Game Board Decides Hunt Dates, Shifts Elk Season

Antelope Period Set Sept. 24 to Oct. 7; Pheasant, Quail Regulations Decided

PORTLAND, June 26 (AP)—The elk season will be from November 1 to 30 instead of November 4 to 30 as tentatively scheduled earlier this month, the state game commission said in announcing 1944 hunting seasons on game birds and confirming the dates for deer and antelope.

As the deer season runs from October 1 through October 31, hunters going out late in the month may bag an elk on the same trip. It was this that eastern Oregon sportsmen sought to prohibit in urging the later opening date on elk. They contended a hunter can't properly care for more than one animal.

Bull elk may be killed only from November 1 to 14 in Curry and Tillamook counties.

Antelope may be hunted September 24 to October 7 except in two closed areas—the Drakes Flat district and the Millican-Fort Rock-Wagontire region.

Commission Confirms No Doe Stand

A final burst of opposition fire proved unavailing, and the Oregon fish and game commission in session last weekend stood by its decision to confine 1944 legal deer shooting to the male of the species.

The Oregon Horse and Cattle Raisers association, the Oregon Woolgrowers association, and the Lake County Pomona grange filed letters with the commission objecting to its previously announced decision against a doe season this year in the Klamath-Lake mule deer area.

Local organizations which had conducted a long campaign to prevent a doe season were represented at the session, and the commission decided against changing its position on the matter.

The local groups opposed any compromise on the question, pointing out there was no compromise last year when 6000 doe tags were issued against local opposition.

U. S. forest sservice is understood to be favorable to a doe season in the Klamath-Lake area.

Hogan Threatens Byrd's Title

CHICAGO, June 26 (AP) — If Defending Champion Sammy Byrd wants to single out a prospective trouble-maker in the high-voltaged Chicago Victory National Golf championships at the Edgewater course this week, he can start with Lt. Ben Hogan of the army air force.

Hogan, stationed at Fort Worth, Tex., army air field, will pack five days of championship golf starting Wednesday into a regular military leave—and woe to Byrd if Ben recovers his title-winning form of the 1942 Hale America Open, his last major competition.

But Byrd may have much more to worry about than Lt. Hogan's comeback try as 50 of the nation's leading pros square away Friday in 72-hole medal play for the Victory National crown and top prize of $3000 in victory bonds.

Including amateurs, a contingent of 160 swingers will be on hand for the meet which gets underway Wednesday with a pro-amateur, pro-lady and pro-senior flight, a 36-hole feature lasting through Thursday.

State Net Tourney To Draw Leaders

PORTLAND, June 26 (AP) — The annual Oregon state tennis tournaments here July 2 will draw some of the northwest's leading players, officials said today.

Cpl. Allan Carvel, Portland air base, will defend the men's singles title he won last year. Daphne Bucknell, Berkeley, is expected to seek her fourth consecutive women's singles crown.

Michigan to Seek College Golf Title

TOLEDO, O., June 26 (AP)—The University of Michigan, which narrowly missed scoring a grand slam in the Big Ten's sports championships during the past school year, was a heavy favorite today to add the National Intercollegiate Golf title to its already overflowing trophy case.

This wartime title, however, will lack some of the impressiveness of those of pre-Pearl Harbor days. Only about 50 players were on hand for the opening of the 1944 meet and among the missing schools were Yale, Princeton, Harvard, Stanford and Louisiana State. These five have accounted for almost all of the past national team titles.

Today's program called for approximately 50 entrants to battle their way around the Iverness Country club's 6,558-yard, par 71 layout in an 18-hole qualifying round during the forenoon, with the 32 low scorers qualifying for match play, beginning in the afternoon.

Two 18-hole match play rounds are listed for tomorrow and Wednesday, the last one deciding the 1944 individual champion.

One of the ironic features of the tournament was the fact Walter Ulrich, the 1943 individual champion, will be less than two miles away from the scene of action but won't be able to defend his title.

Ulrich won last year while competing for Carleton college of Northfield, Minn. No he's an an army airforce student at the University of Toledo, but his classroom work is too heavy to permit him to enter the tournament.

Yale won the 1943 team championship.

Eight 20 Game Winners Possible in Big Leagues

Walters May Take 30 Tilts; Munger Wins Ten, Loses Only One

By JOE REICHLER
Associated Press Sports Writer

It looks like there may be at least eight 20-game winning pitchers in the Major leagues this year. It is even possible that one, Bucky Walters of the Cincinnati Reds, may become the first hurler in 10 years to win 30 victories in one season.

According to the ratio of their games won and the number of games played by their respective teams, Walters should just hit the 30 mark and George Munger of the St. Louis Cardinals, Bill Voiselle of the New York Giants, Rip Sewell of the Pittsburgh Pirates, Hank Borowy of the New York Yankees, Tex Hughson of the Boston Red Sox, Hal Newhouser of the Detroit Tigers and Bill Dietrich of the Chicago White Sox should gain at least 20 triumphs.

Of the eight, only Sewell reached that total last year, although Walters and Hughson have notched 20 victories before. Voiselle, the only first year man in the group, may become the first Giant rookie pitcher to win 20 games since Cliff Melton in 1937.

Not since 1934 has a pitcher notched 30 victories. Dizzy Dean reached that figure in pitching the St. Louis Cards to a pennant, and a world championship over the Detroit Tigers in the fall classic.

The Majors haven't had eight 20-game winners since 1939, when Walters, Paul Derringer, Curt Davis and Luke Hamlin in the National and Bobby Feller, Charlie Ruffing, Dutch Leonard and Buck Newsom in the American league schieved that total.

Walters gained his 12th triumph yesterday, as the Reds won the first game of a double header from Chicago 4-3. Claude Passeau of the Cubs, blanked the Reds in the nightcap, 5-0.

Munger won his 10th game against only one defeat, as the Cards won the opener from the Pirates, 2-1. Sewell failed to win his 10th, bowing to his younger rival. A two-run homer by Spud Davis in the ninth gave the Bucs a 5-5 tie in the final, halted by curfew at 6:50 p. m.

Voiselle gained an even split for the Giants, 4-1, limiting Boston to three hits in the second game, after the Braves had grabbed the first contest, 5-1. The victory was the young right-hander's 10th against eight losses.

Borowy eased out a close 4-3 decision for his 10th win as the Yankees swept a twin bill from Philadelphia. Ernie Bonham, after three weeks of idleness due to a strained side, piched a 5-2 victory in the second game.

Newhouser was stymied in an attempt to register his 11th success, as the league leading St. Louis Browns swept two games from the Tigers, 5-4 and 11 innings, and 5-2. Milt Byrnes doubled the winning run home in the 10th of the opener.

Dietrich hurled a seven hit shutout to earn his ninth victory as the White Sox won two from Cleveland, 11-0 and 4-3. Thurman Tooker homered with one on to decide the second contest.

After losing the first game 5-4, the Red Sox with Tex Hughson gaining his 10th triumph against three defeats, came back to shut out Washington, 4-0, in the nightcap. Hughson yielded only three hits.

Brooklyn swept a four-game series from the Philadelphia Phillies, by taking both games of a twin-bill, 4-1 and 2-1 in 10 innings.

Haeg Sets 2-Mile Mark

STOCKHOLM, June 26 (AP)—Gunder Haegg is up to his old tricks—breaking records.

In his first race of the 1944 season the Swedish track star yesterday set a new world mark of 8:46.4 for the two-mile run. In covering the long grind at Oestersund the galloping Swede did the first 400 meters in 59.5 seconds; the 800 meters in 2:06 and the 1500-meters in 4:01.

The long smooth striding Gavle fireman, who swept all before him in a triumphant tour of the United States last summer, thus shattered his own world mark of 8:47.8 set on July 3, 1942, at Stockholm. His new time compares with the American outdoor mark of 8:51.3 that he made at Cincinnati last August 7.

Haegg's performance indicates that he is in top form for his meeting on Wednesday with Arne Andersson, a fellow countryman, in the 1500-meters. Andersson, who set the world marks of 4:02.6 for the mile and 3:45 for the 1500 while Haegg was in the United States, was beaten by Sven Malmberg in the 1000 meters two weeks ago in his first start of the year.

It will be the first meeting between Haegg and Andersson in two years. The latter, a school teacher, has always run second to the fireman, although Haegg's best listed time for the mile is 4:04.6 and 3:45.8 for the 1500 meters.

Game Commission to Stock Deschutes Country After War

BEND, June 26 (AP)—One of the state fish and game commission's postwar projects will be the wholesale stocking of streams and lakes in the trout-famous Deschutes country, announced Supervisor Frank B. Wire.

Stocking of waters of the eastern Cascades and Paulines has been limited by gasoline shortages, he said. Some planting now is under way in the Metolius river area, he said, and will be extended to the Eight lakes basin and Elk lake regions.

The Fall River hatchery will be reopened in the fall, he added.

Seven Clubs Almost Tied On Coast

Three and One-Half Games Separate Leading Seals From Four Fourth Placers

By The Associated Press

Seven Pacific Coast league baseball teams were grouped so closely today that any one of them could be in first position by the end of this week's series.

Yesterday's doubleheaders saw Los Angeles move from seventh position into a four-way tie for fourth place with Seattle, Portland and Hollywood while Oakland moved from sixth to third and San Diego from fifth to second. Only three and one-half games separated the first place San Francisco Seals and the four fourth placers.

The Angels defeated Portland twice, 6-5, in the 10-inning opener and, 12-0, in the nightcap to take a five to two edge in the week's series.

The Oakland Acorns ran their winning streak to five straight with a double victory over the Seattle Rainiers. Oakland took the lead in the first inning of the opener and coasted in with a 5-2 win. In the nightcap the Acorns broke a fifth inning one-all tie with two runs and added three more in the sixth for a 6-2 edge. Seattle won only one game of the week's six.

San Diego was forced to go 10 innings to win the opener with the Hollywood Stars, 2-1, behind the two-hit pitching of Rex Cecil, then barely nosed out a 7-6 win in the eight-inning nightcap. The Padres won five of seven in the series.

League-leading San Francisco pounded out 12 hits off three Sacramento pitchers to win the opener, 10 to 1, but the Solons won the nightcap, 1-0, and took the series, five to two.

In Saturday's games Sacramento beat the Seals, 5-2, Los Angeles won over Portland, 8-2, Oakland took Seattle, 4-1, and Hollywood defeated the Angels, 7-3.

Segura Heavy Favorite for Net Tourney

CHICAGO, June 26 (AP)—The south and far west monopolize the seedings, but it's a cinch that defending champion Francisco Segura, the two-handed flailer from Miami (Fla.) university, will take personal charge of the singles competition in the national collegiate tennis tournament which opens today at Northwestern university.

Top-seeded Segura, fresh from triumphs in the national clay court championships at Detroit and the tri-state meet at Cincinnati, should make a romp of the singles battling which has attracted 42 contenders from 20 schools throughout the nation.

Rated second among six seeded performers is George Druliner of Pacific college, undefeated in 10 matches this season, who tops the lower bracket and is a good bet to keep pace with Segura into next Saturday's finals.

No. 3 is Harry Likas of Gonzaga, former Pacific coast junior champion, followed by Johnny Hickman of Texas, who teamed with Walt Driver to win the doubles last season, Nick Buzolich, lofty basketball star from George Pepperdine college (Los Angeles), and Joe Willett of Georgia Tech.

Segura's opening opponent is Dick Warner of the University of Utah, while Druliner encounters Texas' only other entry, Felix Kelley.

Olsen Pitches Four Hit Ball as Sailors Wham Out 11 to 4 Victory

About 2000 spectators saw the Klamath Naval Air station batter out a 11 to 4 victory over the powerful Camp White nine at Recreation park Sunday afternoon.

Jim Olsen pitched 6 2/3 innings of hitless ball and finished the game giving up only four hits although he and his mates made six errors. None of Camp White's runs were earned.

Thurston started on the mound for Camp White but he was knocked out of the box in a second inning splurge when the Navy scored six runs. Bergold took over and limited the Navy to four hits for the remainder of the game. He was not given much support as his mates committed nine errors.

Olsen who formerly pitched for the San Diego Padres struck out 12 men and gave up only two walks. Bergold fanned nine men and issued five free passes.

The big inning was number two with the Navy combining a walk, two Camp White errors, singles by Averill, Rickey, Cassidy, a double by Olsen, and a homer by former Yankee Fred Gay with two aboard, to score six tallies.

The size of the crowd and their enthusiasm prompted Navy and Camp White officials to promise future games with possibly an all-star group of players coming over from Medford instead of just the top team in their circuit. There was some talk that a team from the Marine Barracks might be organized as well as one from Camp Tulelake.

Sunday was an ideal day for baseball with the temperature climbing up past 70 and a light breeze blowing. The small boys had the time of their lives chasing the foul balls that went out of the park.
