## Hunters Will Have Real Season

### Ammunition Quotas Boosted For Farmers and Ranchers; Nimrods Get Real Break

WASHINGTON, Aug. 29 (AP)—The ban on sale of ammunition to hunters was lifted today by the war production board, opening the way for the nimrods' first real season since the war began.

At the same time, WPB also boosted quotas of ammunition for farmers and ranchers to use against predatory animals.

Ammunition production this year is expected to be about 62 per cent of pre-war output, WPB said. Chairman Robertson (D-Va.) of the house conservation committee, estimated that between 450,000,000 and 500,000,000 shotgun shells will be offered for sale and said an "adequate" supply of rifle cartridges will be available.

Until December 31, farmers and ranchers and hunters will have the following quarterly quotas: 150 rounds of .22 caliber rim-fire cartridges, 40 rounds of center fire rifle ammunition (or 50 rounds if customarily packaged 50 to a box), and 100 shotgun shells of any gauge.

The previous quarterly quota for farmers and ranchers was 100 rounds of .22 rim-fire cartridges, 40 rounds of center fire ammunition and 25 shotgun shells.

## Browns Hold First Place Over Tigers

### Associated Press Sports Writer

There was a suspicion going the rounds today that the St. Louis tailspin was over as the Browns went into the final test of their last long road trip with a four-game lead and vision of happy harvest days ahead at Sportsman's park.

Adding to Luke Sewell's peace of mind was the second place situation which had seen Boston, New York and Detroit in the runner-up spot in the last three days.

Detroit appeared to present the main problem at the moment as Steve O'Neill had his Tigers in second place, two points ahead of Boston, and was scheduled to take on St. Louis in a rough and tumble "crosshull" series in the Browns' back yard this weekend.

The Tigers took over the runner-up spot yesterday as Dizzy Trout ran the show all by himself in shutting out Chicago, 7-0, while Boston and New York split. Trout ran his string of scoreless innings to 19, hung up his 22nd win and 8th straight but hogged the headlines by smashing his fifth homer with one on and adding a double and single to drive in five runs.

Boston and New York each popped up with a rookie find who proved he could win at least once in the big show. The Red Sox showed Clem Dreisewerd from Sacramento, who stopped the Yanks with six hits to cop, 8-1, and Joe McCarthy countered with Floyd Bevens of Salem, Ore., up from Newark, who turned the tables, 11-2, for an even break.

Bobo Newcom and Jesse Flores hurled Philadelphia to a double-barreled triumph over Washington, 3-1 and 11-4, recapturing fifth place and making it 8 out of 10 in the win column for the A's.

St. Louis rolled up an 8-3 night game margin on Cleveland with Denny Galehouse receding from his recent losing troubles to grab his sixth over Specs Killeman. Evidence in support of the Browns comeback was given by 11 solid base knocks on top of 17 against Detroit in their last previous start.

The Cardinals continued to gun for the Cubs' 1906 record by notching victory No. 91 at

## Marine Gridiron Squad To Begin Tryouts Soon

### Coach Roberts Has Wealth of Material; Football Field on Post Being Planned

Tryouts and initial conditioning for members of the Marine Barracks football squad will begin next Monday, Maj. Clyde C. Roberts, head coach, announced today. He expects a large number of men, ex-high school and college athletes from all parts of the country, to try for starting positions in the grid lineup.

Among the experienced men slated for spots on the team are Sgt. Harry Golden, San Diego marine base football star; PFC Robert Whittaker, Bridgeport, Conn., semi-pro; St/Sgt. Thomas McClure, who played two years for Washington State; PFC Walter Apt, with three years on the University of Iowa squad; PFC Joseph Fiore, four years semi-pro in New York, and PFC Benjamin Fagliauto, two years pro football with the Danbury, Conn., Trojans.

With these men forming the nucleus, Major Roberts expects a well-balanced team to take on the schedule arranged by Lt. Francis Hogan, athletic officer.

Major Roberts has considerable coaching experience in his sports history, both in and out of the service. He was coach at Brown Military academy in San Diego, and also acted as line coach while playing guard with the Philadelphia marine football team.

Also at Philadelphia he was captain of the station basketball squad and boxing instructor under the famed Colonel Biddle.

As line coach, the marines have Capt. James Higgins, 240-pound first-string guard with the Chicago Cardinals of the National Professional league in 1941.

The Chicago pros became interested in the big Texan when he starred at tackle for Trinity university, making all-Southern in 1939-40.

Coming into the Marine corps late in 1941, he finished the season with the star-studded Quantico eleven, playing with such performers as Penn's all-American Frankie Reagan. Overseas with an artillery unit, he put on the gridiron a marine team which won the Melbourne, Australia, championship and the Vandergrift cup.

Backfield coach for the marines will be another southerner, Capt. Roy L. Walters, former blocking back at Furman university, Greenville, S. C. Capt. Walters was all-state back two years with Monroe, N. C., high, and played one year with the Charlotte Clippers in the Dixie semi-pro league.

A football field on the post is being planned, and equipment is being secured for the players.

## Beavers Win From Padres 7-2

### Angels Eke Out 3-2 Victory Over Oakland in 15 Inning Pitching Duel; Seals Win

The Oaks had taken a two run lead when the Angels tied up the count in the eighth inning and forced the tilt into overtime. Hayes loosened in the first of the fifteenth to walk Ted Norbert who was forced at second by Ed Sauer. Reggie Otero walked, Tony York singled and Ed Fernandez brought in Sauer with another single.

The Portland Beavers held second position, ten and one-half games behind the Angels, with an easy 7 to 2 win over San Diego's bottom rung Padres. The Beavers clinched the game in the third with three unearned runs and added four more in the fourth. The winners connected for five doubles.

San Francisco pushed Hollywood out of third with a 10 inning 7 to 6 win off an unearned tally.

Seattle and Sacramento wrangled to an 8 to 5 Rainier win that saw Sacramento's Manager Earl Sheely and Pitcher Larry Kempe ordered out of the park when they protested too volubly against an umpire's decision in the second inning.

The decision had allowed the first of five Rainier runs in that inning. Later, Solon second sacker Gene Handley was ousted for protesting against a third strike. Pitcher John Babich drove in three runs for the Rainiers in the second and was credited with the win although forced off the mound in the sixth.

Cincinnati's expense, 3-0. Ted Wilks upped his win record to 14-1, boasting the longest streak of the major league season at 11.

Chicago thumped Pittsburgh 15-4 behind Paul Derringer but the Pirates bounced back for a 5-4 verdict to square matters on Preacher Roe's six-hitter.

Dixie Walker took over the batting lead with three hits as Brooklyn shaded the Phillies, 2-1, and Mel Ott and Ernie Lombardi socked homers to help New York's Bill Voiselle grab a 4-2 victory over Boston.

## Sports Briefs

### By Hugh Fullerton, Jr.

NEW YORK, Aug. 30 (AP)—Along about September or October (when the baseball season is over) those high-powered navy ball teams at Norfolk, Great Lakes, Sampson and Bainbridge will be busied up and many of the players shipped overseas. . . . Johnny Roney, Eddie Robinson, and Frankie Marino of Norfolk already have received their orders and Elbie Fletcher, Fred Chapman, Sherry Robertson, Wilson, Truck Fernandez and Bob Scheuring are due to leave Bainbridge. . . . There's also a rumor (still unconfirmed) that Mickey Cochrane will be pushing out from Great Lakes. . . . Last year's Norfolk team was torn to pieces, but the 1944 model already has beaten its 72-game winning record while most of the '43 players are in Hawaii trying to beat Joe DiMaggio's army outfit.

## SHORTS AND SHELLS

The golf pros, who finish their summer tour at Dallas, September 10, will open the "winter" campaign by shooting for \$13,333 in war bonds at Portland, Ore., November 23-26. Then will come San Francisco, Oakland, Los Angeles, Del Mar, Phoenix, San Antonio and New Orleans open tournaments before the usual starter in Miami. . . . While the men's division isn't so hot (naturally) the women's tennis field starting play for the national championship today is so strong that three first-10 players weren't even seeded. . . . If southern training is allowed next spring, the Dodgers may go to Mexico City, which won't be far enough away to suit some fans.

## Bolanos Defeated By Technical KO

LOS ANGELES, Aug. 30 (AP) After 14 consecutive ring victories in this country, Enrique Bolanos has tasted defeat.

The former Mexico City bell-hop hit the canvas twice last night and lost by a sixth-round technical knockout to a gloved whirler in — Bantamweight Champion Manuel Ortiz of El Centro, Calif.

## Bears Meet All-Stars Tonight

### Professionals Favorites Over Collegians in Annual All-Star Gridiron Contest

EVANSTON, Ill., Aug. 30 (AP) For four straight seasons, the all-star football game has bubbled over with touchdowns and tonight's 11th renewal of the talent-packed classic—pitting the Chicago Bears and the College Football All-Stars—should be still another sizzler.

It's possible the epic 45-23 score in the Green Bay Packers' 1940 triumph may be approached—and you pick the winner—when the Bears' fire their T-formation and adroit Sid Luckman against such break-away gallopers as Creighton Miller of Notre Dame and Charles Trippi of Georgia, and Tulsa's super-slinger, Glenn Dobbs, of the All-Stars.

Bet-makers are siding with the Bears, 9-5, convinced that Quarterback Luckman, on leave from his eastern maritime base, and a few rugged holdovers from the club's past powerhouses, can maintain a perfect record against the collegians. The Bears own three of the five professional triumphs in the series and played a scoreless tie in the 1934 inaugural.

A tip-off that Northwestern's Lynn Waldorf, All-Star head coach, will send his charges swinging for touchdowns at the opening whistle came in his last-minute selection of Miller as starting fullback. The Irish star regularly plays halfback and as the All-Star plunger gets the call over such bona fide fullbacks as Pete Layden and Roy McKay of Texas and Corwin Clatt of Notre Dame.

At the outset, at least, it will be Dobbs, Trippi, Miller and Quarterback Lou Saban of Indiana trying to outslash and out-hammer signal-caller Johnny Long, a Bear freshman, Halfbacks Ray Nolting and Doug McEnulty and Fullback Gary Famiglietti. Long is expected to give way to Luckman as soon as the Bears scent a scoring chance.

Al Hoptowitz, ex-Washington State lineman from Yakima, will be starting at right tackle for the All-Stars.

## World Series Problems Ironed Out in Chicago

### CHICAGO, Aug. 30 (AP)—The 1944 world series will open on Wednesday, October 4, in St. Louis, it was decided Tuesday at a conference in the office of Baseball Commissioner K. M. Landis.

The St. Louis Cardinals, who virtually have clinched the National league pennant, will be the home team for the initial contest.

If the St. Louis Browns—now out in front by three and a half games—win the American league championship, the series will be played on this schedule: The Cardinals will be the home team at Sportsman's park for the first and second games, October 4 and October 5, and for the sixth and seventh games, October 9 and October 11.

The Browns will be the home team for the third, fourth and fifth games, October 6, October 7 and October 8.

Thus, the only break in the play if the series goes to the seven-game limit would be a rest period on October 10.

If Detroit wins the American league pennant, the series will be run off like this:

The first, second and third games will be played in St. Louis on October 4, October 5 and October 6. One day will be allowed for travel, and the fourth, fifth, sixth and seventh games will be played in Detroit on October 8, October 9, October 10 and October 12.

If either the New York Yankees or the Boston Red Sox meet the Cardinals, this plan will be followed:

The first, second and third games will be played in St. Louis on October 4, October 5 and October 6. Two days will be permitted for travel, and the fourth, fifth, sixth and seventh games will be played in the eastern city on October 9, October 10, October 11 and October 13.

Representatives of the clubs concerned joined in a statement asking that the managements strive to limit attendance to people from the cities in which the games are played.

The games will start at noon, (PWT) in St. Louis, and at 11 a. m. (PWT) in Detroit, New York or Boston.

Receipts for the third, fourth, sixth and seventh games—except for the players' share—will go to the war relief and service fund.

The ticket price scales approved by the conferees were: At St. Louis, including 25 per
