Real Estate For Sale

For Sale
A Modern Home
Due to present and future war conditions, it is priced as we very frankly admit—
Altogether Too High
Nevertheless, this 2-bedroom home is of unusually good and solid construction and has a full, roomy basement, large living room, etc. Its approximate location is to the center of town, its unique setting—giving the owner complete privacy—its rather spacious and very attractive lawn, its stunning view (positively a revelation) need offer no apology. All of these considerable qualities combined, with a comparative value for homes in this class—in these days of rising home prices notwithstanding, easily make this a worthy consideration indeed for the careful home buyer.

Price — \$6000
A substantial down payment is required.
Call at 633 Grant Street.
