

CLARE LUCE ASSAILS ROOSEVELT PLEDGES

CHICAGO, June 28 (AP)—Clare Boothe Luce, first woman invited to address a republican national convention in half a century, wants Americans to "think as Americans" and send the White House a man who put it—loves his country more than he loves power.

Dressed in dark blue with white plump, blonde braids framing her face, the slim politico-playwright orally dramatized last night the service "beyond price" of G. I. Joes and the deaths of "G. I. Jims."

Assailing what she termed Roosevelt administration promises "kept to their hearts," the freshman congresswoman from Connecticut declared republicans must choose a president who would justify "G. I. Jim's death" and prove it not useless.

"Jim has taken the rap for everyone, from the man in the White House down to the man in the little house around the corner," she said. "And it was O. K. with him if it gave good jobs a fresh start on life, liberty and the pursuit of happiness in a world wiped clean of Nazi marauders and Japanese spotters."

Democrats will be meeting here soon, she said, "not to choose a president, but to take Franklin Roosevelt and like it."

Labor Shortage May Slow Power Line Construction

TOLEDO, June 28 (AP)—A labor shortage may hold up construction of the proposed Bonneville power line from the Willamette valley into Lincoln county, Congressman James W. Holt said today. The line was proposed to eliminate danger of further power blackouts along the Oregon coast such as occurred several weeks ago.

SERVICES HELD

PORTLAND, June 28 (AP)—Funeral services will be held here today for Edward W. Barnes, Arlington hotel owner and timberman, who died Sunday. He helped develop much of the state's timber resources.

Shown in the front row from left to right at one of the three servicemen's waiting stations recently built and installed by the Knights of Columbus, are Pete Lesmeister, grand knight of the KC organization; Wally Hector, L. L. Lombard, Servicemen Don Davis, George Cannon, George Hunter, Lou Livingston, Thomas Hildebrand, Kenneth Carter, and State Deputy of the Knights of Columbus Otto Smith. In the back row, from left to right, are Servicemen David Frey and Harold Hendrickson and Mike Lavenick, KC's.

Waiting Stations Installed By KC's for Service Men

Three servicemen's waiting stations, one at each of the main highways leading out of town have been installed by the Knights of Columbus for the convenience of servicemen seeking rides.

Painted black and white, each station is 8 feet long and four feet deep and has an overhanging roof. They have a built-in bench so that the men can rest while waiting.

The KC organization hopes that servicemen will avail themselves of the facilities and that the motoring public will make it a point to stop at the various stations on their way out of town if they have room for one or more extra passengers.

One of the shelters is located on Main street beyond the Willard hotel, one is on South Sixth street near Park's grocery and the third is just at the city limits going north on highway 97.

The Knights of Columbus want to thank the following for donations of materials and working facilities: Karpine Plywood company, Kesterson Lumber company, Bert Igl of the Lorenz company and KUIS officials for the use of the manual training shop by KC's who did the actual building and installing of the stations.

'A' Card Owners To Wait For Tires

WASHINGTON, June 28 (AP)—Rationing Chief Charles F. Phillips of the office of price administration said today that new tires for "A" card motorists probably will not be available until early in 1945, rather than in the fall of this year "as it seemed a few weeks ago."

In an interview, Phillips explained that a huge backlog of applications has piled up since May 1 when all "B" card drivers were made eligible for new tires. He said demand was far greater than anticipated.

Collision Injures Six In Portland

PORTLAND, June 28 (AP)—A collision of a delivery truck and a Portland Traction company bus here sent six persons to the hospital yesterday.

Laverne E. Horton, 36, Woodburn, suffered severe shoulder and face injuries. Juanita Wilson, bus driver, was one of those less seriously injured.
