SCHOOL POSITIONS OPEN IN COUNTY

With the opening date of county and city schools only a few weeks away, there is still a shortage of teachers, Harold Foley, county school clerk, reports. About nine county school positions are open, and Klamath union high school needs teachers of science, algebra and English.

Summer renovation jobs are nearing completion. The roofs of schools at Merrill and Chiloquin are under repair, and changes are being made in the lunch room at Malin. A new addition is being put in at Chiloquin high school and part of the foundation is being restored.

Plans for the new high school at Bonanza are almost finished, and the board expects to advertise for bids soon. School at Bonanza will probably open in emergency quarters with the other schools September 5.

Vancouver Chosen As Convention City

PORTLAND, Aug. 10 (AP)—Vancouver, B. C., was selected as the host city for the next annual convention of the International Woodworkers of America, CIO, at a meeting of the executive board here.

International officers and board members of 11 districts attended yesterday's meeting to plan "political action" and a drive for new members.

MEN AND WOMEN IN SERVICE

Mr. and Mrs. William Paull and several friends were in Ashland last week to see S 1/c Billy Alves, home on a six-day leave. He was guest soloist at the regular Thursday night concert of the Ashland municipal band. He sang two numbers from the group's library, "Somewhere a Voice is Calling," and "Memories."

Since leaving Ashland, Seaman Alves has had six months voice training at the University of Idaho, when he was enrolled in the navy's V-12 training. Later he went to Plattsburg, and for the past seven weeks he has been stationed at Sampson, New York. Here, he was one chosen from 60,000 men to appear among the contestant's for a Major Bowes' program from there two weeks ago.

He is the nephew of Mr. and Mrs. William Paull of this city.

LANGELL VALLEY — Mr. and Mrs. Ed Jones received a letter from their son Roger, QM 3/c, whose LST boat exploded recently in the South Pacific. The first explosion set fire to the boat and killed several men. Roger was one of the last five to leave the boat, and the second explosion killed one of those five. Roger's clothing was torn off and he suffered a concussion, which put him in the hospital for several days. He lost all personal belongings when the ship burned. He received a commendation for devotion to duty. He is now aboard a USS flagship, the Mt. McKinley.

Roger has many friends in Klamath county. He is a graduate of Bonanza school, where he was active in all sports. He lived at Malin for several years before moving to Langell valley.

His sister Dorothy, is training for army transportation at the WAC's camp at Des Moines, Ia.

Among the four enlisted men who received the captain's certificate of merit during the course of the August personnel inspection at the naval air station at Ottumwa, Iowa, recently was R. J. Skaggs, aviation chief radioman, of Klamath Falls.

The men were singled out from nearly 2000 enlisted men and women at the naval primary training station on the basis of "work efficiency, cooperation, station loyalty and navy attitude and spirit."

Women Students On Increase At OSC

CORVALLIS, Aug. 10 (AP)—A marked increase in women students attending Oregon State college over the past 10 years is shown in statistics released by the registrar today.

Total enrollment of women credit students for the year 1943-44 was 1653, compared with 949 ten years ago and 1530 five years ago, an increase of 74 per cent.

Even a larger increase is shown in the number of women students entering for the first time, which rose 90 per cent from 418 ten years ago to 789 last year.

Portland Seeks Answer to Portwar Unemployment

PORTLAND, Ore., Aug. 8 (AP) This shipbuilding center, which faces one of the nation's toughest postwar unemployment problems, is making a mighty effort to fine a solution.

Not content to rest on its $75,000,000 Moses plan of public works under which 20,000 war workers and returning servicemen will be given jobs for two years, Portland now proposes to make permanent jobs in private industry for 50,000 more men and women than were employed here before the war.

Approved Scalers, Graders Listed

WASHINGTON, Aug. 10 (AP)—The office of price administration has incorporated in its west coast log price regulation an approved list of scalers and graders.

It provided that beginning August 14 buyers and sellers who engage the services of persons on the list will be absolved of responsibility "if it is found upon a rescale or a check scale of the logs that a variation" of more than 5 per cent exists.

While unapproved scalers and graders may be used, buyers and sellers will be held accountable for variations of more than 5 per cent "and will be subject to penalties" provided, OPA said.

This is a
crankcase

THE UNDER SIDE of your engine is enclosed by a thing that is called a crankcase.

This is a sort of swimming pool where hard-working engine parts splash around in motor oil to keep from getting overheated.

Speaking of oil, remember how doughnuts, French fried potatoes, etc., foul up your deep fat with hard, burned particles of this and that? Well, oil in your crankcase gets fouled up, too.

Its hot, dirty assignment is preventing metal parts from cooking to a crisp in the terrific heat inside your engine . . . quite expensive parts like gears, pistons and bearings.

One minute your oil looks almost good enough to put on waffles. But a few "A" coupons later it has become grimy black from carbon, dust and sludge. And as gritty as a picnic on a windy beach.

Then it's time to have Shell put in fresh, safe Golden Shell motor oil. And while they're about it, have 'em Shellubricate the entire car. This is a service protecting *all* vital parts. A good bet to keep your family bus from joining the 5000 worn-out automobiles that limp to junk yards every day.
