

Teachers Signed By Winema Board

TULELAKE — The Winema school board has announced that contracts have been signed by Mr. and Mrs. W. Mopen, formerly of Calif., who will teach in the Winema school next

term, serving also as bus drivers and janitor. Plans for hiring a third teacher are still indefinite. Mr. and Mrs. Mopen and their four children, three sons and a daughter, will occupy the J. A. Liddell house, formerly the home of Mr. and Mrs. Rosenburg. Mrs. L. C. Kirby, Mrs. Hannon

and Mrs. T. C. Hagerty, all of this community were last year's faculty members.

Mushrooms will decorate fall hats. In some cases that will be putting mushrooms on what already look like toadstools.

Sixth War Loan to Be Under Previous \$16,000,000 Quota

PORTLAND, July 21 (AP)—Ted R. Gamble, national director of the war finance division, predicted today that the quota of the

sixth war loan drive would be slightly less than the \$16,000,000 of the just-completed fifth war loan drive.

The Portlander, visiting here from his headquarters at Washington, D. C., said the next drive would begin around mid-November and close about December 7.

Wage Controls Drawn Tighter

WASHINGTON, July 21 (AP)—Wage controls were drawn a little tighter today by the War Labor Board. A revision extends controls to

all building contractors regardless of the number of employees. Previously employers of eight or fewer persons were exempt from the regulations unless exceptions were made in specific areas.

Acting on the recommendation of the wage adjustment board, WLB said the new order is in-

tended to prevent wage increases by contractors which interfere with wage stabilization in the industry.
