City Briefs

...er Meeting—The Klamath county nutrition council ...ave a dinner meeting at ...illard hotel on Wednesday ...g at 6:30 p. m. Special ...will be the presence of ...Milam, dean of home eco- ...s at Oregon State college, ...s state director of the nu- ...council. Also to be there ...rances Alexander, state nu- ...council secretary, and ...Walsh, regional represen- ...of the food distribution ...istration from San Fran- ...who will be here to view ...b done by the county coun- ...for reservations, interested ...s and members of the ...l should call the home ...stration agent's office by ...ck Tuesday evening.

...k Home—Mrs. Peter East- ...has returned home from ...and where she recently un- ...nt a major operation. She ...e to be up.

To Conduct Meeting—Charles W. Wetterman of Ohio, representative of the Townsend national recovery plan, will be in Klamath Falls Wednesday to hold a meeting at the home of H. O. Myers, 500 N. Ninth at 3 p. m. Anyone interested in the Townsend pension plan is cordially invited. All Townsend members are requested to attend. Refreshments will be served.

Leaves for Pomona—Home for a few days last week after attending summer school at the University of Oregon was Mrs. Bill Hopper, daughter of Mr. and Mrs. E. D. Johnson. Mrs. Hopper left Sunday for California, where she will register for fall term at Pomona college.

Executive Director Here—Irl S. McSherry, executive director of the Oregon War Chest, arrived from Salem Monday afternoon. He will be here until tomorrow noon conferring with men in charge of the combined community drive.

Leave for Spokane—On receiving word of the death of H. E. Rakestraw in Spokane, Mr. and Mrs. R. D. Rakestraw and their niece, Louise, left for the northern city, where they will attend the funeral.

Home From Oregon—Dorothy Currier, daughter of Mrs. Nina W. Currier of Klamath Falls, is home from Eugene, where she has been attending summer school at the university. She will return to school in the fall.

To Meet New Officers—Major and Mrs. Roswall, new officers of the Salvation Army here, will be presented at the meeting of the Army advisory board tomorrow noon at the Salvation Army headquarters.

Returns to Klamath Falls—Mrs. Stuart Nelson, daughter of Dr. and Mrs. E. D. Johnson, 841 Pacific Terrace, is back from San Francisco. Her husband, Ensign Stuart Nelson left for overseas duty recently.

Meeting—Tuesday night at 7 o'clock the chamber of commerce industrial development committee will meet at the Pelican cafe.

Jaycee Picnic—A stag picnic will be held Monday at 6:30 in Moore park for all Junior chamber of commerce members. Picknickers are asked to bring one fork and no women.

Position Open — Word has been received here that applications for the position of price specialist may be obtained from Helen Spiker at the post office building.

Tire Stolen—H. C. Savage of the Willard hotel reported to city police that a tire, tube, and wheel was taken from his car parked in front of the Willard hotel over the weekend.

Enters North Park—Martha Eastman will leave this Friday for Chicago, where she will enter North Park college.

In California—Mrs. Albert Dwight is visiting friends and relatives in southern California.

Visits Parents—Jimmy Watkins left Sunday morning for Missouri to visit his parents.

Returns—Mrs. Emma Kidwell has returned from Portland and is now staying with her daughter, Mrs. Lloyd Derby.

STREAMLINED PLAN EVOLVED FOR RENEWALS

A streamlined plan for handling renewal of "A" gasoline rations by mail was announced today by McDannell Brown, district director, office of price administration. Present "A" ration expires on September 21.

Motorists can obtain their renewal forms at local service stations and garages, except for workers in industries which have plant transportation committees. They will get their forms from the committees and return them to the committees instead of to the local OPA boards, Brown explained.

All other motorists should get their renewal blanks now, fill them out properly, and mail the form to their own local OPA board accompanied by the signed back cover of the present "A" book, and the tire inspection record. If the back cover has been lost or destroyed, the applicant must be able to prove to the satisfaction of the board that the car is actually in use and that no other application has been made for the basic "A" ration.

Applicants temporarily away from their permanent residence may apply at any local board but are urged to mail the renewal blanks to their home boards instead, so their records will be complete.

Do not telephone or call in person at local boards, Brown requested, as no "A" books will be handed out over the counter. Applications will be acted on promptly in the order received so new coupons can be mailed to each applicant before the September 22 validity date.

Home on Leave

Oren and Doran C. Lewis from Smokey Hill army air field, Salina, Kans. Here until August 29.

A/C Delbert Wantis from San Antonio, Tex. Here until August 28.

The above service people are entitled to free passes to the local theatres and free fountain service at Lost River dairy by courtesy of Lloyd Lamb of the theatres and R. C. Woodruff of the dairy. Please call at The Herald and News office (ask for Paul Haines) for your courtesy tickets.

Hart Gives Money To Park Commission

HOLLYWOOD, Aug. 28 (AP)—William S. Hart, two-gun star of silent western movies, has donated $50,000 to the city park commission. It's to build a colored electric fountain and make other postwar improvements on his old west Hollywood home estate, which he recently gave the city for a public park.

Plane Crashes

EPHRATA, Aug. 28 (AP) — Capt. John W. Powers, Helena, Montana, was killed Saturday when his fighter type plane crashed 16 miles southeast of Soap Lake, Col. Henry G. Thorne Jr., commander of the Ephrata army air base, announced.

MEN AND WOMEN IN SERVICE

HOME ON LEAVE — Leo T. Zell, son of Mr. and Mrs. E. V. Zell, of 880 California, has been home on a leave from Corpus Christi, Texas.

He recently graduated from navy aviation radio technician school with a rating of ART 2/c.

• • •

PROMOTED—Mr. and Mrs. E. A. Tepper of 2816 Hope have received word from their son, Dale Tepper, that he has been promoted from a first to a second lieutenant.

Lt. Tepper is now stationed in Italy with the 15th AAF bombsight maintenance department.

• • •

MT. LAKI—Mrs. Belle Dawson received a letter recently from her son, Lloyd Stanley Dawson, who is in boot training at Farragut, Ida., telling of being a member of the "Station Jackpot" team in cross-country racing. They have a special training table for the boys in the first ten places in the regimental race.

Stanley had tied for first place with a boy named Hill from Iowa. Young Dawson was an outstanding boy in athletics while attending Henley high school.

The boys are given a liberty every Sunday after the race and have no guard duty or KP while training for the race.

Stanley also stated they were treated like a king — given all the milk and butter they wanted as well as oranges, bananas and even steaks to eat.

• • •

COMPLETES 50 MISSIONS — S/Sgt. James L. Richey, who is with the fifteenth air force in Europe, has completed 50 missions and will be home in several weeks. He is the son of Mr. and Mrs. James L. Richey, Sr., of 3905 Boardman.

• • •

PRISONER WRITES — S/Sgt. Joe R. Richey, who is a prisoner of war in Germany, has written his parents, Mr. and Mrs. James L. Richey, that he is being treated well and his needs are being supplied by the Red Cross. The letter, dated April 17, was the first he had been able to write by himself because his arms had been injured when he was captured.

26 Killed in Crash Of Air Transport

LONDON, Aug. 28 (AP) — Twenty-six persons were killed early today when a large air transport crashed into a house near the trans-Atlantic military air base at Prestwick, Scotland.

The dead included seven of the plane crew, 14 passengers and five occupants of the house, which was demolished.

American soldiers and civil defense workers labored through the darkness to recover bodies from the wreckage and still were searching this morning for any additional victims.

Two nearby houses were badly damaged and the roof of a fourth was torn off. The plane was inbound from an Atlantic crossing.

Lumber Production Decrease Noted

WASHINGTON, Aug. 28 (AP) Lumber production during the first six months of this year fell 1.3 per cent below that of the first half of 1943, the war production board reported yesterday, as mounting war demands aggravated the severity of the nation's No. 1 vital material shortage.

June production this year, estimated at 3,047,692,000 board feet, was two per cent below that of June, 1943, WPB reported. On the record, this showed an increase of 4.4 per cent over May production, but WPB said that reflected lowered May production and does not indicate an improved lumber situation.

Only Disney can tailor the **"ROBIN HOOD"**

Because Disney alone has developed the painstaking hand skill required to work the supple, velvety finish that you recognize in the "Robin Hood."

A word of warning: Don't expect to find the kind of Hat you are accustomed to wearing. The "Robin Hood" is a different Hat...softer, smoother and more casual. But we think you'll like it.

Why not see the "Robin Hood" for yourself?

Coats Popular as Freak Weather Hits Parts of U. S.

By The Associated Press

From Wichita to Boston the nation shivered in abnormally low temperatures.

It never got above 65 yesterday (Sunday) in Kansas City, the third day in a row that the thermometer had set a record for a low maximum. And a mark that had stood for 66 years in Charlotte, N. C., fell chattering when the mercury dipped to 54.8.

Fires were lit in North Georgia (low 59), and in Indianapolis (59), while fall clothes were trotted out on New York's Fifth avenue (57). And many of the 30,000 fans at the Athletics-Red Sox baseball game in Philadelphia (51) were glad they had fetched along their topcoats. Boston had a low of 53, Des Moines and Detroit 52.

But the queerest quirk came in Kansas. Not only was it cold, it was wet. And on these normally hot, dry Kansas plains cold and wet are two adjectives usually as out of place this time of year as a mountain yodeller any time of year.

Streams which in many a Kansas August won't run a cup full a month are gushing from bank to bank, with flood stages reported on the Kaw, the Blue, the Missouri.

In Kansas City the Swope park swimming pool, scene of the women's national AAU swimming meet only a week ago, is closed to await the rebirth of summer. Normal Sunday attendance for August: 3000.

But in Florida, in southern Texas and on west and up the coast, it was weather pretty much as usual. (Exception: Denver's eight-inch hail storm on Saturday). And things certainly were humming in Yuma, Ariz. The thermometer hit 113 there.

Idaho Man Killed In Rooming House

BUHL, Idaho, Aug. 28 (AP)—Robert E. Shaddy, about 58, a resident of Buhl for 27 years, was found dead Saturday in a rooming house, a bullet wound in his head.

Deputy Sheriff Ed Hall of Twin Falls said two men were held on open charges pending coroner's inquest Tuesday.

Survivors include a son, J. T. Shaddy of Elko, Nev., and a daughter, Mrs. Dorothy Dorris of St. Helens, Ore.

who ever thought
A SYNTHETIC TIRE
COULD BE
SO GOOD!

Even tire men had their fingers crossed when they faced the job of building tires entirely from the new government synthetic rubber GR-S. Many said it couldn't be done. But it *was* done! And in record time! Today, the new U.S. Royal DeLuxe synthetic tire, when driven at wartime speeds and given the kind of care any good tire deserves is doing a job so good that it's close to pre-war performance—and improvements are still being made. The new U.S. Royal DeLuxe synthetic tires are *good* tires!

IT'S VENTILATED! The open-spaced tread design and deep-cut shoulders allow cooling air to circulate freely drawing heat away from the body of the tire.

IT'S SAFETY BONDED! Every cord is bathed in a specially compounded solution that locks the cords firmly into layers of synthetic rubber cushion. Safety bonding means extra miles of safe service.

IT'S MILEAGE-TESTED! In the laboratory and on the road, U.S. Royal DeLuxe synthetic tires are mileage-tested, proving over and over again that "U.S." synthetic tires are *good* tires!

TIRES ARE SCARCE
First call on tires must go to our fighting forces. The rest of us have the job of making our present tires last right on through the war if possible. Keep speeds *down*. Keep air pressure *up*. Recap in time!
