WHAT USED CAR PRICE CEILINGS MEAN TO YOU

Price ceilings on used cars are a step in the right direction. But now, as always, price is no measure of the true value of the car.
Whose warranty stands back of it? Who reconditioned it? Has the dealer the necessary parts, the tools, the equipment, the trained mechanics when later repair is required? Will he, can he, stand back of it?
What was the condition, the rubber, the appearance of the car when it was turned over to you? Will it stand up? Will it deliver? Your investment is measured by those vital considerations. There can be no guess work about this. You must KNOW these facts. And it is here that dealer reputation becomes more important than the car itself.

YOU HAVE ONLY TO LOOK THEM OVER TO KNOW THAT HERE ARE USED CARS AT THEIR BEST

- ★ They Look Better
★ They Perform Better
★ They Last Longer
YES! Now more than ever, you want to know what you are getting for what you pay.
