INFORMATION GIVEN ON ASH SHIPMENTS

TULELAKE — Information on the shipment of human ashes to Japan on future exchange ships conveying Japanese nationals to the homeland, has been released by the state department through the American Red Cross and relayed to residents of the Tulelake segregation center.

The information revealed that there is no restriction upon the exportation of ashes of deceased persons from the United States. However, as customs inspection of baggage or property of enemy aliens is necessary upon their departure from the United States, the ashes are required to be placed in a container in such a way that it may be readily opened for inspection by U. S. custom officials.

There are no means now for forwarding ashes to Japan but in the event there are future exchanges of American and Japanese nationals it is expected that it will be made possible for ashes to be returned on the exchange ship.

NEW AIR-SEA RESCUE
Latest device for air-sea rescue work is an all-plywood, power-driven lifeboat, dropped from planes to persons stranded at sea, carrying enough food, clothing, and gasoline and sail to permit a voyage of 1500 miles.

MANY NEVER SUSPECT CAUSE OF BACKACHES
This Old Treatment Often Brings Happy Relief
Many sufferers relieve nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess waste out of the blood. They help most people pass about 1 pint a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up at night with pain, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

MOSQUITO COMBAT MEASURES TAKEN

NEWELL—Measures to combat mosquitoes in the area of the Tulelake center are being taken by the sanitation unit of the project hospital, according to the project relocation authority.

Pools of stagnant water in and around the center and on the farm have been chemically treated. The irrigation canal for the project also is being treated to prevent breeding of mosquitoes in the area.

When more than 100 mosquitoes were examined, it was found that none was of the disease-carrying species.

New Pine Creek

A Well Child Conference clinic was held here last Thursday all day from 9 to 5 o'clock, conducted by Dr. Marjorie Smith, hired by the University of Washington and obtained by the Oregon state board of health. Assisting the pediatrician was County Health Nurse Mrs. Catharine Lemke of Lakeview, who interviewed and arranged appointments for 30 children, who were given complete physical examinations and immunizations against smallpox and diphtheria.

Mrs. Lemke expressed a regret at not being able to invite all the children in the district to attend the clinic but she hopes that another might be held in the near future to accommodate all that might desire the health service.

All volunteer help was obtained through the Lake county health association by Mrs. Faye Keller, chairman of this district. Those who helped with the work were Mrs. Raymond Reese, Mrs. Kathryn Dick, Mrs. Jewel Cameron and Mrs. Faye Keller.

An immunization clinic will be scheduled in October to complete the immunizations started at this clinic, Mrs. Lemke announced.

Mrs. Wilma McKenzie and children left last Saturday morning for her home in San Francisco with her parents, Mr. and Mrs. W. L. Blurton. She visited here several weeks and thoroughly enjoyed the fine weather and the healthful climate.

Wellman Smith was here visiting for a few days vacation with his two boys, Don and Henry, Mr. and Mrs. Henry Tuxhorn and his mother, Mrs. Della Smith. He left last Wednesday morning for Heppner, Ore., where he is surveying logging roads for Jackson and Jackson, contractors who operate out of Portland, Ore., all over the northwest.

Mrs. Corvin C. Vinyard has been home since the first of August from her job in Lakeview with the selective service and is making preparation for her new job teaching school in Willow Ranch which is reported to start September 5.

Guy Hammersley is doing some much needed repair work out at the Kelly Creek school, fixing doors, repairing toilets, building new tables and oiling the floors in preparation for the new school year. If all the work is completed in time and the floors are dry from the oiling,

school will probably start September 5. Otherwise it will be September 11. A definite date, however, will be established by the board next week.

Alvin McKune took a rather comical but nevertheless very painful spill last Friday out at the Raymond Fisher ranch when the buck seat he was on suddenly broke and let him down to the ground rather hard. The next day when a young lady asked him if he broke his seat he replied, laconically, "No—but I bruised it pretty bad." There was a flushed face but no more questions were asked.

Preparations are being made in the valley to harvest one of the largest grain crops that has been raised here for a number of years. Darwin Robnett has purchased a new and larger harvester and Pearl Steward and Gene Smith have recently made purchase of a new machine, it is learned.

Mrs. Buna Faris and her young son, Donald, were brought home from the Lakeview hospital last Sunday. Both are getting along splendidly.

Mrs. Inez McGrew, who underwent a major operation at the Lakeview hospital about eight days ago, is recuperating nicely and hopes to return to her home in Willow Ranch soon. Her nieces-in-law, Lorna Blunt and Jo Anne Harris, daughters of Mrs. Dorothy Blunt, are taking care of her children and doing her housework.

Mrs. Effie Steward recently received a card from Harold Hardisty who is a prisoner in Germany which was sent from Kriegsgefangenenpost by air mail. Harold says he is O. K. and that her letter arrived in record time, and the soonest of the 42 letters he has received from the states. They usually take from four to six months but her written March 8th he received about May 27th.

NEW kind of ASPIRIN tablet
doesn't upset stomach

WHEN you need quick relief from pain, do you hesitate to take aspirin because it leaves you with an upset stomach? If so, this new medical discovery, SUPERIN, is "just what the doctor ordered" for you.

Superin is aspirin plus—contains the same pure, safe aspirin you have long known—but developed by doctors in a special way for those upset by aspirin in its ordinary form.

This new kind of aspirin tablet dissolves more quickly, lets the aspirin get right at the job of relieving pain, reduces the acidity of ordinary aspirin, and does not irritate or upset stomach—even after repeated doses.

Year this out to remind you to get Superin today, so you can have it on hand when headaches, colds, etc., strike. See how quickly it relieves pain—how fine you feel after taking. At your druggist's, 15c and 39c.
