WE talk and talk of inflation in this country, but since nothing DRASTIC in that line has yet happened we're inclined to laugh it off as just somebody's fool idea.

Here's an illustration of what happens when inflation gets loose:

In 1938, the value of the Greek drachma was nine-tenths of one American cent. The U. S. cent is now worth 175,000 drachmas.

If you have a slide rule, you might try figuring out what that amounts to.

Courthouse Records

Marriages

McQUILLAN-MACE. John Vincent McQuillan, 26, U. S. navy. Native of Massachusetts, resident of Holyoke, Mass. Lorraine Amelia Mace, 22, shipyard worker. Native of California, resident of Long Beach, Calif.

70 Tons of Paper Netted In Junior Chamber Drive

The Junior chamber of commerce paper drive on Sunday netted 70 tons of paper vital to the war effort according to early reports. The total may climb even higher.

The 70 tons represents 140,000 pounds or two full carloads. The drive covered the whole city and suburban districts. Ten trucks were used to pick up the bundles.

The trucks were donated by the following business firms: Swift and company; Superior Troy Laundry; Balsiger Motor company; Consolidated Freightways; Bend - Portland Truck Service; J. W. Kerns; Safeway Stores Incorporated; Klamath Packing company and Conner's Service company.

Due to the vast amount of paper collected and short time in which it was collected, it is possible that a few bundles of paper were missed. Anybody who has paper that wasn't collected is asked to leave it on the curb in front of the Safeway store at Twelfth and Main either Monday or Tuesday.

Marvin Hixon, publicity director for the Junior chamber of commerce, said that he was very grateful for the fine cooperation shown by the citizens of Klamath Falls and the suburban area in helping put the drive over.

Mount Erapuca, in the Copal Zone of the Honduras, is sinking at an alarming rate. Agriculture on the sides of the mountain is being ruined and more than 650 acres of cornfields have disappeared.

Women, Children Evacuate London As Bombs Fall

(Continued from Page One)

tacks, cricket matches at Lord's, the greyhound racing tracks and other outdoor sporting events drew large crowds over the weekend. At White City track, spotters were mounted atop a 108-foot floodlight tower and alerts were sounded over a loudspeaker system.

Theatres Close

London's legitimate theatres, however, felt effects of the robot assaults, 13 of them closing Saturday night. Most of the remainder play to meager audiences.

The government, meanwhile, opened the first of eight deep shelters equipped with comfortable bunks to accommodate 8000 persons each. The shelters, 100 feet underground, have large canteens serving hot drinks and sandwiches, radios, hot and cold running water and large playgrounds for children. Admission is by ticket.

Acid Indigestion
Relieved in 5 minutes or double your money back
When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fastest-acting medicines known for symptomatic relief—medicines like those in Bell-ans Tablets. No laxative. Bell-ans brings comfort in a jiffy or return bottle to us for double money back. 25c.

ECONOMY DRIVING HINTS
for Owners of
PLYMOUTH • DODGE
DE SOTO • CHRYSLER
and all makes of Cars and Trucks

- Fast acceleration cuts gas mileage as much as 20-30 per cent. Accelerate gradually in first and second speeds.
- Quick starting and stopping wastes gas! Maintain even speed; anticipate traffic stops.
- Drive at moderate speeds; 20-30 M.P.H. is the most economical. On the highway, don't exceed 35 M.P.H.
- Under-inflated tires increase rolling resistance and tire wear! Check tire inflation weekly.
- Dragging brakes waste gas! Keep brakes properly adjusted. For safety, have them relined if necessary.
- Have your car lubricated regularly — make sure your oil filter is working efficiently. Replace if needed.
- Evaporation occurs faster in hot weather. Don't neglect the battery. Add water frequently as needed.
- A dirty or neglected cleaner impairs engine performance. Have the air-cleaner inspected and cleaned if necessary.
