Wakefield Hits Twice For Detroit

\$52,000 Former Tiger Aids In Slaughter of Cubs; Reds Lose Overtime Go to Cards

By JACK HAND (Associated Press Sports Writer)
Can Ted Williams, Joe DiMaggio, Bobby Feller, Johnny VanMunster and scores of other big leaguers in service pick up where they left off when they come marching home from war?
The question that has puzzled club owners and fans alike was partially answered yesterday when Dick Wakefield, recently "detached" from the navy's Iowa pre-flight school, stepped into a Detroit uniform and banged out two hits in the Tigers' 9-1 slaughter of Chicago.
Wakefield has not seen active service, and soon may be called away from the Tigers by the army, but a parallel can be drawn between him and others who have been much more distantly removed from big league pitching. Judging from first day impressions, it may not be so tough for the stars to resume their careers.
The \$52,000 dandy is out of the navy because the need for fliers apparently has decreased. He has been away from the big show for only half a year after hitting .316 and leading the league in total hits and doubles as a rookie. Others making a more violent change may find the readjustment more difficult.
Wakefield's two hits helped the Tigers rout Orval Grove with an eight-run spurt in the second as Paul "Dizzy" Trout coasted to his 11th win.
St. Louis held its 21-game margin in the American flag race by scoring three times in the tenth for a 4-1 victory in the second game after bowing to Cleveland, 6-5, in the opener of a two-night doubleheader. Chief Reynolds won and Al Smith lost for Cleveland, with Nels Potter getting the St. Louis victory and Sig Jakucki the defeat.
Boston and the New York Yankees divided two games as they opened a vital 6-game series. The Yanks took the first, 4-2, as Eddie Bonham outpitched Rookie Red Barrett with the help of Bud Metheny's two-run homer. Yank Terry scattered six New York blows in the finale after the Sox fopped on Atley Donald for four unearned runs in an 8-4 triumph.
Al Jurisich of the Cards got the nod over Jim Konstanty of the Reds in a tight 11-inning National league duel when Danny Lishwiler doubled home Walker Cooper for a 3-2 edge over Cincinnati.
Frank Colman's pinch triple enabled Pittsburgh to top Chicago, 3-2 for its fifth straight win no. 6 for ritz Oste-mueller. Hank Wyse was the loser.
The New York Giant-Philly night game was rained out, and Brooklyn-Boston in the National and Philadelphia-Washington in the American had open dates.

August Deadline For Cow Elk, Doe Hunting Tags

PORTLAND, July 14 (AP)—The state game commission warned today that applications for cow elk and doe deer hunting tags must be filed by August 1. Drawings will be held if applications outnumber the tags to be issued, the commission said.
Three thousand doe deer tags will be issued for the October 1-31 open season in a limited area of Grant and Baker counties. Five hundred tags are authorized for antlerless elk taken in the Wenaha area of northeastern Oregon from November 1-30; and 300 tags for doe deer and 200 for duck deer for an October 7-15 open season in the Hart mountain antelope refuge.
Antelope tags will be limited to 2500, the commission said, with no drawing to be held.

Mexico City Builds Sport Center Six Blocks Square

MEXICO CITY, July 14 (AP)—A sports city with an area of six square blocks and offering some of the newest wrinkles in athletic facilities—including a swimming pool with artificial waves—is being constructed here.
The center will include an arena with 14,000 seating capacity, where international fights will be held and where Mexico's first artificial ice will be installed. It will introduce a new sport here—ice skating and hockey.
There will be a new building accommodating 45,000 spectators and replacing the present one whose capacity is only 25,000.
There also will be a hall where international jai-alai, suspended here years ago, again will be played. This hall will accommodate 7000 spectators.
The largest spot will be a soccer football stadium holding 60,000 fans.
Other features: 122 tennis courts, the first public courts in the city; 50 bowling alleys, a large gymnasium, handball courts, a theater and restaurant. Underground parking spaces will be provided for automobiles.
The swimming pool will be three blocks long.

Naval Air Station Shortstop Has Long Career in Pro Ball

By M. E. INGELS
The men that follow baseball for a livelihood are an interesting group and although thousands of words are written daily in news columns, they never lose their news interest. When ordinary people are considering what to plant in their gardens and where to stow their storm doors, these men are gathering their baseball shoes and duffle bag for another season of campaigning.
Harvey Storey, now a brig guard at NAS, has made the annual trek to spring camps of both major and minor league baseball clubs and when in the mood can pass on baseball as seen by the players out in the sunfield.
Recently on a leave, he followed the old adage of the postman taking a walk on his vacation, and went to San Francisco

Lipscomb Favored Over Finn

Brawn versus brain might be the title of tonight's two out of three fall main events at the armory when curly Buck Lipscomb tangles with Pacific Coast Champion Paavo Katonen.
Buck will be taking the part of the aforementioned brawn as he outweighs Katonen by a considerable margin. Paavo will be billed as the brain because, although he probably wasn't an honor roll student at Harvard, he does possess a lot of wrestling know-how.
Anyway the final result will be a rough and tumble battle with both boys giving their all to put on a good show.
The semi-final bout promises action galore with Tony Morelli tearing into Ivan Jones. Not much has been seen of Jones here but he is a shipyard worker and has been given top billing many a time in his own stomping grounds at Vancouver, Wash. Morelli is known here as fast and clever with a long string of tricks at his command and tangle fight.

Newcomer Milt Olsen is slated to tangle with an oldtime performer here, Bulldog Jackson. Olsen is a former amateur wrestling champion and during his long career he rarely lost a match. Now turned professional, he still remains a feared opponent among those of the grappling clan. Jackson is a crowd pleaser from way back although he has not been seen in action here in recent months.

Four Huskies to Cavort For Army

SPOKANE, July 14 (AP)—Four ex-Washington State college football men are scheduled to cavort on the gridiron for the second air force eleven this fall.
They are Sgt. Bill Remington, center; Lt. Nick Susoeff, end; Lt. Billy Sewell, back, and Lt. Buster Hollingberry, son of WSC's Coach-on-leave Babe Hollingberry, center.

YEOMANS PRESIDENT

NEW YORK, July 14 (AP)—Earl R. Yeomans of Temple was elected president of the Intercollegiate Association of Amateur Athletes of America at an executive committee here yesterday. Ogden D. Miller of Yale was named vice president, and Asa S. Bushnell, former Princeton director of athletics, secretary-treasurer.

to see how the Pacific coast clubs were faring. After seeing six clubs in action, he came away with the view that Oakland and Sacramento looked much better than the league leading Seals and Portland clubs.
Breaking into professional ball with Portland in 1936, he has followed the usual setup of changing voting precincts when the man in the front office said "you are sold." His longest stay with one baseball club was in San Francisco where he remained from 1937 until 1940.
Lefty O'Doul, manager of the Seals, rates more than honorable mention from Storey, who judges him one of the smarter men in organized baseball. "If a man hustles for O'Doul, he will get a break but if he doesn't, it is just too bad," Storey said.
The San Francisco club is financially obligated so that they must sell at least one player each year to a major league club and my time arrived in 1940," he continued. "I was sold to the Seals but they held me with the Seals until the end of the year. I had the misfortune to break a leg in June and it slowed me down some when I reported to Mana-

ger Jimmy Wilson at Catalina the next spring." Storey, after being turned over to Los Angeles for seasoning, said he had one of his worst years with L.A. The records, however, show that his hitting eye was still there as his average was good.
Although used mainly for pinch hitting with the Milwaukee Brewers in 1941, he enjoyed his stay in that German city very much and said he wished he could have stayed there longer. A transfer down to Tulsa, and the warm Texas league weather, baked out some of his stiffness and his hitting again came up.
After finishing the season with Tulsa, he joined the navy and was shipped to Pasco. There he met the loquacious Fred Gay and since that time they have been buddies.
The Pasco team of last year was a "top" team in the northwest and its roster had men from almost every Pacific coast league club. The hurling duties were divided between Gay, Mike Budnick and John Bittner. Storey said that although they didn't have the big names that the Naval Training Station at Great Lakes had, it was his opinion that they could have given plenty of competition to that club.
With the advent of warm weather, Storey again started for the combat conditioning building and Coach Tom Fena to get his shoes for another season. That's baseball for you, sunglasses in the bleachers, the smell of warm soda water, and baseball players keeping a private tabulation on their hitting, even if it is sand lot ball.

Swimming Approved For War Veterans

PORTLAND, July 14 (AP)—Swimming was recommended today as a successful physical therapy method for reconditioning battle-wounded men.
Carroll Bryant, assistant national director of Red Cross first aid and water safety, said swimming experts in several army hospitals have aided men who were almost helpless on land. Injured or strained muscles, Bryant said, can be strengthened more easily in water, where balance is not so essential and body weight is counteracted by the water's buoyance.

Hurlers Led By Rex Cecil

LOS ANGELES, July 14 (AP)—It looks as though this man Rex Cecil of San Diego can't be stopped.
For the fifth consecutive week this righthanded moundsman has led the Pacific coast pitching records with a percentage of .773. That's on the basis of 17 games won and five lost.
Clem Driesewerd, Sacramento southpaw, continued to hold on to second place with 13 victories and six defeats for a .684 percentage.
Tom Seals, San Francisco southpaw, and Marino Pieretti, Portland righthander, were tied for next position at .667 with 14 wins and seven losses each.
Carl Fischer is the top hurler of the Seattle regulars with nine wins and six losses for a .600 percentage.

Big Innings Give Wins to Seals, Acorns

By The Associated Press
The coast baseball league's Oakland Acorns waited till the fifth inning last night when they pounced on Diego's Joe Valenzuela for singles and five walks to tie 11 runs and clinch a 13-11 over the Padres.
Big Innings seemed to be the rule as San Francisco's over five tallies in the eighth inning to dump Portland's stay in second place.
Seattle made five hits for five runs in the initial 8-4 win over Hollywood, while Sacramento's drive to escape setback when Los Angeles followed Hollywood's three-run attack off Hal Turpin in the half of the inning and the gon squire gave way to Frank Tincup as a pinch in the Rainier tally. Tincup received credit for the win.

Bill Talbert Advances to Semi-Finals

CHICAGO, July 14 (AP)—Billy Talbert of Indianapolis, one of the favorites to win the men's singles title in the River Forest open tennis tournament, moved into the semi-final round today.
The host, youngster, who yesterday paired with Nick Buzolich of Los Angeles to win a first round doubles match, was scheduled to meet Dick Warner of the University of Utah. He shared the favorite's role after Francisco (Pancho) Segura of the University of Miami, a topheavy choice for the singles crown, was forced to retire from the tourney because of an injured ankle.
A semi-final singles round also is carded today, with Thane (Whitey) Halsted of Wheaton, Ill., Illinois state singles champion and seeded third, and co-favorite with Talbert for the title, meeting Norman Bickel of Oak Park, former Big Ten title holder. Halsted gained the semi-finals yesterday by defeating Kenneth Black of Peoria, Ill., 5-7, 6-2, 6-1, while Bickel swept to a straight set victory over Guy Bertrich of Chicago, 6-3, 6-2. A straight set victory over Guy Bertrich of Chicago, 6-3, 6-2.
The women's bracket advanced to the semi-finals round with two matches booked. Dorothy Bundy of Santa Monica, Calif., top seeded, will meet Joanne Dunn of Des Moines, Ia., and Catherine Wolf of Elkhart, Ind., will oppose Betty Ruth Hulbert of St. Louis.

"Judge, I've had a lot of calls for that book you took out last week... Tell the Boys Back Home. How did you like it?"
"Fine, Sarah, fine... it's just the kind of book I like to get hold of... I enjoyed every word of it. Wish I could have been along with the author myself... actually living with the men right on the fighting fronts. He got mighty close to them and they certainly opened up their minds and their hearts to him."
"There were lots of new things in the book I hadn't seen in any other reports from front-line writers. But there was one question the men asked the author that I have seen time and time again in these stories. That was 'Are you going to put prohibition over on our soldiers again... and without getting our vote?'"
"I noticed that, too, Judge, and I think the least we can do for those fighting men who are doing so much for us is to respect their wishes on that subject."
