successful.

At its last meeting the Grange also decided to sponsor a huge July 4 community picnic up Pine Creek canyon at which all the surrounding Granges will be invited. Special invitations will be sent to West Side, Thomas Creek, Davis Creek and Bidwell Granges. A musical program, races and games have been planned for the occasion. Individual members who have appropriate Fourth of July decorations are asked to bring them so decorative effects can speedily be erected.

After almost a year of negotiations the Crane Creek Lumber company has signed a working agreement with Local No. 2704 of the Lumbermen and Sawmill Worker's union of the AFL. It was disclosed last Saturday by James E. St. Clair, secretary of the organization.

Vacations with pay and other advantages not heretofore enjoyed by the workers has been gained by the negotiations, Mr. St. Clair revealed, and also added that the matter of seniority which has been one of the largest factors in the losing of good men at the plant, has been adjusted here.

The Home Economics club met last Thursday afternoon at the Grange hall with Mrs. Ella Oliver as hostess. Six members were present and one guest, Genevieve Barry. Jello, whipped cream, cookies and coffee were served. A new quilt was put in to work. Mrs. Frank Alexander, president of the club asked each grange lady member to make a silk crazy quilt block 12x12 for another bazaar quilt.

Ensign Lloyd Snider arrived last Monday evening a week ago, from Tucson, Ariz., where he has about two more months of schooling, in a naval training academy there. He was guest at the East Side Grange social hour last Saturday evening. He had a week's furlough here.

A seven pound baby boy was born to Mr. and Mrs. John Snider at the Alturas hospital on June 14. His name is Gary Lynn. Corvin Vinyard has lost a few days work this last week at his shop because of a mishap while operating his drill. The drill caught his hand in such a manner as to throw it into a steel frame cutting the back of his hand quite severely, necessitating two or three stitches to be taken in it.

John Tilson and family returned last Friday from Nashville, North Carolina, where they spent about six weeks visiting relatives.

Mr. and Mrs. James Vincent were called to Medford Saturday.

INJURED BOY HAS LEG AMPUTATED

Dale Davis, 16, who has been in the hospital ever since he was involved in a bicycle-automobile accident near the high school two months ago, Thursday underwent an operation for the amputation of his right leg.

Dale will not be able to have visitors for the next week or so, but after that he would enjoy having callers.

The young boy is the son of Mr. and Mrs. A. H. Davis of 1802 Manzanita. He is at Klamath Valley hospital.

Grenades Okayed Electrically

Electric eyes now check hand grenades on the assembly line at the rate of 4000 per hour. When a defective unit appears on the conveyor, the mechanism rings a bell, applies a dab of paint to the faulty grenade, and makes a mark on a chart.

ANTI-TRUST BILL APPROVED BY HOUSE

WASHINGTON, June 23 (AP)—The house overwhelmingly approved today legislation designed to remove insurance companies from the scope of the anti-trust laws despite a supreme court decision defining the industry as interstate in character.

The vote was 283 to 54.

The measure cannot be brought to completion however until congress returns from the projected summer recess because the senate judiciary committee voted earlier today to hold off action.

Chairman Sumners (D-Tex.) of the house judiciary committee asserted that the recent supreme court decision puts the insurance business in "an ugly position," and it was necessary for congress to affirm what he called the "historic" position of this multi-billion-dollar industry.
