JOHN EBINGER ELECTED TO STATE BOARD

John B. Ebinger of Klamath Falls is a new member of the board of governors of the Oregon State Bar, having been elected in balloting concluded this week.

The first Klamath man to sit on the board, Ebinger will replace John F. Kilkenny, Pendleton, as second congressional district representative. In the election, Ebinger defeated Wilson S. Wiley, another Klamath attorney.

Newly-elected members of the board of governors will take office at the Gearhart convention of the bar, September 28-30.

Donald R. Husband of Eugene defeated W. W. Balderree of Grants Pass in the other contest this year. He will occupy the fourth district seat now held by Otto J. Frohnmayer, Medford.

Bryan Goodenough, Salem, was named to the first district seat held by Bruce Spaulding, Salem, and Hugh L. Barzee, Portland, to the third district. Arthur H. Lewis, Portland, was elected delegate to the house of delegates of the American Bar association.

POLICE ARREST 31 IN TRAFFIC CHECK

State police conducted a traffic check at two different points over the weekend, making 31 arrests out of 644 cars stopped. The checks were held at the intersection of highways 66 and 97 near the Lenox addition and the intersection of highway 97 and the Pelican City road.

Accompanying state police was a collector from the internal revenue office who made 25 citations for cars having no federal tax stamps. This carries a $5 penalty in addition to the cost of a stamp.

In the traffic check there were three arrests for no warning device; void foreign licenses, 2; improper license, 1; overloading, 4; no operator's license, 15; no PUC permit, 2; no muffler, 1; no license, 1; and failure to stop at a stop sign, 2.

Reservoir Urged For Benham Falls

BEND, Aug. 22 (AP)—A reservoir at Benham Falls, 15 miles south of here to provide water for irrigation projects south of Crooked river is urged by the Bend chamber of commerce and other Deschutes county communities.

The group also asked a federal survey to find a way of halting water leakage from the Crane Prairie reservoir.
