Cubs Lose 12 in Row To Cards

Chicago Makes Life Work Out of Losing to St. Louis

By JACK HAND Associated Press Sports Writer It's no disgrace to lose to the St. Louis Cardinals this year but the Chicago Cubs threaten to make a life's work out of the habit.

After bowing 11 times in a row when they were lowly cellarites, the Bruins tangled with the Red Birds last night for the first time since they attained their lofty but unsteady perch in the first division. The result was the same. Never in the history of the major leagues has one team swept an entire season series from a rival.

Navy Plays Final Game On Sunday

Air Station to Face Tough Marine Wingers For State Title In Season Finale

In what will probably be their last game of the season, the naval air station nine will meet the Marine Wingers from Corvallis with the mythical service team championship of the state of Oregon at stake.

Seven games won and one lost is the way the score stands now. Their only loss, that handed them by the Wingers, was later avenged by a close 5 to 4 victory. Consistently large crowds, larger than ever before have attended baseball tilts in Klamath Falls, have seen the games at Recreation Park. Between 1500 and 2000 people have been on hand at most of the thrillers, and one of the biggest crowds of the Medford season saw the Navy's only out-of-town tilt which was played at Medford.

Defense was the biggest problem of the navy, experts said, and early in the season they lost many runs cross the plate that should never have reached first base. But by now many consider them a well-balanced ball club with their defense as strong as their offense. Ninety-six navy runs have been marked up since the season started against 39 for their opponents. Scores like 21 to 3 and 17 to 3 account for this high total that sounds like a record of a football team.

CHICAGO—Jerry Pittro, 152, Chicago, outpointed Jimmy Crow, 151, Danville, Ill. (8); Bill Parsons, 144, Danville, and Robert Fowler, 147, Nashville, Tenn., drew (6).

Great Lakes Seen to Win Swim Crown

GREAT LAKES, Ill., Aug. 24 (AP)—Great Lakes' Bluejackets, despite a riches-to-rags decline in talent are favored this weekend to add the National AAU outdoor swimming crown to the indoor title they grabbed with comparative ease at Ann Arbor Mich., last April.

The 1944 outdoor championships, a misnomer since they'll be held indoors in Great Lakes' huge training pool—a 165 by 75 foot tank—get underway tomorrow and continue through Sunday. The Bluejackets, shorn by transfers of such standouts as Bill Smith, triple winner in the AAU indoor meet, Jerry Kerschner, Wally Ris and Dobson Burton, apparently boast the numerical strength to dominate a somewhat lack-lustre field of 80 entries.
